INDEPENDENT AUDITOR'S REPORT

To the Trustees of

the Spicer Jeffries & CO 401(k)
Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the Spicer Jeffries & CO 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) an "ERISA Section 103(a)(3)(C) audit". The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation), and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from American Trust Custody, a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and liquidation Basis of Accounting

As further discussed in Note 2 to the financial statements, the trustees of the Plan approved a plan of liquidation on May 15, 2025, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2025 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. My opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercised professional judgment and maintain professional skepticism throughout the audit.
- Identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Spicer Jeffries & CO 401(k) Profit Sharing Plan and Trust, (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. ***General*** – Spicer Jeffries LLP. (the "Company or Plan Sponsor") established the Plan effective as of January 1, 2011 and amended on June 13 2023. The Plan is a defined contribution plan covering all employees except those that are covered by a collective bargaining agreement, nonresident aliens that do not have U.S. source income and interns. Employees may contribute to the Plan upon commencement of employment and are eligible for employer contributions upon becoming 21 years of age and 500 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. ***Plan Administration*** **-** The Plan is administered by the Plan Sponsor. The Plan's trustee, Mid Atlantic Trust Company DBA American Trust Custody (the "Trustee"), is responsible for the custody of certain investments of the Plan's assets. The Plan Sponsor uses Paychex, Inc., who is responsible for recordkeeping and management of the Plan's assets.

3. ***Contributions*** **-** Each year, participants may contribute up to 100 percent of pretax annual compensation not to exceed $23,500 and employees over the age of 50 may make additional catch-up contributions as defined in the Plan. Participants may designate certain contributions as Roth 401(k) contributions. Employees elect their enrollment of the Plan with the Plan Sponsor. The Company match is discretionary. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The participant contributions and the Company's matching contributions may be allocated to various investment options as the participant directs. For the year ended December 31, 2025, the Company made contributions of $80,507.

***NOTE 1 - DESCRIPTION OF PLAN** (concluded)*

4. ***Vesting*** **-** The Plan was terminated on May 15, 2025. Accordingly, all participants were immediately vested in their contributions plus actual earnings thereon. See Note 2

5. ***Payment of Benefits*** **-** On termination of service including, retirement, death, or disability, a participant (or participant's beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. Terminated participants that do not have more than $7,000 in their vested account may be paid in a single lump sum. If there is more than $7,000 in a terminated participant's vested account, they may choose to leave the account in the plan or have all or part of their vested account paid to them by choosing one of the options of payment as if they retired. Upon termination, participants may also choose to roll their vested account over to another qualified plan. In addition, hardship distributions are not permitted by the Plan.

6. ***Participant Accounts*** – Each participant's account is credited with the participant's contributions, the Company's matching contributions, as well as allocations of the Plan's earnings and any related administrative expenses. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

7. ***Notes Receivable From Participants*** - Participants may borrow a maximum amount of 50 percent of their vested account balance with the participant's total loan balance. Loan terms range from 1 to 5 years. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined periodically by the Plan administrator. Principal and interest are paid through bi-weekly payroll deductions.

8. ***Forfeited accounts*** – At December 31, 2025 and 2024 forfeited nonvested accounts totaled $22,315 and $12,340, respectively. These accounts were used to reduce future employer contributions and pay Plan expenses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Termination of Plan

On May 15, 2025, the Company approved a resolution to terminate the Plan, subject to compliance with applicable provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA). Effective upon termination, the Plan ceased accepting employee contributions.

***NOTE 2 - SUMMARY OF ACCOUNTING POLICIES** (continued)*

***Termination of Plan** (concluded)*

As a result of the termination, all affected participants became fully vested in their account balances to the extent required by the Plan document and applicable regulations. The Plan Administrator is in the process of distributing Plan assets to participants and beneficiaries in accordance with the terms of the Plan and applicable regulatory requirements.

As of December 31, 2025, net assets available for benefits included amounts that had not yet been distributed. These remaining assets are expected to be distributed as soon as administratively practicable. The accompanying financial statements have been prepared on a liquidation basis and management believes that all obligations of the Plan have been appropriately recognized.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan values its investments in accordance with Accounting Standards Codification 820 - Fair Value Measurements ("ASC 820"). Under ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants and the measurement date.

In determining fair value, the Plan uses various valuation approaches. ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments and blockage discounts are not applied to Level 1 securities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

***NOTE 2 - SUMMARY OF ACCOUNTING POLICIES** (continued)*

***Investment Valuation and Income Recognition** (continued)*

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of valuation techniques and observable inputs can vary from security to security and is affected by a wide variety of factors, including the type of security, whether the security is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment.

Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for securities categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined by the lowest level input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Plan uses prices and inputs that are current as of the measurement date, including during periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many securities. This condition could cause a security to be reclassified to a lower level within the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid balance plus any accrued interest. Interest income is recorded on the accrual basis. Any related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024, respectively.

The Plan's investments in the mutual funds are stated at fair value and represent the number of shares owned by the Plan. Quoted market prices of the underlying investments are used to value each fund and are based on the net asset value of the underlying shares held by the Plan at end of the year.

These investments are readily valued and accordingly are considered Level 1 in the ASC 820 hierarchy.

***NOTE 2 - SUMMARY OF ACCOUNTING POLICIES** (concluded)*

***Investment Valuation and Income Recognition** (concluded)*

Investments in common collective trusts are based on the net asset value practical expedient and accordingly are excluded from the ASC 820 fair value hierarchy. The common collective trusts consist of investments with Comerica that have investment strategies of conservative, moderately conservative, balanced, growth and aggressive. The common collective trusts trade and are valued daily and there are no redemption restrictions.

Investments in self-directed brokerage accounts consist of common stocks traded on national exchanges and cash. Fair value of this investment is deemed to be Level 1. These investments were all liquidated during 2025.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan and investment advisory services are directly charged to the participants' accounts and are included in administrative expenses. The participants paid advisory fees and administration fees of $21,967 for the year ended December 31, 2025.

NOTE 3 - PARTY-IN-INTEREST TRANSACTIONS

Certain expenses incurred by participants of the Plan are paid to Paychex, Inc for administration of the Plan and to Mid Atlantic Trust Company DBA American Trust Custody, the Trustee and custodian Accordingly, these transactions qualify as party-in-interest transactions. Administration fees were $34,397 and trust company fees were $860 for the year ended December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's assets and liabilities recorded at fair value have been categorized based upon a fair value hierarchy in accordance with ASC 820. See Note 2 for a discussion of the Plan's policies.

The following tables present information about the Plan's assets measured at fair value:

NOTE 4 - FAIR VALUE MEASUREMENTS (concluded)

	Level 1	Level 2	Level 3	Total December 31, 2025

The common collective trusts consist of two "Balanced Portfolio Funds" issued by Comerica and are generally intended for Plan participants seeking either moderate or long-term growth and appreciation depending on which investment is selected by the participant.

The following table represents the redemption frequency and restrictions:

	Fair Value as of December 31, 2025	Redemption Frequency	Redemption Notice Period	Restrictions at Measurement date
Common collective trusts	$ 28,184	Daily	2:30 PM EST	No significant restrictions

	Fair Value as of December 31, 2024	Redemption Frequency	Redemption Notice Period	Restrictions at Measurement date
Common collective trusts	$ 689,752	Daily	2:30 PM EST	No significant restrictions

The Plan did not have any significant transfers between Levels during 2025 or 2024.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 31, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America, require Plan management to evaluate positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by certain taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 7 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, respectively and investment income for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mid Atlantic Trust Company DBA American Trust Custody, the Trustee and custodian. Mid Atlantic Trust Company is a qualified institution as defined by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, credit and liquidity risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of certain investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has performed an evaluation of subsequent events through October 2, 2025, which is the date the financial statements were available to be issued. The evaluation did not result in any subsequent events:
