To those charged with Plan Governance
c/o Mr. Kurt Niederloh
Longevity Holdings, Inc. 401(k) PS Plan
333 South 7th Street, Suite 2400
Minneapolis, MN 55402

Communication with Those Charged with Governance

We have conducted an Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) audit of the financial statements of Longevity Holdings, Inc. 401(k) PS Plan ("the Plan"), as of and for the year ended December 31, 2025 and have issued our report thereon dated October 9, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 19, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects in accordance with U.S. GAAP. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our ERISA Section 103(a)(3)(C) audit and except that we will not include a consideration of internal control relating to the information prepared and certified by the bank or similar institution or insurance carrier, we considered the system of internal control of the Plan. Such consideration was solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We are required to communicate an overview of the planned scope and timing of the audit. We previously communicated our planned scope and timing to you in the engagement letter dated January 19, 2026.

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

Generally accepted auditing standards require independence for all audits. The auditors should communicate with those charged with governance circumstances or relationships (for example, financial interests, business or family relationships, or non-audit services provided or expected to be provided) that, in the auditors' professional judgment, may reasonably be thought to bear on independence, and that the auditors gave significant consideration to in reaching the conclusion that independence had not been impaired.

We assisted management with the preparation of the financial statements of the Plan and the Plan's sponsor. We also assisted in the preparation of the Plan sponsor's tax provision for financial statement purposes and prepared the Plan sponsor's tax returns. Management has made all management decisions and performed all management functions, designated an individual with suitable skills, knowledge, and experience to oversee the services, evaluated the adequacy and results of the services performed, evaluated and accepted responsibility for the results of the services performed, and established and maintained internal controls, including monitoring activities.

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

Materiality in the Context of an Audit

The concept of materiality in planning and executing the audit included the consideration that:

- Misstatements, including omissions, are considered to be material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.
- Judgments about materiality are made in light of surrounding circumstances and are affected by the size or nature of a misstatement, or a combination of both.
- Judgments about materiality involve both qualitative and quantitative considerations.
- Judgments about matters that are material to users of the financial statements are based on a consideration of the common financial information needs of users as a group. The possible effect of misstatements on specific individual users, whose needs may vary widely, is not considered.

The auditor's determination of materiality is a matter of professional judgment and is affected by the auditor's perception of the financial information needs of users of the financial statements.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in the footnotes to the financial statements.

- There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2025.

- We noted no accounting policies in controversial areas or areas for which there is a lack of authoritative guidance or consensus, or diversity in practice.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based upon management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of the Plan's investments is based on the fair value hierarchy described in Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820 and disclosed in Note D to the financial statements. We evaluated the key factors and assumptions used to develop the fair value measurements in determining that they are reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent, and clear.

Uncorrected and Corrected Misstatements

No audit adjustments were identified in connection with our audit of the financial statements.

Representations Requested from Management

We have requested certain written representations from management that are included in the management representation letter attached.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. However, these discussions occurred in the normal course of our professional relationship and none of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Reportable Findings

We are required to communicate, on a timely basis, reportable findings from the audit procedures performed relating to the Plan provisions. Reportable findings are matters that are one or more of the following:

- an identified instance of noncompliance or suspected noncompliance with laws or regulations;
- a finding arising from the audit that is, in the auditors' professional judgement, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process;
- an indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditors' professional judgment, have sufficient importance to merit management's attention.

Any reportable findings identified as a result of our audit procedures, are communicated in the relevant sections of this letter.

Form 5500 Procedures

Our responsibility as auditors is to obtain and read the substantially complete Form 5500 prior to dating the auditors' report in order to identify material inconsistencies, if any, with the Plan's financial statements. Nothing came to our attention that caused us to believe that such information in the substantially complete Form 5500, or its manner of presentation, is materially inconsistent with information, or manner of its presentation, appearing in the Plan's financial statements.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Communication of Internal Control Related Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements (whether caused by error or fraud) on a timely basis.

Material Weaknesses

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible*. The chance of the future event or events occurring is more than remote but less than likely.
- *Probable*. The future event or events are likely to occur.

We did not identify any deficiencies in internal control that we consider to be material weaknesses.

Significant Deficiencies

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Other Deficiencies

During our audit, we also became aware of the following deficiencies in internal control, other than significant deficiencies or material weaknesses, and other matters that are opportunities for strengthening internal controls and operating efficiency.

- **Review of SOC 1 Reports for Service Organizations**

  During our audit, we identified that the SOC 1 Report for Voya Retirement Insurance and Annuity Company and Voya Institutional Plan Services, LLC containing a qualified opinion was not reviewed by management. Since a significant amount of the processing of Plan transactions is performed by service organizations, it is imperative that Plan management review the procedures at these service organizations on a consistent basis and document such review in detail as part of due diligence in operating the Plan.

We recommend documenting that the description of the controls listed within the SOC 1 report covers all significant transactions, processes or computer applications that affect the Plan's financial statements. In addition, if the SOC 1 report identifies noncompliance of the service organization's controls, consideration should be made as to the effects of the findings on the Plan's operations. In the instance of noncompliance, complementary controls for the Plan should be documented and enhanced as necessary. Listing the exceptions and the response of the service organizations' management alone is not sufficient. Plan management should document its own conclusions.

The plan sponsor should also document user controls in detail. The SOC 1 reports identify controls for which Plan personnel are responsible and these are typically referred to as "Client Control Considerations." Client controls are complementary to the controls of the service organization and are necessary for the service organizations' controls to be achieved.

- **Late Remittance of Participant Termination Payout**

During our audit, we noted that the Company failed to timely remit to the Plan certain deferrals on a special pay period ran to payout accrued payroll for terminated participants. Failure to remit participant deferrals to the Plan in a timely manner results in prohibited transactions which must be separately reported to the DOL and may result in lost earnings for the Plan and penalties to the Plan Sponsor. We recommend that management conduct a thorough review of all remittances, including off cycle payroll runs to ensure payments are made in a timely manner and implement corrective actions promptly upon identification of any discrepancies.

- **Fringe Benefit Deferrals**

During our audit, we noted that gift cards were not configured as eligible compensation when the Company transitioned to a new payroll provider. As a result, certain participant deferrals and related employer matching contributions were not made. Improperly configuring eligible compensation in the payroll system may cause required Plan contributions to be omitted. We recommend that management establish a control to review the treatment of eligible compensation whenever payroll codes are added or removed, and at least periodically, to confirm alignment with the Plan document's definition of eligible compensation.

- **Loan Overpayments**

During our audit, we identified several pay periods in which loan repayments continued to be withheld from participants' wages after the related loans had been fully repaid. Many of these overpayments resulted from participants making payments outside the payroll process. We recommend that management implement a control to verify employees' outstanding loan balances before transmitting each payroll.

Minneapolis, MN 55405

This representation letter is provided in connection with your audits of the financial statements of Longevity Holdings, Inc. 401(k) PS Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended, December 31, 2025 and the related notes to the financial statements.

We have elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter the following representations made to you during your audit:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 19, 2026, for the preparation and the fair presentation of the financial statements and note disclosures in conformity with U.S. GAAP. The notes include all the disclosures required by laws and regulations to which the Plan is subject, including the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA.

2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.

4. We are not aware of any journal entries made by any of our third-party service providers, including the Plan recordkeeper and custodian, adjusting the activity processed on behalf of the Plan and thus impacting the underlying reports used in preparing the Plan's financial statements. For this purpose, journal entries are defined as any adjustment made to originally processed participant level transaction activity**.**

5. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud, and our responsibility to monitor the performance of the Plan's third-party service providers and review related reports.

6. We understand that you have examined or tested accounting records of the Plan and obtained other supporting evidence by methods (and to the extent) you deemed appropriate for the purpose of expressing an opinion on the financial statements, but that such procedures would not necessarily disclose all fraud should any exist.

7. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note D of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

8. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been applied consistently from period to period. The fair value measurements reported or disclosed represent our best estimate of

Docusign Envelope ID: 54D8DB02-9F00-8691-812D-B9733A0095FE

fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*. In addition, our disclosures related to fair value measurements are consistent with the objective outlined in FASB ASC 820. There are no subsequent events that require adjustments to the fair value measurement and disclosures included in the financial statements.

9. All related party relationships and transactions, including transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from, or payable to, related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

10. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

11. The effects of all known actual or possible litigation, claims and assessments have been accounted for and disclosed in accordance with U.S. GAAP.

12. Material concentrations have been properly disclosed in the financial statements in accordance with U.S. GAAP.

13. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

14. We have no intentions to terminate the Plan.

15. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution, have been properly recorded or disclosed in accordance with U.S. GAAP.

16. We have properly reported and disclosed amendments to the Plan instrument, if any.

17. With respect to your assistance in the preparation of the Plan's financial statement's, we have performed the following:

    a. Made all management decisions and performed all management functions;
    b. Assigned Kurt Niederloh who has suitable knowledge, skill or experience to oversee the services;
    c. Evaluated the adequacy of the services performed;
    d. Evaluated and accepted responsibility for the result of the service performed; and
    e. Established and maintained controls, including a process to monitor the system of internal control.

18. Employer contribution receivable recorded in the financial statements represents valid claims against the employer for employer contributions due for a period on or before the statement of net assets available for benefits date and has been appropriately reduced to its estimated net realizable value,

Docusign Envelope ID: 54D8DB02-9F00-8691-812D-B9733A0095FE

when necessary.

ERISA Required Supplemental Schedules

1. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

2. We believe the ERISA-required supplemental schedules, including their form and content are presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

Information Provided

1. We have provided you with:

    a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records, and related data (including information from outside of the general and subsidiary ledgers), plan instruments and related documentation, and amendments to such documents entered into during the year, and other matters;

    b. The most current Plan instrument for the audit period, including all Plan amendments;

    c. A draft of the Form 5500 that is substantially complete;

    d. Additional information that you requested from us for the purpose of the audit;

    e. Unrestricted access to persons within the Plan and others from whom you determined it necessary to obtain audit evidence;

    f. Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws;

    g. Completeness and availability of all minutes of the meetings of the retirement Committee through the date of this letter, or summaries of actions of recent meetings for which minutes have not yet been prepared.

2. All transactions have been recorded in the accounting records and are reflected in the financial statements.

Docusign Envelope ID: 54D8DB02-9F00-8691-812D-B9733A0095FE

3. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

4. The Plan or trust has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

5. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

6. We have no knowledge of any allegations of any fraud or suspected fraud affecting the Plan involving:

   a. management;

   b. employees who have significant roles in the Plan's internal control; or

   c. others where the fraud could have a material effect on the financial statements.

7. We have no knowledge of allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

8. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

9. We are not aware of any pending or threatened litigation, claims and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims or assessments.

10. We are not aware of any communication, whether written or oral, with regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, and the operation of the Plan.

11. We are not aware of any other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us that must be disclosed.

12. We have disclosed to you the identity of the Plan’s related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions, including side agreements of which we are aware.

13. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

Docusign Envelope ID: 54D8DB02-9F00-8691-812D-B9733A0095FE

14. All required filings, and required amendments to and filings of Plan documents with the appropriate agencies have been made.

15. We have no securities lending in place.

16. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified Plan (and trust). The Plan sponsor has operated the Plan and trust or insurance contract in a manner that did not jeopardize this tax status. Top heavy testing has been performed. Required nondiscrimination testing related to Code Section 401(m) arrangements, as applicable, have been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

17. The Plan has complied with the fidelity bonding requirements of ERISA.

18. There are no:

    a. nonexempt party in interest transactions (as defined in ERISA Section 3(14) and Sections 406-408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.

    b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    c. Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.

    d. Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that we are aware of that are required to be accrued or disclosed in the financial statements in accordance with ASC Topic 450, Contingencies, and we have not consulted a lawyer concerning such litigation, claims, or assessments.

    e. Restrictions or redemption fees relating to investments other than what has been disclosed in the financial statements.

19. Regarding fees paid from Plan assets:

    a. We have reviewed the nature of expenses paid from Plan assets and determined such expenses are allowable and reasonable as defined in ERISA 404(a)(1)(A), and per the Plan's provisions.

    b. We have determined compliance with 408(b)(2) fee regulations based on receipt and adequacy of required disclosures.

    c. We are not aware of any non-exempt prohibited transactions resulting from Plan expenses.

Docusign Envelope ID: 54D8DB02-9F00-8691-812D-B9733A0095FE

20. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement or the Rules and Regulations of the DOL.

21. The Plan has appropriately reconciled its general ledger accounts to their related supporting information. All related reconciling items considered to be material were identified and included on the reconciliations and were appropriately adjusted in the financial statements.

22. The Plan had no purchase commitments for investments at prices in excess of market, no agreements to repurchase items previously sold; and no important sales commitments at prices expected to result in a loss on fulfillment.

23. Kurt Niederloh, Chief Financial Officer, is those charged with Plan governance.

24. We have responded fully and truthfully to all inquiries made to us by you during the audit.

25. There have been no cybersecurity breaches or other cyber events whose effects should be considered for disclosure in the financial statements, as a basis for recording a loss contingency, or otherwise considered when preparing the financial statements.

26. We are in the process of calculating lost earnings related to late contributions identified for the year ended December 31, 2025 and will ensure appropriate corrective actions are taken.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Longevity Holdings, Inc. 401(k) PS Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Longevity Holdings, Inc. 401(k) PS Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC and its subsidiary entities provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and schedule of delinquent participant contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Longevity Holdings, Inc. 401(k) PS Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined-contribution safe harbor plan established by Longevity Holdings, Inc. (the “Company”). The Plan covers substantially all employees of the Company, except for residents of Puerto Rico, employees covered under a collective bargaining agreement and any employee who is a nonresident alien. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the employee meeting the minimum age requirement of 21. To be eligible for profit sharing contributions, employees generally become participants on the first entry date after completing one year of employment, a minimum of 1,000 hours of service, and must be employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Voya Institutional Trust Company is the trustee/custodian. Voya Institutional Plan Services, LLC is the recordkeeper.

[2] Contributions:

Participants may contribute up to 92% of their eligible pre-tax compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant pre-tax contributions exceed statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans.

Effective April 1, 2024 the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation to a default investment fund until changed by the participant.

The Company makes a safe harbor match equal to 100% of the participant’s contributions up to 3% plus 50% of employee contributions from 3% to 5% of eligible compensation. Additional discretionary profit-sharing contributions may be made at the option of the Company. There were no profit sharing contributions for the year ended December 31, 2025. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

[3] Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[4] Vesting:

Participants are always fully vested in all contributions and earnings thereon.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. A participant may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the vested account balance. Loan terms range up to five years with longer term loans available for the purchase of a primary residence. Loan terms for a primary residence may be up to ten years unless a loan enters the Plan from another merged-in plan, in which case the term may be longer. Each loan is secured by the balance in the participant's account and bears interest at prime plus 1%. The interest rates on outstanding loan balances range from 4.25% to 9.50% as of both December 31, 2025 and 2024. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

[6] Payment of benefits:

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, substantially equal installments, or periodic withdrawals. Vested benefits of $7,000 or less are distributed in a single lump sum as soon as practicable after the event occurs that entitles a participant to a distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The accompanying financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[3] Payment of benefits:

Benefits are recorded when paid.

[4] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[5] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[6] Subsequent events:

The Plan has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Voya Institutional Trust Company has certified to the completeness and accuracy of all investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 or 2024.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Stable value collective trust fund – A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the Net Asset Value ("NAV") of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Pooled separate accounts – Valued at NAV, as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market. The pooled separate accounts are comprised of a wide variety of underlying investments, mainly mutual funds.

Common collective trusts – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025, and 2024:

	Investment Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts measured at NAV (A)				**$ 20,498,064**
Common/collective trusts measured at NAV (A)				**9,913,022**
Investments at fair value	**$ -**	**$ -**	**$ -**	**$ 30,411,086**

	Investment Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts measured at NAV (A)				$ 16,864,792
Common/collective trusts measured at NAV (A)				10,726,773
Investments at fair value	$ -	$ -	$ -	$ 27,591,565

(A) Certain investments that are measured at fair value using NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments in Entities that Use Net Asset Value

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

a) This category includes investments in public company stocks with small to mid-sized capitalizations, generally less than $10 billion, and seeks higher growth. Investments are a diversified portfolio of investments managed by a professional asset manager.
b) This category includes investments in the largest public company stocks with capitalizations generally in excess of $10 billion and seeks steady growth. Investments are a diversified portfolio of investments managed by a professional asset manager.
c) This category includes investments in companies throughout the world, including those in the United States. Global/international funds seek to identify the best investments from a global universe of securities. Investments are a diversified portfolio of investments managed by a professional asset manager.
d) This category includes investments in bonds (government, municipal, corporate, convertible) and other debt instruments, such as mortgage-backed securities. Investments are a diversified portfolio of investments managed by a professional asset manager.
e) This category includes investments in both stocks and bonds with a mixture of growth and income to provide a mixture of safety, income, and modest capital appreciation. Investments are managed by a professional asset manager.
f) These investments are structured to maximize the returns by a specific date. Generally, the funds are designed to build gains in the early years by focusing on riskier growth stocks, then they aim to retain those gains by weighting towards safer, more conservative choices as the target date approaches. Investments in target funds are managed by a professional asset manager.
g) These investments are funds of fully benefit-responsive investment contracts that represent insured investments to protect the holder against a decline in yield or loss of capital. Investments in stable value funds are managed by a professional asset manager.

NOTE E - TAX STATUS

The Company adopted a non-standardized defined contribution pre-approved plan sponsored by Voya Retirement Insurance and Annuity Company. On June 30, 2020, the Internal Revenue Service stated in an opinion letter that the non-standardized plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Voya Institutional Trust Company, the trustee/custodian, and therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to the service provider were $11,525 for the year ended December 31, 2025. As a service provider to the Plan, these transactions qualify as party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2025, may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I – NONEXEMPT PARTY-IN-INTEREST TRANSACTION

During the year ended December 31, 2024, the Company failed to timely remit to the Plan certain participant loan repayments totaling $769. The Company remitted $769 to Voya Institutional Trust Company as of December 31, 2024. The Company paid the lost earnings of approximately $2 to the affected participants in 2026.
