Doodle Bugs Holding Co. Inc.
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditors' Report (Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Doodle Bugs Holding Company Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditors' Report (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
For the Years Ended December 31, 2025 and 2024

1. PLAN DESCRIPTION

The following is a brief description of the Doodle Bugs Holding Co. Inc. 401(k) Profit Sharing Plan & Trust (the Plan) provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan, established on May 1, 2000, as permitted under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Doodle Bugs! Holding Company, Inc. (the Company). Full-time employees who are 21 years of age and have completed one year of service, as defined, are eligible to participate in the Plan. At December 31, 2025, the Plan's assets were maintained in an investment trust held by John Hancock Trust Company, LLC (John Hancock). Prior to Apri1 1, 2025, the Plan's assets were maintained in an investment trust held by Mid Atlantic Trust Company (Mid Atlantic). The plan was amended on March 28, 2025.

Contributions – Participants may elect to make tax deferred contributions up to 92% of their annual compensation, subject to limitations imposed by the IRC. Participants who attain the age of 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. The Company provides a 50% matching contribution up to 4% of a participant's compensation. Additional profit-sharing amounts may also be contributed by the Company. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts – Each participant's account is credited with his or her contributions, the Company's contributions, and actual earnings thereon. Each participant's account is reduced by the actual amount of benefits paid on his or her behalf, investment losses and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their contributions and earnings thereon at all times. Vesting in the Company's contributions is based on years of continuous service as follows:

Years of Service	Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% per annum. Principal and interest are paid ratably through payroll deductions.

1. PLAN DESCRIPTION (*Continued*)

Forfeitures – Forfeited non-vested accounts will be used to pay Plan administrative expenses or as additional Company contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $13,754 and $4,022, respectively. During the year ended December 31, 2024, the Plan used $6,992 of these funds to reduce Company contributions and pay administrative expenses.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to be paid the vested interest in his or her account in one of the following forms of payment: (1) in a lump-sum, (2) in a partial payment, or (3) in annual installments over a period not to exceed the participant's assumed life expectancy (or the joint and last survivor life expectancy of the participant and his or her designated beneficiary). If the value of a terminated participant's vested account is less than $5,000, such amount will be involuntarily paid in a lumpsum.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants shall be entitled to the amount of their accounts at the date of such termination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes both realized and unrealized gains and losses incurred during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis at rates ranging from 5.75% to 9.5% per annum. Fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded at December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Contributions – Contributions from Plan participants and the Company contributions are recorded in the year in which the participants compensation is earned.

Benefit Payments – Benefits are recorded when paid.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability in the financial statements..

Administrative Expenses – Certain costs of administering the Plan are paid by the Company and are excluded from the accompanying financial statements. Fees related to the administration of notes receivable are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events – The Plan has evaluated events and transactions that occurred between January 1, 2026 and October 8, 2026, which is the date these financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- *Level 1* – Inputs to the valuation methodology that consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- *Level 2* – Inputs to the valuation methodology that include: (1) quoted prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- *Level 3* – Inputs to the valuation methodology that are unobservable and are significant to the overall fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024.

3. FAIR VALUE MEASUREMENTS (*Continued*)

The following is a description of the valuation methodologies used for Plan assets measured at fair value.

- *Common/collective trusts* – Valued at the net asset value (NAV) of units of the fund. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The common/collective trusts are direct filing entities for the purposes of Form 5500 filings. There are no restrictions on redemption or unfunded commitments related to these investments. The redemption frequency and notice period are daily.

- *Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- *Money market fund* – Valued based on the observable underlying money market balances.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	$ 13,754	$ -	$ -	$ 13,754
Common/collective trusts measured at NAV as a practical expedient [(a)]				3,416,170
Total				$ 3,429,924

	2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 3,079,270	$ -	$ -	$ 3,079,270
Money market funds	56,740	-	-	56,740
Total	$ 3,136,010	$ -	$ -	$ 3,136,010

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. STABLE VALUE GUARANTEED INCOME FUND (GENERAL ACCOUNT)

The Plan has a traditional fully benefit-responsive investment contract provided through a group annuity contract with John Hancock. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The crediting interest rates are based on an agreed-upon formula with the contract issuer, and are guaranteed for an agreed upon period, usually one year.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

5. SUMMARY OF CERTIFIED UNAUDITED INFORMATION

The following information was provided by John Hancock and Mid Atlantic and was certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certification and has not been audited by independent auditors.

	2025	2024

6. PARTY-IN-INTEREST TRANSACTIONS

John Hancock and Mid Atlantic were the Plan's trustees for the years ended December 31, 2025 and 2024. Additionally, the Plan utilizes a number of service providers which also qualify as parties-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. During the years ended December 31, 2025 and 2024, related expenses paid by the Plan amounted to $7,644 and $24,187, respectively.

7. INCOME TAX STATUS

The IRS issued a determination letter on August 31, 2020, which stated that the Plan and its related trust, as then designed, were in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in multiple investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investments will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
