INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Centers for Advanced Orthopaedics, LLC
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centers For Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) DESCRIPTION OF PLAN

The following description of the Centers for Advanced Orthopaedics, LLC 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Centers for Advanced Orthopaedics, LLC ("the Company"). The Plan excludes leased employees, employees governed by a collective bargaining agreement, unless such agreement expressly provides for participation in the Plan, and nonresident aliens who receive no income from sources within the United States. The Plan was adopted on January 1, 2013. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of available annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common/collective trust as investment options for participants. The Company makes a safe harbor contribution of 3% of compensation for all eligible employees. Discretionary profit-sharing amounts are contributed and are invested in a portfolio of investments directed by the participant. Employees with over one year of service are entitled to a portion of the safe harbor and profit-sharing contributions regardless of whether or not they make elective contributions to the Plan. During the year ended December 31, 2025, the Company made profit-sharing and safe-harbor contributions of $5,324,023 and $3,878,615, respectively, to the Plan. Contributions are subject to certain limitations as prescribed by the Internal Revenue Service.

The Plan includes 3% automatic enrollment contribution arrangement unless an employee opts out or chooses a different percentage.

If an employee leaves employment for military service and is re-employed under the Uniformed Services Employment and Re-employment Rights Act of 1994, special rules apply to his/her elective deferrals, benefits, Company contributions and service credits.

(1) CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses and any direct transaction expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based upon years of continuous service. A participant is 100% vested after six years of credited service on a graded vesting schedule. A participant automatically becomes 100% vested upon attaining age 65, becoming disabled, or upon death.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or up to 50% of their vested account balance, whichever is less. The repayment period shall not be more than five years. Loans will normally be secured by 50% of the vested balance in the participant account and bear a reasonable rate of interest. A participant may not have more than two loans outstanding at any time.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $93,928 and $279,513, respectively. Forfeitures are used to pay plan expenses or reduce employer contributions. $279,058 of forfeitures were utilized to reduce employer contributions in 2025.

(1) CONTINUED

Benefit Payments

Participants who reach age 59 ½ are permitted to withdraw any or all of their account balance. On separation of service due to death, disability, or retirement, a participant or his or her beneficiary may receive a lump-sum amount equal to the vested value of his or her account, or may elect to receive payment on an installment basis. For termination of service or other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawal

The employer may authorize withdrawals from a participant's account in the event of "severe financial hardship." Hardship withdrawals are subject to specific statutory and regulatory requirements.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting, other than recognizing unrealized gains and losses on investments, revenue is recognized when received rather than when earned and expenses when paid rather than when incurred.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(2) CONTINUED

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable are classified as distributions based upon the terms of the Plan document.

Transaction and service fees are charged to the borrowing participants by the Plan's record-keeper.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

(3) SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, net appreciation/depreciation in fair value of investments, dividends and interest, and interest income on notes receivable for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company, LLC (custodian of the plan).

As of December 31, 2025 and 2024, the Plan's assets certified by the custodian were held as follows:

Custodian	Description of Investment/Asset	2025 Amount	2024 Amount
John Hancock Trust Company, LLC	Mutual funds	$ 234,958,853	$ 191,680,690
John Hancock Trust Company, LLC	Money market fund	94,029	423
John Hancock Trust Company, LLC	Common/collective trust	2,959,655	2,850,244
John Hancock Trust Company, LLC	Participant notes receivable	1,924,581	1,607,129
Total		$ 239,937,118	$ 196,138,486

Investment income and interest income on notes receivable from participants certified by the custodian for the year ended December 31, 2025 were $35,162,461 and $141,368, respectively.

(4) FAIR VALUE MEASUREMENTS

Accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at quoted market prices as of year-end.

Common/collective trusts: Valued at the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate the fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value as of December 31, 2025 and 2024:

Total investments at fair value	$ 235,052,882	$ -	$ -	$ 238,012,537

December 31, 2024	Fair Value Measurement Using (Level 1)	(Level 2)	(Level 3)	Total

Total investments at fair value	$ 191,681,113	$ -	$ -	$ 194,531,357

(4) CONTINUED

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts represented in this table are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) TRANSFERS FROM OTHER PLAN

All of the assets of the Bone & Joint Specialists of Winchester, P.C. 401(k) Profit Sharing Plan were transferred to the Plan in 2025. The plan sponsor of this retirement plan became a division of the Company in 2024.

(6) STABLE VALUE FUND

The Metlife Stable Value Solutions Fund ("MSVSF") is a collective investment trust whose objective is to provide safety and preservation of principal and accumulated interest for participant-initiated transactions. The interest credited to balances in this fund will reflect both current market conditions and performance of the underlying investments in this fund. This fund invests entirely in the MetLife Group Annuity Contract 39410 which consists of separately managed investment portfolios directed by Great Gray Trust Company. The average yield on investment contracts was 2.40% for 2025. The weighted average-crediting rate on investment contracts was 2.40% at December 31, 2025.

Market value events may limit the ability of the MSVSF to transact at contract value with the issuer. Such events include, but are not limited to: plan termination, mergers, termination of the fund, and sales or closing of the Company's operations. The Plan administrator does not believe any events which would limit unit holders to transact at contract value are probable of occurring.

(7) RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company, LLC ("John Hancock") serves as the custodian of the Plan. John Hancock and its affiliates also provide administrative and other services to the Plan. During 2025, the Plan paid $224,975 to John Hancock for administrative and other services. Because John Hancock is a party-in-interest to the Plan, these transactions qualify as party-in-interest transactions. The Plan believes the transactions were exempt from the prohibited transactions provisions of ERISA.

(8) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

(9) TAX STATUS

The Internal Revenue Service has determined and informed MandMarblestone, as the designer of the prototype plan the Company has adopted, in a letter dated June 30, 2020 that the Plan and related trust under which it operates are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to examination by income taxing authorities generally for three years after each tax period.

(10) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(11) SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 12, 2026, the date on which the financial statements were available to be issued.
