Independent Auditor's Report

Plan Administrator
Wilson Brown Motors Inc. Employee Benefit Plan
Hanover, Pennsylvania

Opinion

We have audited the financial statements of Wilson Brown Motors Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i - Schedule of Assets as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

All regular full-time employees who work at least 30 hours per week are eligible to participate in the Plan after 30 days of employment. The waiting period is waived for employees transferring from a part-time position to the extent that they were already employed part-time. Only management employees are eligible to receive long-term disability benefits and must work at least 30 hours per week and complete 30 days of service to be eligible. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan fully insures dental, life, vision, disability, critical illness, and AD&D insurance benefits (basic, supplemental, and dependent). The Company purchases annual insurance contracts for these insured benefits. Premiums are paid to the insurance company from the Plan.

Self-insured benefits

Medical and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan’s third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan. Despite the Plan’s utilization of third-party claim’s processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

COBRA - Consolidated Omnibus Budget Reconciliation Act

Generally effective for plan years beginning on or after July 1, 1986, the Plan was required to offer continuation of benefits for a specified period of time to qualified employees and their dependents that would not otherwise be eligible for continued coverage because of a particular qualifying event as required by law. Each qualifying individual pays his/her premiums to COBRA Serve (a third-party administrator). COBRA Serve forwards the premiums collected to the claims administrator who, in turn, forwards them to the Plan for deposit into the trust account, which are shown as participant contributions. COBRA claims and other COBRA expenses are paid from the custodial account.

1. Description of Plan (Continued)

Stop-Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims in excess of the stop loss deductible, as well as its aggregate exposure for all claims). Premiums for stop loss reinsurance are paid by funds deposited in the Plan.

Administrative Fees

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrator. These expenses are reported on the Statement of Changes in Net Assets Available for Plan Benefits. All other administrative expenses, such as professional fees, may be paid by the Company.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported claims (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of benefits

Premiums paid by the plan are recorded as premium payments in the accompanying Statement of Changes in Net Assets Available for Plan Benefits. Claim payments are recorded when paid by the third-party claims processor.

Stop-loss Insurance

Premiums for stop loss insurance are included in premium payments to insurance carriers in the accompanying Statement of Changes in Net Assets Available for Plan Benefits. Stop loss reimbursements for 2025 totaling $2,038,170 have been netted with claims expense in the accompanying Statement of Changes in Net Assets Available for Plan Benefits and Plan Benefit Obligations.

Estimated Liability for Claims Incurred but not Reported

The Plan's liabilities for claims incurred, but not reported as of December 31, 2025, were estimated by the Plan's claims processing administrator. The estimate includes (1) unreported claims; (2) reported but unprocessed claims; and (3) processed but unpaid claims. Claim settlement expense liabilities are not included. A method is used that applies a factor (the reserve factor) to a credible best estimate volume measurement of paid claims. The calculation was performed for medical and prescription drug coverage. Due to the short nature of the reserve liability, time value of money was not used to discount future payments.

Concentration of Credit Risk

The Plan maintains its deposits in one financial institution located in Pennsylvania. This deposit is insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At times, the Plan's cash account may be in excess of the FDIC insurance limit.

2. Summary of Accounting Policies (Continued)

Subsequent Events

Subsequent events were evaluated through September 23, 2026, the date the financial statements were available to be issued.

3. Cash, Interest-Bearing

Cash consists of an interest-bearing money market account with UMB Financial that is used to fund claim payments and insurance premiums. Interest income is recorded on an accrual basis.

4. Related-Party and Party-in-Interest Transactions

The Plan has administrative arrangements with third-party service providers. These transactions are party-in-interest transactions under ERISA.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets will be applied in a uniform and non-discriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or used for any other purpose other than the exclusive benefit of the Plan participants.

6. Tax Status

The Plan is not exempt under any current section of the tax code. The Plan is funded through Veris Benefits Consortium, LLC Trust. The Veris Benefits Consortium, LLC Trust is included in the U.S. Income Tax Return for an S Corporation Form 1120S of the third-party administrator of the plan. Plan management believes the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

Benefit Obligations

The Plan's estimate of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
