# INDEPENDENT AUDITORS' REPORT

To the Plan Committee
The RealReal 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the The RealReal 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The RealReal 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the The RealReal 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the The RealReal 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the The RealReal 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the The RealReal 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

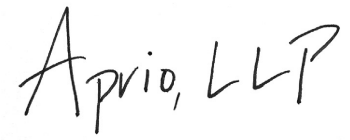

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the The RealReal 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan established effective January 1, 2013, and was last restated effective October 29, 2021, to comply with the Internal Revenue Service's "IRS" Cycle 3 restatement requirement. The Plan covers all employees of The RealReal (the "Company"), with the exception of nonresident aliens as defined by the plan document and temporary and seasonal employees, who have reached age 18. Upon meeting the eligibility requirements employees may enter the plan on the first day of the month after the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments:

Effective January 1, 2024, the Plan was amended to modify the timing of matching contributions. Prior to the amendment, matching contributions were calculated and funded on a per-pay-period basis. Under the amended provision, matching contributions are now calculated and funded on a quarterly basis.

During 2024, the Plan Sponsor has elected to operationally implement certain optional provisions under the SECURE 2.0 Act. These include penalty-free withdrawals of up to $1,000 for emergency personal expenses, withdrawals for victims of domestic abuse, and qualified disaster recovery distributions related to federally declared natural disasters. These provisions are being administered in accordance with SECURE 2.0 guidelines. In addition, the Plan Sponsor operationally implemented, effective January 1, 2025, the increased catch-up contribution limits for participants between the ages of 60 and 63. Formal plan amendments reflecting these provisions are not required at this time and are expected to be adopted in accordance with the extended amendment deadline under SECURE 2.0, currently set for no later than the end of the 2026 plan year.

Effective January 1, 2025, the Plan was amended to include a continuing eligibility requirement for participants to receive matching contributions. Under the amended provision, participants must be employed on the date the matching contribution is made in order to be eligible to receive the match.

Effective August 4, 2025, the Plan was amended to allow voluntary after-tax contributions of up to 10% of eligible compensation. The amendment also permits in-plan Roth rollover contributions and in-plan Roth conversions.

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

Contributions:

Participants may contribute up to 85% of pre-tax annual compensation up to 85% and 10% of post tax annual compensation, as defined in the Plan. The Plan also allows for after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans "rollovers". The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation.

The Company may make discretionary matching contributions to the Plan. For the year ended December 31, 2025, the Company matched 25% of employee deferrals up to a maximum of $2,000.

The Company may make discretionary profit-sharing contributions to the Plan on an annual basis. For the year ended December 31, 2025, no profit-sharing contributions were made.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, or having a hardship, as defined in the Plan document.

## NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of thirty years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the note receivable originates. Principal and interest is paid ratably through payroll deductions.

Forfeitures:

Forfeitures of terminated employees' non-vested account balances can be used to reduce employer contributions or to pay reasonable Plan expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $335,189 and $349,276, respectively. During the year ended December 31, 2025, forfeited balances of $392,752 were used to reduce employer contributions.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions:

Participant contributions and the related Company matching contributions are recognized in the period the participant contribution is withheld from compensation.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

**NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

## NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three Levels of the fair value hierarchy are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement Level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

*Common collective trusts:* Valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant level transactions take place daily and typically the liquidation would be requested on one day and processed the next business day.

*Interest-bearing cash and Money market:* Valued at quoted market prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Fair Value Measurement as of December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 76,218,991 | $ - | $ - | $ 76,218,991 |
| Common collective trusts (a) | - | - | - | 4,137,340 |
| Interest-bearing cash | 56,186 | - | - | 56,186 |
| Total | $ 76,275,177 | $ - | $ - | $ 80,412,517 |

| | Fair Value Measurement as of December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 56,321,224 | $ - | $ - | $ 56,321,224 |
| Common collective trusts (a) | - | - | - | 3,524,123 |
| Interest-bearing cash | 40,619 | - | - | 40,619 |
| Total | $ 56,361,843 | $ - | $ - | $ 59,885,966 |

(a) The Common collective trusts are measured using NAV as a practical expedient. In accordance with the guidance in ASU 2015-07 which has been adopted by the Plan, these investments have not been classified in the fair value hierarchy table. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation (depreciation) in fair value of investments.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed the intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

## NOTE 6 - TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the non-standardized profit-sharing plan with CODA adopted by the Plan, as then designated, qualifies under Section 401(a) of the IRC. The Plan administrator timely adopted the approved Plan. The Plan administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are held and managed by Fidelity Management Trust Company and is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services totaled $445,901 for the year ended December 31, 2025. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets available for benefits reported on the Form 5500 as of December 31:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 81,754,617 | $ 61,753,504 |
| Less amounts accrued for participant receivables | - | (434,613) |
| Less amounts accrued for employer receivables | - | (478,195) |
| Net assets available for benefits per the Form 5500 | $ 81,754,617 | $ 60,840,696 |

The following is a reconciliation of the changes in net assets available for benefits reported in the financial statements and the changes in net assets available for benefits reported on the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Increase in net assets per audited financial statements | $ 20,001,113 |
| Participant contributions receivable | 434,613 |
| Employer contributions receivable | 478,195 |
| Increase in net assets per the Form 5500 | $ 20,913,921 |

## NOTE 9 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 2, 2026, which is the date the financial statements were available to be issued.

## NOTE 10 - PROHIBITED TRANSACTIONS

During the years ended December 31, 2025, 2024 and 2023, the Company failed to remit to the Plan's trustee certain participant contributions totaling $2,352 within the period prescribed by Department of Labor regulations. Consequently, the Plan is considered to have engaged in non-exempt transactions with a party-in-interest. The Company is required to rectify the matter by paying lost earnings on the participant contributions that were remitted late.

To the Plan Committee
The RealReal 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the The RealReal 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The RealReal 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the The RealReal 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the The RealReal 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the The RealReal 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the The RealReal 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

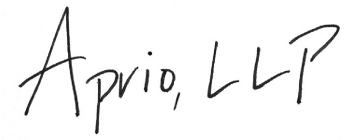

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the The RealReal 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan established effective January 1, 2013, and was last restated effective October 29, 2021, to comply with the Internal Revenue Service's "IRS" Cycle 3 restatement requirement. The Plan covers all employees of The RealReal (the "Company"), with the exception of nonresident aliens as defined by the plan document and temporary and seasonal employees, who have reached age 18. Upon meeting the eligibility requirements employees may enter the plan on the first day of the month after the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments:

Effective January 1, 2024, the Plan was amended to modify the timing of matching contributions. Prior to the amendment, matching contributions were calculated and funded on a per-pay-period basis. Under the amended provision, matching contributions are now calculated and funded on a quarterly basis.

During 2024, the Plan Sponsor has elected to operationally implement certain optional provisions under the SECURE 2.0 Act. These include penalty-free withdrawals of up to $1,000 for emergency personal expenses, withdrawals for victims of domestic abuse, and qualified disaster recovery distributions related to federally declared natural disasters. These provisions are being administered in accordance with SECURE 2.0 guidelines. In addition, the Plan Sponsor operationally implemented, effective January 1, 2025, the increased catch-up contribution limits for participants between the ages of 60 and 63. Formal plan amendments reflecting these provisions are not required at this time and are expected to be adopted in accordance with the extended amendment deadline under SECURE 2.0, currently set for no later than the end of the 2026 plan year.

Effective January 1, 2025, the Plan was amended to include a continuing eligibility requirement for participants to receive matching contributions. Under the amended provision, participants must be employed on the date the matching contribution is made in order to be eligible to receive the match.

Effective August 4, 2025, the Plan was amended to allow voluntary after-tax contributions of up to 10% of eligible compensation. The amendment also permits in-plan Roth rollover contributions and in-plan Roth conversions.

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

Contributions:

Participants may contribute up to 85% of pre-tax annual compensation up to 85% and 10% of post tax annual compensation, as defined in the Plan. The Plan also allows for after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans "rollovers". The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation.

The Company may make discretionary matching contributions to the Plan. For the year ended December 31, 2025, the Company matched 25% of employee deferrals up to a maximum of $2,000.

The Company may make discretionary profit-sharing contributions to the Plan on an annual basis. For the year ended December 31, 2025, no profit-sharing contributions were made.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, or having a hardship, as defined in the Plan document.

## NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of thirty years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the note receivable originates. Principal and interest is paid ratably through payroll deductions.

Forfeitures:

Forfeitures of terminated employees' non-vested account balances can be used to reduce employer contributions or to pay reasonable Plan expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $335,189 and $349,276, respectively. During the year ended December 31, 2025, forfeited balances of $392,752 were used to reduce employer contributions.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions:

Participant contributions and the related Company matching contributions are recognized in the period the participant contribution is withheld from compensation.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

**NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

## NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three Levels of the fair value hierarchy are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement Level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

*Common collective trusts:* Valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant level transactions take place daily and typically the liquidation would be requested on one day and processed the next business day.

*Interest-bearing cash and Money market:* Valued at quoted market prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Fair Value Measurement as of December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 76,218,991 | $ - | $ - | $ 76,218,991 |
| Common collective trusts (a) | - | - | - | 4,137,340 |
| Interest-bearing cash | 56,186 | - | - | 56,186 |
| Total | $ 76,275,177 | $ - | $ - | $ 80,412,517 |

| | Fair Value Measurement as of December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 56,321,224 | $ - | $ - | $ 56,321,224 |
| Common collective trusts (a) | - | - | - | 3,524,123 |
| Interest-bearing cash | 40,619 | - | - | 40,619 |
| Total | $ 56,361,843 | $ - | $ - | $ 59,885,966 |

(a) The Common collective trusts are measured using NAV as a practical expedient. In accordance with the guidance in ASU 2015-07 which has been adopted by the Plan, these investments have not been classified in the fair value hierarchy table. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation (depreciation) in fair value of investments.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed the intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

## NOTE 6 - TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the non-standardized profit-sharing plan with CODA adopted by the Plan, as then designated, qualifies under Section 401(a) of the IRC. The Plan administrator timely adopted the approved Plan. The Plan administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are held and managed by Fidelity Management Trust Company and is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services totaled $445,901 for the year ended December 31, 2025. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets available for benefits reported on the Form 5500 as of December 31:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 81,754,617 | $ 61,753,504 |
| Less amounts accrued for participant receivables | - | (434,613) |
| Less amounts accrued for employer receivables | - | (478,195) |
| Net assets available for benefits per the Form 5500 | $ 81,754,617 | $ 60,840,696 |

The following is a reconciliation of the changes in net assets available for benefits reported in the financial statements and the changes in net assets available for benefits reported on the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Increase in net assets per audited financial statements | $ 20,001,113 |
| Participant contributions receivable | 434,613 |
| Employer contributions receivable | 478,195 |
| Increase in net assets per the Form 5500 | $ 20,913,921 |

## NOTE 9 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 2, 2026, which is the date the financial statements were available to be issued.

## NOTE 10 - PROHIBITED TRANSACTIONS

During the years ended December 31, 2025, 2024 and 2023, the Company failed to remit to the Plan's trustee certain participant contributions totaling $2,352 within the period prescribed by Department of Labor regulations. Consequently, the Plan is considered to have engaged in non-exempt transactions with a party-in-interest. The Company is required to rectify the matter by paying lost earnings on the participant contributions that were remitted late.
