INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Pioneer Valley Cardiology, PC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pioneer Valley Cardiology, PC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Pioneer Valley Cardiology, PC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and related amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees (as defined by the Plan) of Pioneer Valley Cardiology, PC (the "Employer"), established on October 1, 1994.

Eligibility

Employees are eligible to participate in the Plan if they perform services for the Employer as a common law employee, are a self-employed individual treated as an employee or a leased employee, except for members of a collective bargaining unit or non-resident aliens. For employees to be eligible to participate in the Plan, employees must have attained the age of 21 and completed one year of service, or have completed three consecutive 12-month periods, each with at least 500 hours of service. Once employees have met the requirements, they will enter the Plan on January 1st or the first day of the Plan quarter.

Participant Contributions

Participants may make pretax contributions ranging from 1 percent to 100 percent of their earnings as elective contributions up to the limits prescribed by the Internal Revenue Service ("IRS"). The Plan also allows for participants who are 50 years old or older to make catch-up contributions up to the limits prescribed by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Participants may modify their contribution percentage on the first day of the Plan quarter. Participants are permitted to revoke their election at any time during the Plan year. Rollover contributions are allowed at any time.

Employer Contributions

The Plan has elected a safe harbor non-elective contribution in the amount of 3 percent of eligible participant's compensation. At its discretion, the Employer may also make an additional profit-sharing contribution to the Plan for eligible participants, subject to limits for tax deductions under the Internal Revenue Code (the "Code").

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, Plan earnings, and reduced by Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan allows participant loans, subject to the provisions as set forth in the Plan. The loan shall not be less than $1,000 or exceed the lesser of $50,000 or 50 percent of the sum of the participant's total vested balance. The interest rate on the loans is fixed at the prime rate plus one percent on the date the loans are taken by the participants. The loans are secured by the participant's account balance. Loans may not have a repayment term of greater than five years. Principal and interest are paid ratably through payroll deductions in every pay period.

NOTE 1 – DESCRIPTION OF THE PLAN *(CONTINUED)*

Vesting

Participants are immediately vested in their contributions and Employer safe harbor contributions plus actual earnings thereon. Vesting in the Employer profit sharing contributions and related earnings are based on the following schedule:

Vesting Service (Whole Years)	Vesting Percentage
Less than 1	0%
1	10%
2	20%
3	40%
4	60%
5	80%
6	100%

If a participant is not already fully vested, he or she will become so upon attaining normal retirement age, on death prior to normal retirement age, on retirement due to disability, or on termination of the Plan.

Forfeitures

At December 31, 2025 and 2024, there were unutilized forfeitures of $5,463 and $11,414, respectively. Forfeitures may be used to reduce future Employer contributions and administrative expenses. Forfeitures of $7,294 were utilized to reduce Employer contributions for the year ended December 31, 2025.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments (at least annually) subject to the minimum distribution rules. For the termination of service for other reasons, a participant may receive the value of the vested amount in his or her account as a lump-sum distribution. The Plan also provides for in-service withdrawals by participants who have attained the age of 59 ½. Withdrawals from a participant's pre-tax deferral accounts may also be made in the event of a financial hardship or under other certain circumstances, in accordance with the provisions specified in the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires management of the Plan to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(CONTINUED)*

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the insurance company general account, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees. Investment-related expenses are included in net appreciation/ depreciation of fair value of investments.

Subsequent Events

The Plan monitored and evaluated subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended December 31, 2025 through October 7, 2026, the date on which financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

NOTE 3 – FAIR VALUE MEASUREMENTS *(CONTINUED)*

Level 1 Fair Value Measurement:

Self-directed brokerage: Valued at the closing price on the active market on which the individual securities are traded.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurement:

Common/collective trusts & pooled separate accounts: Valued at the observable NAV of underlying investments. These funds invest in the underlying funds consisting of exchange-traded funds, mutual funds, and common stock. These funds are required to publish their daily NAV and to transact at that price.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Investments at Fair Value at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Common/collective trusts	$ -	$ 10,507,897	$ -	$ 10,507,897
Self-directed brokerage	9,181,123	-	-	9,181,123
Registered investment companies (mutual funds)	1,132,476	-	-	1,132,476
Pooled separate accounts	-	1,155,218	-	1,155,218
Total investments, at fair value	$ 10,313,599	$ 11,663,115	$ -	$ 21,976,714

	Investments at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Common/collective trusts	$ -	$ 9,627,069	$ -	$ 9,627,069
Self-directed brokerage	9,756,317	-	-	9,756,317
Registered investment companies (mutual funds)	773,710	-	-	773,710
Pooled separate accounts	-	819,541	-	819,541
Total investments, at fair value	$ 10,530,027	$ 10,446,610	$ -	$ 20,976,637

NOTE 4 – BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan offers an insurance company general account, the Principal Fixed Income Guaranteed Option, which is fully benefit-responsive, that allows Plan participants to make exchanges or request benefit payments at contract value. At December 31, 2025 and 2024, the balance in the insurance company general account was $106,716 and $83,513, respectively. Principal Trust Company ("Principal") maintains the contributions to the investment in a fixed account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the insurance company general account has a benefit-responsiveness feature, contract value is the relevant measurement attributable for that portion of the net assets available for benefits. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

NOTE 4 – BENEFIT-RESPONSIVE INVESTMENT CONTRACT *(CONTINUED)*

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The insurance company general account investment issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. Principal credited the account with 4.75% for January 2025 to May 2025, 4.70% for June 2025 to November 2025, and 4.65% for December 2025.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including partial or complete Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures, or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 – TAX STATUS

The Plan has adopted a non-standardized prototype plan that received an opinion letter dated March 31, 2014, from the IRS that the Plan was acceptable under the applicable requirements of the Code. Although the Plan has been amended since the prototype was adopted, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes the Plan was qualified as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal. Principal serves as the trustee of the Plan and record-keeper of the Plan, therefore these transactions qualify as party-in-interest. Principal performs certain administrative, advisory and recordkeeping services for the Plan.

The Plan provides for notes receivable from participants. Transactions in such investments qualify as party-in-interest transactions as defined by ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. The investments held may include stocks, bonds, fixed income securities, mutual funds and other investment securities. Such investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 – CERTIFIED INFORMATION

The following information included in the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, the trustee of the Plan:

	2025	2024
Investments, at fair value:		
Common/collective trusts	$ 10,507,897	$ 9,627,069
Registered investment companies (mutual funds)	1,132,476	773,710
Pooled separate accounts	1,155,218	819,541
Investments, at contract value:		
Insurance company general account	106,716	83,513
Receivables:		
Notes receivable from participants	194,520	146,242
Dividends and interest	106,921	N/A
Net appreciation in fair value of investments	1,624,196	N/A
Interest income on notes receivable from participants	16,031	N/A

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100 percent vested in their Employer contributions.

NOTE 10 – RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31,:

	2025	2024
Net assets available for benefits per the financial statements	$ 23,097,104	$ 21,992,329
Less: Current year Employer contribution receivable	(819,154)	(785,937)
Net assets available for benefits per Form 5500	$ 22,277,950	$ 21,206,392

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 1,104,775
Add: Prior year Employer contribution receivable	785,937
Less: Current year Employer contribution receivable	(819,154)
Net increase per Form 5500	$ 1,071,558
