Independent Auditors' Report

Trustees and Participants of
Carthage Veterinary Service, Ltd. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Carthage Veterinary Service, Ltd. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Carthage Veterinary Service, Ltd. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Carthage Veterinary Service, Ltd. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Carthage Veterinary Service, Ltd. Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Carthage Veterinary Service, Ltd. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Carthage Veterinary Service, Ltd. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

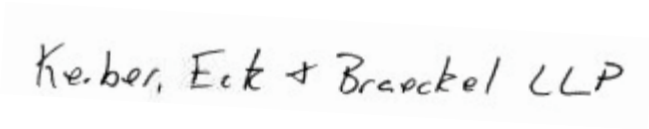

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Carthage Veterinary Service, Ltd. Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE A | DESCRIPTION OF THE PLAN

The following description of Carthage Veterinary Service, Ltd. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution 401(k) and profit sharing plan covering all non-excluded employees of Carthage Veterinary Service, LTD., Carthage Innovative Swine Solutions, LLC, Professional Swine Management, LLC, Hancock Veterinary Clinic, LLC and Carthage System, LLC (the Company) who complete at least three months of service. The Plan was adopted and began operations on September 30, 1980. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees of the Plan control and manage the operation and administration of the Plan. Bank of America, N.A. serves as the trustee of Plan assets. Effective November 7, 2025, the Plan was amended to change the eligibility conditions from the attainment of age 21 to age 18 for all contributions.

2. Contributions

Three types of contributions can be made to the Plan.

Deferral Contributions - Each year, participants may contribute up to 100% of their pre-tax or post-tax (Roth) annual compensation as defined in the plan document, subject to Internal Revenue Code annual limitations. The maximum deferral in 2025 and 2024 is the lesser of 100% of compensation or $ 23,500 and $ 23,000, respectively. In 2025 and 2024, participants who will be at least 50 years old by the end of the year may make an additional "catch-up" contribution of up to $ 7,500.

Safe Harbor Employer Matching Contributions - The Company makes a safe harbor matching contribution equal to 100% of each participant's elective deferral contributions, up to 3% of the participant's Plan compensation for the Plan year, plus 50% of the amount of the participant's elective deferral contributions that exceed 3% of Plan Compensation, but that do not exceed 5% of the participant's Plan compensation. By law, the Plan cannot recognize compensation in excess of $ 350,000 in calendar year 2025 in calculating the safe harbor contribution. Participants who have completed one year of service (12 months and 1,000 hours) are eligible for the safe harbor matching contribution.

NOTE A | DESCRIPTION OF THE PLAN

2. Contributions

Profit Sharing Contributions - The Company can, at its discretion, elect to contribute to the Plan on behalf of each participant for the Plan year. Participants who have completed 1,000 hours of service during a plan year and are employed on the last day of the plan year are eligible for discretionary employer contributions. Discretionary profit sharing contributions totaling $ 764,900 were made for the year ended December 31, 2025, and are included in employer contribution receivables on the statement of net assets available for benefits. Contributions are subject to certain Internal Revenue Code limitations.

The Plan also allows rollover contributions.

3. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's safe harbor matching contribution, the profit sharing contribution, and allocations of Plan earnings and losses and administrative expenses. Allocations are based on participant earnings, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their deferral contributions and safe harbor matching contributions plus actual earnings thereon. Participants become 100% vested in profit sharing contributions after completing three years of service.

5. Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant generally receives a lump-sum payment of his or her vested accrued benefit when requested. Account balances of terminated participants are to be distributed as soon as administratively feasible upon severance of employment. Participant consent is not required for distribution of account balances less than $ 5,000. The Plan also allows in-service distributions for participants upon reaching the age 59 ½.

NOTE A | DESCRIPTION OF THE PLAN

6. Forfeitures

The non-vested portion of discretionary employer contributions for all terminated employees is used to pay additional administrative expenses of the Plan and any remaining forfeitures are allocated to participants eligible to share in the discretionary employer contributions. Forfeited non-vested accounts totaled $ 13,786 and $ 17,219 at December 31, 2025 and 2024, respectively. Forfeitures totaling $ 14,198 were used to pay administrative expenses of the Plan during the year ended December 31, 2025.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

4. Payment of Benefits

Benefits are recorded when paid.

5. Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Any additional administrative expenses of the Plan are paid by the Plan participants, as provided in the Plan document. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

6. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 5, 2026, which is the date the financial statements were available to be issued. Through October 5, 2026, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | SUMMARY OF FINANCIAL INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION

The following is a summary of the (unaudited) information regarding the Plan at December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplementary information that was obtained from data that has been prepared and certified to as complete and accurate by Bank of America, N.A., the qualified institution.

	2025	2024
Investments at fair value		
Mutual funds	$ 18,961,114	$ 15,463,687
Collective trusts	338,702	275,538
Cash	-	(125)
Investment income		
Net appreciation in fair value of investments	1,377,882	
Dividends	1,003,798	
Interest	70	

NOTE D | FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts consist of mutual funds, common stocks and cash and cash equivalents, and are valued at the closing price reported in the active market in which the individual securities are traded.

NOTE D | FAIR VALUE MEASUREMENTS

The Plan invests in a collective trust, which is valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$ 18,961,114	$ -	$ -	$ 18,961,114
Self-directed brokerage accounts	4,223,101	-	-	4,223,101
Total assets in the fair value hierarchy	$ 23,184,215	$ -	$ -	23,184,215
Investment measured at net asset value per share				338,702
Investments, at fair value				$ 23,522,917
December 31, 2024				
Mutual funds	$ 15,463,687	$ -	$ -	$ 15,463,687
Self-directed brokerage accounts	3,553,336	-	-	3,553,336
Total assets in the fair value hierarchy	$ 19,017,023	$ -	$ -	19,017,023
Investment measured at net asset value per share				275,538
Investments, at fair value				$ 19,292,561

NOTE D | FAIR VALUE MEASUREMENTS

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As part of the Plan's investment portfolio, there are investments made in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entity, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entity. The fair values of these investments are determined by the management of the entities and are reported to the Plan as the Plan's proportionate share of the net asset value of the entity.

The following table provides information as of December 31, 2025 and 2024, relative to this type of investment. Additional information on the investment which is a direct filing entity can be found by viewing its U.S. Department of Labor Form 5500.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2025				
Collective trusts	$ 338,702	$ -	Daily	1 day
December 31, 2024				
Collective trusts	$ 275,538	$ -	Daily	1 day

NOTE F | TAX STATUS

The Plan is qualified under Section 401(a) and tax exempt under Section 501(a) of the Internal Revenue Code. The Plan is a non-standardized pre-approved profit sharing money purchase plan with CODA and obtained its last approval letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been restated since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G | PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H | RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Bank of America, N.A. Bank of America, N.A. is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Bank of America, N.A. receives revenue from mutual fund service providers. This revenue is used to offset certain amounts owed for administrative services provided to the Plan. If the revenue received by Bank of America, N.A. from mutual fund service providers exceeds the amount owed under the Plan Agreement, Bank of America, N.A. remits the excess to the Plan's trust on a quarterly basis. Such amounts were applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025, funds totaling $ 4,058 were allocated to the Plan's administrative expenses. At December 31, 2025 and 2024, the balance of the Plan's credit account was $ 260 and $ 199, respectively.

NOTE I | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
