Independent Auditors' Report

To the Trustee and Plan Administrator of
BluFox Mobile 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of BluFox Mobile 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2025, and the Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the BluFox Mobile 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on October 1, 2019 for all employees of BluFox Mobile, LLC and its commonly-owned affiliates, as defined in the Plan document.

Effective January 1, 2021, the Plan was restated to comply with the requirements for Pre-Approved Plan, pursuant to Internal Revenue Service ("IRS") Revenue Procedure ("Rev. Proc.") 2017-41.

Effective January 1, 2022, the Plan was amended and restated to rename the Plan as "BluFox Mobile 401(k) Plan", and to add BluFox Mobile LLC and a group of related employers as Participating Employers (collectively, "Plan Sponsor" or "Employer"). The related employers include the entities related under common ownership and common control. In addition, Roth contributions are permitted under the Plan.

The Plan adopted the required provisions of the SECURE 2.0 Act of 2022. Under the SECURE 2.0 Act retirement plans may allow participants to elect to receive Employer matching and nonelective contributions as Roth contributions. In addition, Plan sponsors may rely on employee certification that deem hardship withdrawal conditions have been met.

Effective January 1, 2024, the Plan was amended and restated to add a group of related employers as Participating Employers. The related employers include the entities related under common ownership and common control.

Effective April 11, 2025, the Plan was amended to remove Benefit Trust Company as trustee of the trust established under the Plan and appoint Joshua Berg as the successor discretionary trustee.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

GENERAL (CONTINUED)

Effective October 3, 2025, the Plan was amended and restated to add three new employers to the Plan as Participating Employers. The related employers include the entities related under common ownership and common control.

Effective April 23, 2026, the Plan adopted Transamerica Retirement Solutions, LLC's Plan Administration Service Support ("PASS") program. PASS services include administrative support for participant distributions and loans. Fees for these services are included in the Plan's asset-based recordkeeping and administrative fees. Transamerica performs these services in a non-fiduciary capacity in accordance with the Plan's provisions.

ELIGIBILITY FOR PARTICIPATION

An eligible employee is any employee who is not excluded from the Plan. Excluded employees are those who are collectively bargained employees (employees covered by any collective bargaining agreement between the Plan Sponsor and employee representatives), non-resident aliens with no U.S. income, and leased employees. Eligible employees can participate in the 401(k) portion of the Plan upon completing 90 days of service, as defined, and attaining the minimum age of 18. The date of enrollment is the earliest date on which the participant is an eligible employee and has met all of the entry requirements. 401(k) elective deferral contributions will begin as soon as administratively feasible following the entry date.

ELIGIBILITY FOR CONTRIBUTION

Salary Deferral Contributions

The maximum contribution for the calendar years 2025 and 2024 was limited to $23,500 and $23,000 respectively. Participants who attain age 50 or older by the end of the Plan Year are eligible to make catch-up contributions of up to $7,500 for the 2025 and 2024 Plan Years. Participants who attain ages 60 through 63 during the 2025 Plan Year are eligible to make enhanced catch-up contributions of up to $11,250 for the 2025 Plan Year. Participants direct the investment of their contributions into various investment options offered by the Plan. At December 31, 2025 and 2024, the Plan's investments were maintained in pooled separate accounts. The Plan maintains an individual account for each participant-directed investment showing the participant's interest in each fund. Each participant's share of investment income is allocated on a pro-rata basis.

Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Effective January 1, 2022, participants are permitted to make after-tax contributions ("Roth contributions").

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

ELIGIBILITY FOR CONTRIBUTION (CONTINUED)

Employer Matching Contributions

On behalf of each participant who is eligible to share in matching contributions for the Plan year, discretionary matching contributions are made in an amount equal to a uniform percentage of each participant's elective contributions. The exact percentage is to be determined each year by the Employer. For the Plan year ended December 31, 2025, the match is 50% of the first 3% of the employee's applicable compensation. A participant must be employed with the Employer on the last day of the Plan year and credited with at least 1,000 hours of service during the Plan year.

Participants file an online election designating the proportion in which contributions on their behalf are to be allocated among investment funds.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the employee-elected salary deferral contribution, Employer discretionary contributions, qualified distributions from other retirement plans, and an allocation of Plan earnings, (and charged with an allocation of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Participants will have a nonforfeitable right to a percentage of the Employer's matching contributions and non-elective contributions based upon the following schedule:

Years of Vesting Service	Nonforfeitable Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures can be used to reduce Employer contributions, if any, and to reduce administrative expenses in accordance with the Plan document. An employee's vesting percentage increases to 100%, if, while employed, the employee dies or becomes disabled.

FORFEITED ACCOUNTS

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $21,115 and $29, respectively. During the year ended December 31, 2025, $20,229 was used to reduce Employer matching contributions.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from the value of the vested portion of their account, subject to the Sponsor's authorization and other provisions of the Plan. Loans may not exceed 50% of the vested account balance or $50,000 and must be a minimum of $1,000. The loans have terms that range from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to thirty years), are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit to which a participant would otherwise be entitled from the Plan.

PAYMENT OF BENEFITS

Upon retirement (age 65 is normal retirement age), death, disability or termination of employment, participants or designated beneficiaries may elect to receive the vested value of their account in a lump sum or periodic installments as described in the Plan document. In addition, the Plan provides for participant withdrawals in the event of hardships, as defined in the Plan document. The terminating participant may elect to defer distribution to a later date, up to age 73.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct their contributions in any of a multitude of investment options featuring various pooled separate accounts and fixed annuities.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Plan or the Sponsor, in accordance with the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and custodian fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate.

NOTE 3 – INVESTMENTS-INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

Transamerica Financial Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2025 and 2024, and the investment activity included in the financial statements for the year ended December 31, 2025. The following information is certified by the custodian of the Plan:

	2025	2024
At December 31		
Investments, at fair value	$ 1,809,083	$ 1,207,429
Fully benefit-responsive investment contracts, at contract value	$ 21,114	$ 29
Notes receivable from participants	$ 17,608	$ 8,344
For the Year Ended December 31, 2025		
Net appreciation in fair value of investments	$ 271,965	

NOTE 3 – INVESTMENTS-INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)

Interest income on notes receivable from participants of $1,310 for the year ended December 31, 2025, has also been certified by the custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurement", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

POOLED SEPARATE ACCOUNTS

Pooled Separate Accounts are valued at the net asset value ("NAV") of shares of underlying investments held at year end as determined by the issuer of the fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Based on these facts, using NAV as a practical expedient to estimate fair value is allowed by ASC 820.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

POOLED SEPARATE ACCOUNTS (CONTINUED)

These investments that are measured at fair value using the NAV practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

At December 31, 2025 and 2024, all investments held by the Plan are pooled separate accounts and reported at NAV.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. These investments are direct filing entities (DFEs). There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate account	$ 1,809,083	None	Daily	None

	As of December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate account	$ 1,207,429	None	Daily	None

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan entered into a fully benefit-responsive guaranteed investment contract ("GIC") with Transamerica. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GIC meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the GIC. The GIC is presented on the face of the statements of net assets available for plan benefits at contract value.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the GIC at December 31, 2025 and 2024 was $21,114 and $29, respectively.

Transamerica is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Transamerica. The actual yield earned by the Plan for the Benefit Responsive fund was 2.25% and 2.00% for the years ended December 31, 2025 and 2024, respectively. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting rate of the product will be established based on current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, (3) bankruptcy of the Plan sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Transamerica may not terminate the contract at any amount less than the contract value

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are held under a group annuity contract issued by Transamerica Financial Life Insurance Company, which serves as custodian for the Plan. At December 31, 2025, the Plan maintained investments in Transamerica pooled separate accounts and the Transamerica Stable Value Fund under the contract. Because Transamerica serves as custodian to the Plan, these investments and related transactions qualify as party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their employee contributions, interest and appreciation thereon.

NOTE 8 – TAX STATUS

The IRS has determined and informed the Sponsor by a letter dated November 23, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 10 – PROHIBITED TRANSACTIONS – DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2025, the Plan Sponsor did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure of Delinquent Participant Contributions Disclosures under ERISA. The DOL considers late deposits without regard to materiality to be prohibited transactions. Participant accounts will be credited with the investment income (lost earnings) which would have been earned had participant contributions been remitted on a timely basis. For the year ended December 31, 2025, there were late remittances, which are included in the table below:

Pay Period	Number of Days Until Deposit	Contribution Amount
December 31, 2024	123rd Day	$ 53
January 17, 2025	4th Day	15,287

August 15, 2025	7th Day	19,654
August 29, 2025	5th Day	36,891
		$ 312,783

Untimely remittances were attributable to the Plan Sponsor's multi-step internal process for submitting participant contributions to the pension plan.
