## Independent Auditor's Report

The Plan Administrator
KMW Group, Inc.
Profit-Sharing and Retirement Savings Plan
Grand Rapids, Michigan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the KMW Group, Inc. Profit Sharing and Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## 1. Plan Description

The following description of the KMW Group, Inc. Profit-Sharing and Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

***General***

The Plan is a multiple-employer, defined contribution profit-sharing and 401(k) plan covering full-time employees of KMW Group, Inc. (the Company) and its subsidiaries, Skytron, LLC and Great Lakes Marine, LLC. Matrix Trust Company (Matrix) served as trustee of the Plan until April 1, 2024. As of April 1, 2024, Empower Trust Company, LLC (Empower) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

During 2024, all assets maintained by the trustee, Matrix were transferred to the trustee, Empower.

***Eligibility***

Full-time and certain long-term, part-time employees become eligible to participate in the Plan and make deferral contributions after 90 days of employment, with monthly entry dates. Participants can elect to make all or a portion of their deferral as a Roth (after-tax) contribution. Eligible employees that have eligible compensation during the Plan Year are eligible to receive the company discretionary contributions, even if they are no longer employed by the company at time of contribution, died, retired, or became disabled.

***Contributions***

Eligible employees are automatically enrolled to defer 3% of eligible compensation, unless a different percentage is elected. The deferral percentage is automatically increased by 1% annually, up to a maximum of 12%. The Plan provides for elective deferral contributions by employees in an amount up to the maximum amount allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides a safe harbor nonelective contribution to each eligible participant equal to 3% of eligible compensation. For 2025 and 2024, the Company made safe harbor nonelective contributions of approximately $548,000 and $509,000, respectively.

In addition to the Company's safe harbor nonelective contributions, the Company may provide a discretionary matching contribution, with the amount of the contribution to be determined each year. For 2025 and 2024, the Company made discretionary matching contributions equal to 20% of the first 5% of employee contributions. For 2025 and 2024, the Company made discretionary matching contributions of approximately $139,000 and $132,000, respectively. The Company may also make a discretionary profit-sharing contribution. In 2025 and 2024, the Company declared profit-sharing contributions of approximately $1,278,000 and $1,188,000, respectively.

### *Participant Accounts*

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, forfeitures, and Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

### *Vesting*

Participants are immediately vested in employee salary deferrals, rollover contributions, and the Company's safe harbor nonelective and matching contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts, plus actual earnings thereon, are subject to the following vesting schedule below:

| Vesting Service (in Years) | Vesting Percentage (%) |
|---|---|
| Less than 1 | - |
| 1 but less than 2 | 5 |
| 2 but less than 3 | 20 |
| 3 but less than 4 | 40 |
| 4 but less than 5 | 60 |
| 5 but less than 6 | 80 |
| 6 years or more | 100 |

### *Notes Receivable from Participants*

Participants are eligible to borrow up to one-half of their vested account balances not to exceed $50,000. The interest rate on loans outstanding at December 31, 2025 range from 4.25% to 9.50% (Prime plus 1%). Loans are secured by the participant's vested account balance. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the loan is used for the purchase of a principal residence. Participant loans are limited to a maximum of three loans per participant.

### *Payment of Benefits*

Upon termination of service, death, disability, retirement, or age 59½, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or transfer the amount equal to the value of the participant's vested interest to an eligible retirement plan for the benefit of the participant.

### *Forfeitures*

Forfeitures resulting from the non-vested portion of accounts of participants who terminate prior to being fully vested are allocated to remaining participants as additional employer contributions. Forfeitures applied in 2025 and 2024 were approximately $66,000 and $79,000, respectively. The balance of forfeited non-vested accounts as of December 31, 2025 and 2024 was approximately $199,000 and $66,000, respectively.

### *Administrative Expenses*

The Company provides certain administrative services, which have not been charged to the Plan. Fees incurred as a result of participant-directed transactions (e.g., participant loans origination and distribution fees) are charged directly to the participant's account. Certain administrative expenses of the Plan are allocated pro-rata to participant accounts.

## 2. Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements have been prepared under the accrual method of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Contributions Receivable*

Employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/profit-sharing contributions are recorded in the relevant period in accordance with the terms in the Plan Document.

***Notes Receivable from Participants***

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balances plus unpaid interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Document.

***Payment of Benefits***

Benefits are recorded when paid.

***Subsequent Events***

Subsequent events were evaluated through October 7, 2026, the date the financial statements were available to be issued.

## 3. Fair Value Measurements

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described as follows:

*Level 1* - This level consists of inputs to the valuation methodology that are unadjusted quoted prices for identical assets in active markets.

*Level 2* - This level consists of inputs to the valuation methodology that include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

*Level 3* - This level consists of inputs to the valuation methodology that are both significant to the fair value measurement and unobservable.

There have been no changes in the methodologies used at December 31, 2025 or 2024. The following valuation methodologies were used to measure the fair value of the Plan's investments:

*Common/Collective Trusts (CCT)* - The fair value of the Plan's interest in the CCTs is based on information reported by the issuers, at year-end. The fair value determined is based on the net asset value (NAV). The NAV is based on the value of the underlying assets owned by the CCTs, minus its liabilities, then divided by the number of shares outstanding within the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There is no restriction in place with respect to the daily redemption of the CCTs and there are no unfunded commitments.

*Mutual Funds* - These assets are valued at quoted market prices in an exchange and active market, which represent the NAV of shares held by the Plan.

*Life Insurance Policies* - These assets are valued based on the cash surrender value of the policies.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the Plan's investments by level within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2, or 3.

***December 31, 2025***

## 4. Information Certified by the Plan's Trustees

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by qualified institutions, Matrix Trust Company for the period from January 1, 2024 to March 31, 2024 and Empower Trust Company, LLC (Empower) for the period from April 1, 2024 to December 31, 2025.

## 5. Related Party and Party-in-Interest Transactions

In 2025 and 2024, fees paid by the Plan to parties-in-interest totaled $34,168 and $76,469, respectively. Empower provides recordkeeping services to the plan; therefore, these transactions

qualify as party-in-interest transactions. Notes receivable also qualify as party-in-interest transactions.

## 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions, plus actual earnings thereon.

## 7. Income Tax Status

The Plan has adopted a pre-approved profit-sharing plan document with Cash or Deferred Arrangement (CODA). The Internal Revenue Service (IRS) has determined and informed CCH Incorporated, DBA ftwilliam.com, in an opinion letter dated June 30, 2020, that the profit-sharing plan is qualified, and is tax-exempt, in accordance with applicable sections of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has since been amended; however, the Plan Administrator is not aware of any course of action or series of events that might adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
