INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the

401(k) / Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Premier Medical Group, Inc. 401(k) / Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Premier Medical Group, Inc. 401(k) / Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Premier Medical Group, Inc. 401(k) / Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Premier Medical Group, Inc. 401(k) / Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Premier Medical Group, Inc. 401(k) / Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Premier Medical Group, Inc. 401(k) / Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Premier Medical Group, Inc. 401(k) / Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Premier Medical Group, Inc., who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established effective April 1, 1997. Premier Medical Group, Inc. (the Company) is the plan sponsor.

Contributions

Eligible employees may contribute up to 100% of their pretax compensation or make nondeductible (after-tax) contributions, as defined by the Plan, not to exceed the maximum amounts allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan.

For each plan year, the Company shall contribute to the Plan on behalf of each participant who is eligible to share in matching contributions for the year a safe-harbor matching contribution equal to 3% of each participant's compensation. The Company may also contribute discretionary employer contributions as determined by the Company's Board of Directors. For the years ended 2025 and 2024, the Company made profit sharing contributions of $1,494,675 and $1,526,378, respectively, to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary and matching contribution and an allocation of Plan earnings (losses) and administrative expenses based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and the Company's safe-harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Payment of Benefits

Upon retirement, termination, disability or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, participants may take an in-service distribution upon reaching age 59 ½. Upon termination, automatic distributions are required for balances of less than $7,000.

Automatic distributions made without the participant's consent are rolled into an individual retirement account designated by the Trustee. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70 ½.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $19,707 and $16,273, respectively. Forfeitures attributable to non-vested employer matching contributions are used to reduce the contribution of the employer for the next plan year. Forfeitures attributable to discretionary employer contributions are used to reduce the employer contribution during the plan year in which such forfeitable event occurs. In 2025 and 2024, employer contributions were reduced by $16,273 and $26,210, respectively, from forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Accounting Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Management has evaluated subsequent events through September 4, 2026, the date at which the financial statements were available to be issued, and has determined that there are no events that require adjustment to, or disclosure in, these financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 – INCOME TAX STATUS

The Plan has adopted Newport Group, Inc. Volume Submitter 401(k) Profit Sharing Plan (VSPS Plan). The Internal Revenue Service has determined and informed Newport Group, Inc. by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The VSPS Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the determination letter, Plan management believes the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – CERTIFIED INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company and Ascensus Trust Company. Newport Trust Company served as the Plan's trustee as of December 31, 2024 and from January 1, 2024, through April 23, 2025. Ascensus Trust Company served as trustee from April 24, 2025, through December 31, 2025. This information has not been audited by the Plan's independent auditors.

The information certified by Newport Trust Company or Ascensus Trust Company is summarized below.

	2025	2024
i.) Assets held at December 31:		
Mutual funds	$ 39,190,321	$ 34,132,137
Money market mutual funds	2,566,918	1,718,525
Self-directed accounts	53,749,817	47,299,620
ii) Investment income for the year ended December 31:		
Net appreciation in fair value of investments	13,163,043	12,439,528
Interest and dividends	952,292	1,448,805

iii) Information presented in supplemental schedule on page 14.

NOTE 6 - INVESTMENTS

The following table presents the fair values of investments as of December 31, 2025 and 2024.

	December 31, 2025	December 31, 2024
Investments, at fair value:		
Mutual funds	$ 39,190,321	$ 34,132,137
Money market mutual funds	2,566,918	1,718,525
Self-directed accounts	53,749,817	47,299,620
Total Investments, at fair value	$ 95,507,056	$ 83,150,282

NOTE 7 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 7 - FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds (held in pooled and self-directed accounts): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at the daily closing price as reported by the fund. The money market fund held in the 401(k) account is an open-end mutual fund that is registered with the SEC. This fund is required to publish its daily net asset value and to transact at that price. The money market fund held by the 401(k) account is deemed to be actively traded.

Corporate & US stocks, foreign equities (held in self-directed accounts): Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 - FAIR VALUE MEASUREMENTS (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 39,190,321	$ -	$ -	$ 39,190,321
Money market funds	2,566,918	-	-	2,566,918
Self-directed accounts	53,749,817	-	-	53,749,817
Investments, at fair value	$ 95,507,056	$ -	$ -	$ 95,507,056

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 34,132,137	$ -	$ -	$ 34,132,137
Money market funds	1,718,525	-	-	1,718,525
Self-directed accounts	47,299,620	-	-	47,299,620
Investments, at fair value	$ 83,150,282	$ -	$ -	$ 83,150,282

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan was serviced by Newport Trust Company as its trustee, and Newport Group Inc. as its record-keeper until April 23, 2025. Effective April 24, 2025, the Plan is serviced by Ascensus Trust Company as its trustee, and an affiliate of Ascensus Trust Company as its record-keeper.

Mitchell, McLeod, Pugh & Williams, Inc. is the investment advisor to the Plan. The advisor is authorized to supervise and manage the Plan in accordance with the investment objectives set forth by the Plan sponsor. The advisor has full discretion with transactions involving the Plan's assets. The advisor's responsibilities also include advising individual participants regarding investment choices and objectives for their individual accounts. The advisor has fiduciary responsibility for investment advice for the Plan.

Raymond James serves as investment advisor to certain self-directed participant brokerage accounts.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

Direct payments to parties-in-interest in 2025 and 2024 were $128,451 and $143,951, respectively.

Certain administrative functions are performed by officers or employees of the plan sponsor. No such officer or employee receives compensation from the Plan.

NOTE 10 – ALLOCATED INSURANCE CONTRACT

An allocated insurance contract with a contract value of $226,122 is held in a self-directed participant account. The allocated contract is a contract with an insurance company under which related payments to the insurance company are currently used to purchase a future benefit for an individual participant.

Under the allocated contract, the insurance company that issued the contract has unconditionally guaranteed, upon receipt of the required premiums, to provide a retirement benefit of a specified amount to the covered participant without adjustment for fluctuations in the market value of the underlying assets of the insurance company, and the participant has the legal right to such benefits, which is legally enforceable against the insurance company. Under such an allocated contract, the Plan has effectively transferred the risk for payment of benefits accrued to that date to the insurer and, accordingly, the value of the allocated contract is excluded from Plan assets.

NOTE 11 – PLAN ADMINISTRATION AND SERVICE PROVIDER TRANSITION

The Company approved a transition of the Plan's recordkeeping and trustee services to modernize technology infrastructure. Prior to April 24, 2025, Newport Trust Company served as the directed trustee, and Newport Group Inc. served as the recordkeeper of the Plan. Following the completion of the transition period, Ascensus Trust Company assumed the role of trustee, and an affiliate of Ascensus Trust Company assumed the role of recordkeeper.

In connection with this transition, a temporary blackout period was initiated on April 22, 2025 and concluded on April 28, 2025. During this window, participant actions, including the ability to direct or diversify investments, request loans, or obtain distributions, were temporarily suspended. Invested shares were re-registered under Ascensus, and accordingly, no mapping of investments from Newport to Ascensus was necessary.
