Independent Auditor's Report

To the Board of Trustees and Participants of
RWJBarnabas Health 403(b) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of RWJBarnabas Health 403(b) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RWJBarnabas Health 403(b) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of RWJBarnabas Health 403(b) Savings Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

RWJBarnabas Health 403(b) Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 1 to the financial statements, the RWJBarnabas Health 403(b) Savings Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such contracts and accounts also have been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these contracts and accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RWJBarnabas Health 403(b) Savings Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of RWJBarnabas Health 403(b) Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of RWJBarnabas Health 403(b) Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

1. Description of the Plan

The following description of the RWJBarnabas Health 403(b) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1999 and is a defined contribution plan covering substantially all the employees of the former Barnabas Health, Inc. and its affiliates ("Barnabas Health"). Barnabas Health and Robert Wood Johnson Health Care Corp. and its affiliates formed RWJ Barnabas Health, Inc. (the "Corporation") pursuant to a merger agreement. The Corporation is a not-for-profit, tax-exempt corporation. The Plan was established to encourage savings by employees and help provide for their retirement and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated on January 1, 2009 to incorporate all changes required by law and to reflect amendments adopted or restatements since inception.

Effective January 1, 2018, the Plan was amended to change the name to the RWJBarnabas Health 403(b) Savings Plan. As of January 1, 2018, all assets of the former Barnabas Health 403(b) Savings Plan ("BHSP"), Robert Wood Johnson University Hospital at Hamilton ("RWJHH") Retirement Plan ("RWJHH RP"), Robert Wood Johnson University Hospital Rahway ("RWJRH") 403(b) Plan ("RWJRH 403b"), Robert Wood Johnson University Hospital ("RWJUH") Retirement and Sheltered Savings Plan ("RWJUH SP"), Jersey City Medical Center ("JCMC") Savings Plan ("JCMC SP"), Greenville Hospital Savings Plan ("GHSP"), and the Retirement Savings Plan for Employees of Children's Specialized Hospital ("CSHRP") (collectively the "Merged Plans") were transferred to the Plan and assets equal to the aggregate account balances, of each participant, beneficiary or alternate payee of the Merged Plans, were credited to corresponding accounts established for each such Plan participant under the Plan. RWJBH Corporate Services, Inc., an affiliate of the Corporation, is the sponsor (the "Plan Sponsor") and Plan Administrator.

Effective December 31, 2022, the Plan merged with the Trinitas Regional Medical Center ("TRMC") Tax Sheltered Annuity Plan (the "TRMC Plan"). The Plan covers former participants of the TRMC plan and new employees of TRMC.

The Plan consists of the former participants of the Merged Plans and new employees of Barnabas Health, RWJHH, RWJRH, RWJUH, JCMC, Children's Specialized Hospital ("CSH") and TRMC. Some of the Plan attributes were changed to mirror that of BHSP.

Effective July 1, 2025, the Plan was amended and restated to adjust eligibility provisions and matching provisions. Under the amended eligibility provisions most of the participants of the Plan became eligible to participate in the RWJBarnabas Health 401(k) Savings Plan and eligibility to participate in the Plan was ended. Members of the United Steelworkers International Union ("USW") at Robert Wood Johnson University Hospital's New Brunswick campus, members of the District 1199J National Union of Hospital and Health Care Employees ("1199J") employed at Cooperman Barnabas Medical Center, Newark Beth Israel Medical Center, and Clara Maass Medical Center, and the International Union of Operating Engineers Union Local 68 ("Local 68") employed at Newark Beth Israel Medical Center will remain in the Plan.

The Investment Committee of the Board of Trustees of the Corporation has delegated the administrative and investment responsibilities to the RWJBarnabas Health Retirement Plans Management Committee (the "Committee"). The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performances and reports to the Board of Trustees. The custodians of the Plan are Fidelity Management Trust Company, Brighthouse Life Insurance Company ("Brighthouse"), and Empower Annuity Insurance Company of America ("Empower") (collectively the "Custodians").

Eligibility, Contributions and Vesting

The following table summarizes the eligibility, contributions and vesting provisions of each of the Merged Plans for the period January 1, 2025 to June 30, 2025:

*As defined by the Plan document.

Effective July 1, 2025 the USW participants will follow the matching and provisions of RWJUH and the 1199J and Local 68 participants will follow the provisions of Barnabas Health.

As dictated by the Plan, the maximum combined participant and employer contributions to a participant's account for a plan year is limited to the lesser of $70 (or $77.5 with catchup contributions for those over 50 years of age) for 2025 or 100% of the participant's annual compensation. The IRS limited a participant's annual tax deferred contribution to $23.5 (or $31 with catch-up contributions for those over 50 years of age) for 2025.

Effective January 1, 2026, under the SECURE 2.0 ACT, if an employee turns age 50 or older and earned more than $150 in 2025, any catch up contributions must be made on an after-tax or Roth basis.

Forfeited Accounts

Participants who terminate before becoming fully vested forfeit that portion of their account related to any employer contributions to which they are not vested. On December 31, 2025 and 2024, available forfeited nonvested accounts totaled $231 and $411, respectively. These funds may be used to reduce future Plan related administrative expenses or employer contributions. During 2025, $0 and $353 of forfeitures were used to pay expenses and fund employer contributions into the Plan, respectively. During 2025, no forfeitures were reallocated to participant accounts.

Participant Accounts

Each participant's account is credited with (a) the participant's salary deferrals, (b) matching and non-elective contributions, (c) rollovers from other qualified plans, and (d) allocations of investment income (losses) and realized and unrealized appreciation (depreciation) in fair value of investments, and charged with an allocation of administrative expenses that are paid by the Plan, as applicable, or reduced by withdrawals, if any. Each participant directs their contributions and any Plan Sponsor contributions to the investment options offered by the Plan. Allocations are based on participant earnings (losses) or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participants may receive all or a portion of their vested account balance upon reaching 59-1/2 years of age or termination of employment, as a cash lump sum payment, or a series of equal periodic installments payable for a specified number of fixed monthly or annual payments or transfer to an individual retirement account or another employer's qualified plan. Participants can elect to receive all or a portion of amounts attributable to employee deferrals and rollovers because of financial hardship. Death benefits are paid according to the beneficiary designation in effect at the time of death.

Notes Receivable from Participants

Participants may borrow funds from the Plan. Loans may be taken for any reason, and repayment is made through periodic payroll deductions. The minimum amount of a loan is $1, and the maximum is the lesser of 50% of the value of the participant's vested interest in the participant's account in the Plan or $50. The interest rate on the loan is prime plus 1%, fixed for the life of the loan, which ranged from 4.25% to 9.50% as of December 31, 2025. Terms generally range from one to five years unless the loan is for the purchase of a principal residence in which case the terms range between 15 and 25 years.

Custodial Accounts Excluded from Financial Statements

As permitted by the Department of Labor's ("DOL") Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans ("FAB 2009-02"), the Plan Administrator has elected to exclude certain custodial accounts from the Plan's financial statements. These custodial accounts were limited to employee contributions held under a voluntary 403(b) plan arrangement prior to January 1, 2009. Presentation of this information is required by accounting principles generally accepted in the United States of America ("GAAP"). The effects of the departure from GAAP on these financial statements are not determinable as of December 31, 2025 and 2024 and for the year ended December 31, 2025. The Plan Administrator has concluded that the custodial accounts have met the criteria required under FAB 2009-02 and as such, have been excluded from the Plan's financial statements.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Custodians. See Note 6 for a discussion of fair value measurements.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for a discussion of investment contracts and Note 5 for a discussion of the insurance contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year. Certain investment-related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits paid to Plan participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Corporation and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Certain investment funds available within the Plan provide a recordkeeping offset back to the plan sponsor in the form of a revenue credit. Plans utilizing Participant Revenue Credits (PRC) credit the offset directly back to the participants who utilize the funds that generate the credit. Plans designed with the Revenue Credit Program (RCP) receive the entire amount and can utilize the credit balance to offset qualified plan expenses and/or pass the credit balance back to participants using pro-rata or per capita logic.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Recent Accounting Standards

The Plan is not aware of any new accounting standards that were required to be adopted in 2025, or yet to be adopted, that would significantly impact the Plan's 2025 financial statements.

3. Information Certified by the Custodians

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024, and therefore, as permitted, no auditing procedures were performed by the independent auditor with respect to the information certified by the Custodians. The Custodians have certified to the completeness and accuracy of the investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and December 31, 2024, the supplemental Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 and the related investment activity and notes receivable activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

4. Fully Benefit-Responsive Guaranteed Investment Contracts with Empower and Brighthouse

The Plan participates in the Prudential Guaranteed Long Term Fund ("GLTF"), which is considered a guaranteed investment contract ("GIC"). The contract is an insurance company-issued general account-backed group annuity contract. There are no specific securities in the general account that back the investments in this account.

The Plan also participates in a benefit-responsive guaranteed interest account with Brighthouse. The account is backed by Brighthouse's general account which invests primarily in bonds, commercial, agriculture and real estate mortgages, real estate, and corporate equities. Brighthouse declares and guarantees an interest rate for each new contribution or premium. Upon renewal, Brighthouse declares a new interest rate for that contribution or premium and its accumulated earnings.

The Plan also participates in an insurance contract with Brighthouse who maintains the contributions in a general account. The contract is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Prudential GLTF and Brighthouse contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The total contract value of all fully benefit-responsive investment contracts at December 31, 2025 and 2024 is $51,031 and $55,915 respectively.

The contract issuers are contractually obligated to repay the principal and interest at the specified interest rates that are guaranteed to the Plan. The crediting rates are based on a formula established by the contract issuers. The minimum guaranteed rate of interest on Prudential GLTF may not be less than 1% or greater than 3%. The crediting rates for the Prudential GLTF are reviewed on a semi-annual basis for resetting. The minimum guaranteed rate of interest on the Brighthouse Guaranteed Interest Account may not be less than 3%. The crediting rates for the Brighthouse Guaranteed Interest Account are reviewed on a quarterly basis for resetting. The minimum guaranteed rate of interest on the Brighthouse insurance contract may not be less than 3.5%. The crediting rates for the Brighthouse insurance contract are reviewed on an annual basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 403(b) of the Internal Revenue Code ("IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC;
- Premature termination of the contracts;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options;
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- The Plan is no longer qualified under the IRC;
- An uncured violation of the Plan's investment guidelines;
- A breach of material obligation under the contract;
- A material misrepresentation;
- A material amendment to the agreements without the consent of the issuer.

5. Insurance Contract with Empower

The Plan invests in a guaranteed interest account with Empower which is not fully benefit responsive. The Prudential Guaranteed Interest Account ("PGIA") guarantees principal and a contractually specified interest rate to account participants. The account offers the opportunity for higher returns through additional amounts that may be declared on a year-by-year basis by the Empower Board of Trustees.

The account invests in individual bonds, commercial mortgages, real estate, stocks and other assets selected by specialized teams that target different sectors of the marketplace. The portfolio follows specific guidelines with respect to major asset classes, sectors, industries, property types, geographic regions, individual issuers/borrowers, foreign holdings, liquidity, quality and derivatives.

The minimum guaranteed rate of interest on the PGIA may not be less than 3%. The crediting rates for the PGIA are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. The fair value of the non-fully benefit responsive investment amounted to $3,608 and $3,596 at December 31, 2025 and 2024, respectively.

6. Fair Value Measurements

Financial Accounting Standards Codification Topic 820-10, *Fair Value Measurement*, establishes a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- Other investments and insurance contracts are valued indirectly using observable data including interest rates and contract terms.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,595,494	$ -	$ -	$1,595,494

7. Related Party and Party-In-Interest Transactions

Certain of the Plan's investments are managed by the Custodians, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants. These transactions qualify as parties-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Corporation. No such officer or employee receives compensation from the Plan.

8. Income Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan Administrator believes the Plan is operating in accordance with the applicable requirements of Section 403(b) of the IRC and therefore believes the Plan is qualified and the related custodial accounts are tax-exempt. The Plan has received a determination letter from the IRS dated January 30, 2025, which states that the Plan and related trust are designed in accordance with the applicable sections of the IRC.

Management evaluates tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

9. Plan Termination

The Committee has the right to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in any employer contributions.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. The Plan's investment portfolio includes mutual funds, stable value funds, a guaranteed investment contract and an insurance contract. As of December 31, 2025 and 2024, three investments represented 39% and four investments represented 49%, respectively, of the Plan's net assets available for benefits. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

11. Subsequent Events

Management evaluated all events and transactions that occurred after December 31, 2025 and through October 8, 2026, which is the date the financial statements were available to be issued.
