INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
BlueForce 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the BlueForce 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BlueForce 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ending December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent BlueForce 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BlueForce 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BlueForce 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BlueForce 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The BlueForce 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan providing retirement income for eligible employees. The Plan was adopted effective January 1, 2004, and was most recently restated on June 13, 2021. The Plan is sponsored and administered by BlueForce, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

A summary of the Plan's major provisions follows. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

Eligibility

Employees are eligible to participate in the Plan after completing three months of service based on elapsed time. There is no age requirement for the Plan. Eligible employees are able to enter the Plan immediately upon satisfaction of the service requirements. The Plan excludes leased employees.

Contributions

A participant may elect to defer pre-tax and/or Roth contributions up to 75 percent of eligible compensation as defined by the Plan, subject to Internal Revenue Service limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company has elected to make safe harbor matching contributions on behalf of the participants equal to 100% of the first 5% of eligible compensation. The Company, at its discretion, may also make non-elective employer contributions or matching contributions to the Plan. Employees must be employed on the last day of the Plan year to be eligible for non-elective contributions. For the years ended December 31, 2025 and 2024, total safe harbor matching contributions were $154,769, and $196,984, respectively. The Company elected not to make any additional non-elective contributions for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's match contribution, (b) plan earnings, and (c) charged with an allocation of administrative expenses and plan investment losses. Allocations are based on participant earnings or account balances, as defined by the plan provisions. Allocation of the Company's matching contributions are based upon eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in salary deferrals contributions, rollover accounts, safe harbor contributions plus actual earnings thereon. For the Company's matching and discretionary profit sharing contributions there is a 3 year graded vesting schedule. A participant is vested in the Company's matching and discretionary profit sharing contributions based on the following schedule:

Years of Service	% Vested
Less than 1 year	0%
1 year	33%
2 years	66%
3 years	100%

Forfeitures

Forfeitures occur when a participant terminates prior to fully vesting. The nonvested portion of the participants account will be forfeited a) if the inactive participant elects to receive a distribution of his entire vested account balance or b) if the inactive participant has incurred five consecutive breaks in service. The forfeited amounts may be used to pay Plan expenses or reduce employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $30,896 and $20,447, respectively. For the year ending December 31, 2025, no forfeitures were used to offset employer contributions or plan expenses.

Notes Receivable from Participants

Participants may borrow from their investment account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. A participant loan must be payable within a period not exceeding 5 years from the date the participant receives the loan, unless the loan is for the purchase of the Participant's principal residence, in which case the loan may be payable within a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans. The notes receivable are secured by the balance in the participant's account and bear a reasonable interest rate as determined by the administrator based on the prevailing interest rates.

Payment of Benefits

The Plan provides for the payment of benefits to the participant or beneficiary at retirement, death, disability or termination of employment. Participants terminating their employment with the Company of their vested account balance. Hardship distributions are allowed under plan provisions. Participants who qualify for retirement benefits and withdrawals will receive their benefits in the form of a lump sum distribution. Benefits under the Plan shall be distributed solely from the assets of the Trust.

Participants who separate from service and have vested account balances of $5,000 of less will automatically have their account balances distributed either by direct payment to the individual or as a direct rollover to an individual retirement plan (IRA). Effective January 1, 2024, the SECURE 2.0 Act raised the statutory limit for mandatory cash-outs to $7,000.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires in the United States (U.S. GAAP) management to make estimates and assumptions that may affect the reporting amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from such estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is shown on an accrual basis from notes receivable from participants and investment contracts.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued, but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Cash and Cash Equivalents

The Plan considers highly liquid investments with an original maturity of three months or less to be cash and cash equivalents.

Payment of Benefits
Benefits are recorded when paid.

Operating Expenses
Plan fees and administrative expenses (exclusive of investment related expenses) are generally paid by the Company. Account maintenance fees and some administrative costs are paid by the Plan.

Subsequent Events
The Plan has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued and concluded there were no events that require recording or disclosure in the financial statements as of December 31, 2025.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Management, for the year ended December 31, 2025 and 2024, has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), the audits need not extend to any statements or information related to the certified investment information. Accordingly, Fidelity Management Trust Company, (the trustee of the Plan), has certified that the following investment information is complete and accurate.

	December 31, 2025	December 31, 2024
Mutual funds	$ 8,600,868	$ 9,035,893
Money market fund	165,266	44,178
Notes receivable from participants	43,986	66,490
	$ 8,810,120	$ 9,146,561

	For the year ended December 31, 2025
Net appreciation in fair value of investments	$ 819,958
Dividends and interest	581,157
Interest income on notes receivable from participants	2,957
	$ 1,404,072

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 : Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, and (4) inputs that are derived principally from the corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 : Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market funds : These investments are included in mutual funds and are public investment vehicles valued using NAV provided by the administrator of the fund. The underlying asset generally comprise of short-term securities representing high-quality, liquid debt, and monetary assets. These funds are classified within Level 1 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,600,868	$ -	$ -	$ 8,600,868
Money market funds	165,266	-	-	165,266
Total investments	$ 8,766,134	$ -	$ -	$ 8,766,134

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 9,035,893	$ -	$ -	$ 9,035,893
Money market funds	44,178	-	-	44,178
Total investments	$ 9,080,071	$ -	$ -	$ 9,080,071

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Plan investments are managed by Fidelity Management Trust Company as the asset custodian as defined in the Plan and, therefore, these transactions are considered to be exempt party-in-interest transactions. The Plan issues notes receivable to participants which are secured by the balances in participants' accounts. The Plan paid certain administrative fees in 2025. The Company paid certain administrative expenses of the Plan, including audit fees. These transactions qualify as party-in-interest transactions for which a statutory exception exemption exists.

NOTE 6 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer matching and profit sharing contributions.

NOTE 7 - TAX STATUS

The Company adopted a prototype plan document sponsored by the trustee. The IRS has determined and informed the trustee by a favorable opinion letter dated June 30, 2020, that the prototype plan document is designed in accordance with the applicable sections of the Internal Revenue Code (the Code). The prototype plan's opinion letter is being relied on by the Plan. The plan has been restated since receiving the opinion letter. However, the trustee and plan management believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principals generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - OPERATIONAL FAILURE

During the year ended December 31, 2025, missed deferrals were identified for two participants due to delayed updates of their deferral elections. These errors have not yet been corrected. The Company is coordinating with the Plan’s third-party administrator to calculate the total corrective contributions and the associated lost earnings. The corrective contributions for these errors will also be made as soon as administratively possible.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 8,810,120	$ 9,162,587
Less: Current year employee contribution receivable	-	10,684
Less: Current year employer contribution receivable	-	5,342
Net assets available for benefits per the Form 5500	$ 8,810,120	$ 9,146,561

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500:

	For the year ended December 31, 2025
Net decrease in net assets available for benefits per the financial statements	$ (352,467)
Add: Prior year employee contributions	10,684
Add: Prior year employer contributions	5,342
Net decrease in net assets available for benefits per the Form 5500	$ (336,441)
