Independent Auditor's Report

To the Trustees
CoServ Electric Group Health Benefit Plan
Corinth, Texas

Opinion

We have audited the accompanying financial statements of CoServ Electric Group Health Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of CoServ Electric Group Health Benefit Plan as of December 31, 2025 and 2024, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CoServ Electric Group Health Benefit Plan (the Plan) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

BOLINGER, SEGARS, GILBERT & MOSS, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes and reportable transactions, together referred to as “supplemental information,” for the year ended December 31, 2025, are shown on pages 12 and 13 and are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

COSERV ELECTRIC GROUP HEALTH BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the CoServ Electric Group Health Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan provides health benefits including major medical and dental coverage, as well as prescription drug services covering all eligible employees of Denton County Electric Cooperative, Inc., d/b/a CoServ Electric (the Sponsor), and CoServ Gas, Ltd. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits – The Plan provides health benefits described above to full-time employees and all part-time employees working at least 30 hours a week and to their covered dependents. The Plan also covers certain members of the Board of Directors and their covered dependents. Retired employees and Directors are entitled to similar health benefits provided they are at least 62 years of age and have completed 10 years of service with the Sponsor. Retirees age 65 and over receive health benefits under a fully insured policy with a separate insurance carrier. Directors elected or appointed on or after November 16, 2017 are not entitled to retiree health benefits. Employees hired after April 1, 2020 are not entitled to retiree health benefits.

Contributions – The Sponsor has established specific amounts which will be contributed on behalf of the covered employee. Any amounts required to be contributed to the Plan in excess of these specific amounts as determined by the Plan's actuaries are the responsibility of the covered employee.

The Plan has contracted with an insurance carrier to provide specific and aggregate stop loss coverage. This coverage has been considered in calculating the actuarial determined premiums.

Administrative Expenses – A portion of administrative expenses are absorbed by the Sponsor. These costs are a portion of the payroll costs of Human Resources and Accounting personnel.

Tax Status – The Plan has been granted tax exempt status under the Internal Revenue Code Section 501(c)(9). The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Sponsor believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Tax exempt organizations are required to pay tax on any income that is considered to be unrelated business. This includes interest income. Unrelated business income tax on interest income was $54,106 and $65,712 for the years ended December 31, 2025 and 2024, respectively.

The Plan has adopted the “uncertain tax positions” provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not that its tax positions will be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authorities. The Plan is no longer subject to examinations by federal taxing authorities for years before 2022. There were no penalties or interest recognized during the years ended December 31, 2025 and 2024.

Termination – In the event of the termination of the Plan, the Sponsor shall determine the value of any assets of the Plan remaining after providing for a reserve to cover any expenses incident to such termination and claims in progress. Distribution of such net amount shall be made in accordance with the Plan agreement.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

Credit Risks – Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. Although the financial institutions, in which the Plan has deposits, are insured by agencies of the federal government, deposits at times exceed insured amounts.

Post-Retirement Benefits – The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31, 2025. Post-retirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. Prior to an active employee's full eligibility date, the post-retirement benefit obligation is the portion of the expected post-retirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual claims costs to be incurred per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes, a 7.50% annual rate of increase in the per capita cost of covered pre-medicare health care benefits is assumed for 2026, declining to an ultimate level of 4.60% in 2050 and remaining at that level thereafter. The weighted average discount rate used was 5.50% and 5.50% in 2025 and 2024, respectively. Mortality improvements was based on a generational projection using the MP-2021 rates.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the post-retirement benefit obligation.

Other Plan Benefits – The Plan's obligations at year end for health claims incurred by active participants but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statement of the Plan's Benefit Obligations at present value. Health claims incurred by retired participants but not reported at year end are included in the post-retirement benefit obligation.

3. Benefit Obligations

The Plan's deficiency of net assets under benefit obligations at December 31, 2025 relates primarily to the post-retirement benefit obligation, the funding of which is not covered by the current contribution rate. It is expected that the deficiency will be funded through future contributions.

4. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2025 and 2024 financial statements to the Schedule H of Form 5500:

	December 31, 2025	December 31, 2024
