ADVISORY TAX AUDIT

Independent Auditor's Report

To the Plan Sponsor of
Coastal Enterprises of Jacksonville, Inc.
Insurance and Health Reimbursement Plan
and Trustee of C1 GovCon Solution VEBA Trust:

Opinion

We have audited the financial statements of Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan 's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following brief description of Coastal Enterprises of Jacksonville, Inc. Insurance and Health Reimbursement Plan (the "Plan") provides only general information regarding the Plan's provisions. The Plan is funded through the C1 GovCon Solution VEBA Trust (the "Trust"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a health and welfare plan of Coastal Enterprises of Jacksonville, Inc. (the "Plan Sponsor" or "Employer") and provides health benefits for all employees who perform at least one hour of work under a government contract during the Plan year, excluding employees covered by a collective bargaining agreement with a union, unless the collective bargaining agreement calls for Plan participation. Employees are entitled to benefits the month following eligible hours worked. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan Sponsor provides covered employees with additional preventative care minimum essential coverage under a separate BSI Health & Welfare Coastal Trust Plan ("MEC Plan").

Contributions

The Plan Sponsor makes contributions to the Plan based on a specific contract rate per hour worked by participating employees subject to hour limitations specified in the contract. Such contributions may vary, depending on the government contract on which the employee has most recently worked. Employer contributions for both the Plan and the MEC Plan are transferred to the MEC Plan's trust account after each pay period. The MEC Plan disburses amounts on behalf of the Plan and to the Trust on a monthly basis.

Benefits

The Plan provides benefits in the form of reimbursement of qualified expenses incurred by participants and covered dependents, which is accomplished by the establishment of a Health Reimbursement Account ("HRA"). Qualified expenses include medical expenses incurred by a participant or dependent allowed as a deduction for medical expenses under Section 213(d) of the Internal Revenue Code. Reimbursements of qualified expenses may not exceed the balance in the participant's HRA.

Participant Accounts

Each month, a participant's HRA is credited with Employer contributions above what is required to pay insurance premiums for health benefits, life insurance coverage, accidental death and dismemberment benefits, and short-term disability benefits under the MEC Plan. The benefit to which a participant is entitled is limited to the balance in the participant's HRA.

Forfeitures

Terminated and retired participants can continue to incur claims against any amount of HRA benefit that is not used when their active participation in the Plan ends; provided, however, that in the event a terminated participant does not file a claim for reimbursement of qualified expenses within the twelve month period following termination of employment, such participant will forfeit the remaining balance in their HRA and, at the sole discretion of the Plan Sponsor, any remaining funds will become assets of the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses
The Plan pays administrative fees. Certain management services and other administrative costs are paid by the Plan Sponsor. A participant's HRA is charged with a monthly administrative fee up to the balance in the participant's HRA.

Subsequent Events
The Plan's management has evaluated subsequent events through September 11, 2026, the date the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or disclosure in the financial statements.

3. Party In Interest Transactions

For the year ended December 31, 2024, $56,562 was paid to BASIC Benefits, LLC ("BASIC") for services rendered for recordkeeping of the participants' HRA. BASIC holds the Plan's cash as of December 31, 2024 and 2023. The Plan has potential exposure to credit risk associated with the cash held.

For the year ended December 31, 2024, $37,023 was paid to Osprey Contractor Consulting, LLC d/b/a C1 Benefits for services rendered for general Plan administration. The trustee for the Trust is also the managing member of Osprey Contractor Consulting, LLC.

BSI Companies is the Plan's third-party administrator responsible for recordkeeping of contributions remitted to the MEC Plan and disbursement of HRA deposits. All administrative fees for BSI Companies are paid by the MEC Plan.

4. Plan Termination

Although the Plan Sponsor has not expressed any intent to do so, it has the right, under the Plan, to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Tax Status

The Trust funding the Plan has received an exemption letter from the Internal Revenue Service ("IRS"), dated July 23, 2009, stating that the Trust is exempt from federal income tax under section 501(c)(9) of the Internal Revenue Code ("IRC") as a Voluntary Employee Beneficiary Association. The Trust has been amended since receiving the exemption letter. The Plan and Trust are required to operate in conformity with the IRC and ERISA to maintain the tax-exempt status of the Trust. The Plan administrator believes that the Plan and Trust are being operated in compliance with the applicable requirements of the IRC and ERISA, and therefore believes the Trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax-related interest or penalties for the periods presented in these financial statements.
