Independent Auditor's Report

To the Trustees of
Banyan Retirement Plan
Miami, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Banyan Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company (Principal) and Empower Annuity Insurance Company of America (Empower), qualified institutions as of December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 Description of Plan

The following description of the Banyan Retirement Plan (the "Plan") for the employees of Banyan Health Systems, Inc. (the "Sponsor") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing retirement and death benefits covering employees of Banyan Health Systems, Inc., the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and reporting practices for defined contribution plans.

The Plan Sponsor contracted Definiti, LLC ("Definiti") to act as Administrator of the Plan and Principal Trust Company ("Principal") to act as the record keeper, asset custodian and trustee. In 2010, the Plan terminated its contract with Empower Annuity Insurance Company of America ("Empower") as the record keeper, asset custodian and trustee. Although Principal and Empower are collectively known as the "Trustees", Empower manages a small portion of the Plan which remains largely inactive. Participants were able to elect to transfer their previous balances from Empower to Principal. Participants not making this election continue to maintain accounts with Empower.

Definiti provides reporting and compliance services, including reporting to participants and to the Internal Revenue Service. Additionally, the custodians are responsible for the management, sale, redemption, and repurchase of the investments.

Eligibility and Participation

The Plan covers employees of the Plan Sponsor who are eligible to make salary reduction contributions to the Plan in accordance with Section 403(b) of the Internal Revenue Code ("IRC"). The Plan Sponsor also has a defined contribution pension plan 401(a), covering full-time employees who have one year of service and are age twenty-one or older.

Contributions

The Plan allows eligible employees to contribute to the Plan. Such participant contributions are made through payroll deductions, are tax deferred and represent a reduction in federal taxable wages to the participant. Participants are able to contribute up to 100% of their eligible gross pay, as defined, with a total dollar limitation of $23,500 for 2025 (employees may contribute an additional $7,500 if over 50 years old) allowable under the Internal Revenue Code. Employer matching contributions are on a discretionary basis as determined by the Plan Sponsor and applied to all participants on a uniform basis. Matching contributions for the year ended December 31, 2025 totaled $88,562.

Note 1 Description of Plan (continued)

Participants' Accounts

The asset custodian maintains an account for each participant. Participants' accounts are credited with their own contributions and allocations of the Plan Sponsor's contributions, Plan earnings or losses and charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. All investments are participant directed. Participants choose investments from a list of select funds, some of which include a balance of funds structured based on expected retirement age of participants or investment strategy. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

The total value of the account balances is fully and immediately vested.

Payment of Benefits

Benefits are recorded as paid on termination of service due to death, disability, or retirement. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their vested account balances an amount up to the lesser of $50,000 or 50 percent of their account balance. Participants cannot have more than one loan outstanding at any time, and no loan may be for an amount less than $1,000. The maximum loan term is five years unless the loan is for the purchase of a primary residence for which the maximum loan term is thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined from time to time by the Plan Administrator. Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Principal and interest are paid ratably through payroll deductions or other methods as approved by the Plan Administrator. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest rates on the loans vary from 5.25% - 10.50% as of December 31, 2025 and 2024. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeitures

Forfeited non-vested balances may be used to offset plan expenses or may be used to reduce future employer contributions. As of December 31, 2025 and 2024, forfeitures used to offset employer contributions totaled $7,842 and $0 respectively.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Benefits are paid when they are recorded to be paid and are not accrued in advance.

Administrative Expenses

All operating expenses of the Plan including expenses for recordkeeping, insurance and auditing are paid by the Plan Sponsor and do not appear as liabilities or deductions of the Plan. The expenses are allocated among the accounts of all participants in the Plan.

Investment Valuation and Income Recognition

The Plan's investments and related earnings are stated at fair value as reported to the Plan by the Trustees of the Plan, Principal and Empower (the "Trustees") as of December 31, 2025 and 2024 and for the year ended December 31, 2025. Investment value is represented by contributions, plus earnings, less participant withdrawals, and administrative expenses. Participant loans are valued at cost. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded upon receipt. Interest income is recorded on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Note 3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 ("ASC 820") are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 3 Fair Value Measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds – registered with the Securities and Exchange Commission. They are valued based on quoted prices (unadjusted) in active markets for identical assets that the plan has the ability to access at the measurement date. Due to the valuation process, these investments are considered Level 1.

Variable Annuities – Price/unit values for variable annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract. These are considered Level 2.

Fixed Annuity – Reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. These are considered Level 2.

Note 3 Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Variable annuities	$ -	$ 31,324	$ -	$ 31,324
Fixed annuity	-	46,496	-	46,496
Mutual funds	3,468,376	-	-	3,468,376
Total investments at fair value	$ 3,468,376	$ 77,820	$ -	$ 3,546,196

	2024			
	Level 1	Level 2	Level 3	Total
Variable annuities	$ -	$ 29,597	$ -	$ 29,597
Fixed annuity	-	46,637	-	46,637
Mutual funds	2,950,440	-	-	2,950,440
Total investments at fair value	$ 2,950,440	$ 76,234	$ -	$ 3,026,674

Fully benefit-responsive investment contracts included in investments in the statements of net assets available for benefits amounted to $88,517 and $70,191, in 2025 and 2024, respectively. This fund is not included in the fair value schedule since it is valued at contract value, therefore, is considered not subject to the leveling requirements of ASU 820.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 Investment Information Certified by the Plan's Trustees

Principal and Empower are the Trustees of the Plan's assets. The trustees execute the Plan's transactions and provide other administrative services. While certain of these service costs and audit costs are absorbed by The Plan Sponsor, investment management fees, participant loan fees and additional plan service fees are paid by Plan participants.

In accordance with the Department of Labor's Rules and Regulations, the Trustees certify that their annual year-end statements are complete and accurate. The following information included in the accompanying financial statements and supplemental schedules was obtained by data that has been prepared and certified as complete and accurate by the Trustees.

Note 4 Investment Information Certified by the Plan's Trustees (continued)

	2025	2024
Investments, at fair value	$ 3,546,196	$ 3,026,674
Investments, at contract value	$ 88,517	$ 70,191
Notes receivable from participants	$ 56,637	$ 64,576
Net appreciation in fair value of investments	$ 366,062	
Dividends	$ 61,302	
Interest income on investment funds	$ 1,602	
Interest on notes receivable from participants	$ 5,281	

Note 5 Fully Benefit-Responsive Investment Contracts

The Plan holds a traditional benefit-responsive guaranteed investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The following represents the disaggregation of contract value between types of investment contract held by the Plan.

	2025	2024
Traditional investment contract	$ 88,517	$ 70,191

The Plan entered into benefit-responsive investment contract with Principal, the current Trustee. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged by Principal for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Principal. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Amounts invested under the contract are part of the assets of Principal. The underlying assets allocated by the Trustee to the Guaranteed Investment Contracts are invested primarily in investment grade corporate bonds and insurance policy loans.

Note 6 Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the prototype document being used by the Plan and Trust was designed in accordance with provisions of the IRC. The Plan has not yet filed for its own determination letter from the IRS. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes due from the Plan has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. In the event the Plan is subject to interest and/or penalties, interest would be included with interest expense, and penalties would be included as a component of administrative expenses. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is open and subject to income tax examinations for years prior to 2022.

Note 7 Plan Termination

Although the Sponsor has not expressed any intent to do so, it may terminate the Plan upon notice in writing to the Trustees or it may discontinue its contributions to the Plan. In the event of termination, the Plan provides that the amounts in each participant's account will be fully vested and distributed in accordance with the provisions of the Plan and in compliance with all applicable regulations.

Note 8 Related-Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds, variable annuities and insurance contracts managed by Principal and Empower. Principal and Empower are the Trustees and the recordkeepers, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2025 and 2024, no fees were incurred in connection to the Trustees. Participant loans are party-in-interest transactions.

Note 9 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 Subsequent Events

Subsequent events have been evaluated through October 8, 2026, which is the date the financial statements were available to be issued.

Independent Auditor's Report

To the Trustees of
Banyan Retirement Plan
Miami, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Banyan Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company (Principal) and Empower Annuity Insurance Company of America (Empower), qualified institutions as of December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 Description of Plan

The following description of the Banyan Retirement Plan (the "Plan") for the employees of Banyan Health Systems, Inc. (the "Sponsor") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing retirement and death benefits covering employees of Banyan Health Systems, Inc., the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and reporting practices for defined contribution plans.

The Plan Sponsor contracted Definiti, LLC ("Definiti") to act as Administrator of the Plan and Principal Trust Company ("Principal") to act as the record keeper, asset custodian and trustee. In 2010, the Plan terminated its contract with Empower Annuity Insurance Company of America ("Empower") as the record keeper, asset custodian and trustee. Although Principal and Empower are collectively known as the "Trustees", Empower manages a small portion of the Plan which remains largely inactive. Participants were able to elect to transfer their previous balances from Empower to Principal. Participants not making this election continue to maintain accounts with Empower.

Definiti provides reporting and compliance services, including reporting to participants and to the Internal Revenue Service. Additionally, the custodians are responsible for the management, sale, redemption, and repurchase of the investments.

Eligibility and Participation

The Plan covers employees of the Plan Sponsor who are eligible to make salary reduction contributions to the Plan in accordance with Section 403(b) of the Internal Revenue Code ("IRC"). The Plan Sponsor also has a defined contribution pension plan 401(a), covering full-time employees who have one year of service and are age twenty-one or older.

Contributions

The Plan allows eligible employees to contribute to the Plan. Such participant contributions are made through payroll deductions, are tax deferred and represent a reduction in federal taxable wages to the participant. Participants are able to contribute up to 100% of their eligible gross pay, as defined, with a total dollar limitation of $23,500 for 2025 (employees may contribute an additional $7,500 if over 50 years old) allowable under the Internal Revenue Code. Employer matching contributions are on a discretionary basis as determined by the Plan Sponsor and applied to all participants on a uniform basis. Matching contributions for the year ended December 31, 2025 totaled $88,562.

Note 1 Description of Plan (continued)

Participants' Accounts

The asset custodian maintains an account for each participant. Participants' accounts are credited with their own contributions and allocations of the Plan Sponsor's contributions, Plan earnings or losses and charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. All investments are participant directed. Participants choose investments from a list of select funds, some of which include a balance of funds structured based on expected retirement age of participants or investment strategy. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

The total value of the account balances is fully and immediately vested.

Payment of Benefits

Benefits are recorded as paid on termination of service due to death, disability, or retirement. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their vested account balances an amount up to the lesser of $50,000 or 50 percent of their account balance. Participants cannot have more than one loan outstanding at any time, and no loan may be for an amount less than $1,000. The maximum loan term is five years unless the loan is for the purchase of a primary residence for which the maximum loan term is thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined from time to time by the Plan Administrator. Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Principal and interest are paid ratably through payroll deductions or other methods as approved by the Plan Administrator. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest rates on the loans vary from 5.25% - 10.50% as of December 31, 2025 and 2024. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeitures

Forfeited non-vested balances may be used to offset plan expenses or may be used to reduce future employer contributions. As of December 31, 2025 and 2024, forfeitures used to offset employer contributions totaled $7,842 and $0 respectively.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Benefits are paid when they are recorded to be paid and are not accrued in advance.

Administrative Expenses

All operating expenses of the Plan including expenses for recordkeeping, insurance and auditing are paid by the Plan Sponsor and do not appear as liabilities or deductions of the Plan. The expenses are allocated among the accounts of all participants in the Plan.

Investment Valuation and Income Recognition

The Plan's investments and related earnings are stated at fair value as reported to the Plan by the Trustees of the Plan, Principal and Empower (the "Trustees") as of December 31, 2025 and 2024 and for the year ended December 31, 2025. Investment value is represented by contributions, plus earnings, less participant withdrawals, and administrative expenses. Participant loans are valued at cost. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded upon receipt. Interest income is recorded on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Note 3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 ("ASC 820") are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 3 Fair Value Measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds – registered with the Securities and Exchange Commission. They are valued based on quoted prices (unadjusted) in active markets for identical assets that the plan has the ability to access at the measurement date. Due to the valuation process, these investments are considered Level 1.

Variable Annuities – Price/unit values for variable annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract. These are considered Level 2.

Fixed Annuity – Reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. These are considered Level 2.

Note 3 Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Variable annuities	$ -	$ 31,324	$ -	$ 31,324
Fixed annuity	-	46,496	-	46,496
Mutual funds	3,468,376	-	-	3,468,376
Total investments at fair value	$ 3,468,376	$ 77,820	$ -	$ 3,546,196

	2024			
	Level 1	Level 2	Level 3	Total
Variable annuities	$ -	$ 29,597	$ -	$ 29,597
Fixed annuity	-	46,637	-	46,637
Mutual funds	2,950,440	-	-	2,950,440
Total investments at fair value	$ 2,950,440	$ 76,234	$ -	$ 3,026,674

Fully benefit-responsive investment contracts included in investments in the statements of net assets available for benefits amounted to $88,517 and $70,191, in 2025 and 2024, respectively. This fund is not included in the fair value schedule since it is valued at contract value, therefore, is considered not subject to the leveling requirements of ASU 820.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 Investment Information Certified by the Plan's Trustees

Principal and Empower are the Trustees of the Plan's assets. The trustees execute the Plan's transactions and provide other administrative services. While certain of these service costs and audit costs are absorbed by The Plan Sponsor, investment management fees, participant loan fees and additional plan service fees are paid by Plan participants.

In accordance with the Department of Labor's Rules and Regulations, the Trustees certify that their annual year-end statements are complete and accurate. The following information included in the accompanying financial statements and supplemental schedules was obtained by data that has been prepared and certified as complete and accurate by the Trustees.

Note 4 Investment Information Certified by the Plan's Trustees (continued)

	2025	2024
Investments, at fair value	$ 3,546,196	$ 3,026,674
Investments, at contract value	$ 88,517	$ 70,191
Notes receivable from participants	$ 56,637	$ 64,576
Net appreciation in fair value of investments	$ 366,062	
Dividends	$ 61,302	
Interest income on investment funds	$ 1,602	
Interest on notes receivable from participants	$ 5,281	

Note 5 Fully Benefit-Responsive Investment Contracts

The Plan holds a traditional benefit-responsive guaranteed investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The following represents the disaggregation of contract value between types of investment contract held by the Plan.

	2025	2024
Traditional investment contract	$ 88,517	$ 70,191

The Plan entered into benefit-responsive investment contract with Principal, the current Trustee. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged by Principal for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Principal. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Amounts invested under the contract are part of the assets of Principal. The underlying assets allocated by the Trustee to the Guaranteed Investment Contracts are invested primarily in investment grade corporate bonds and insurance policy loans.

Note 6 Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the prototype document being used by the Plan and Trust was designed in accordance with provisions of the IRC. The Plan has not yet filed for its own determination letter from the IRS. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes due from the Plan has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. In the event the Plan is subject to interest and/or penalties, interest would be included with interest expense, and penalties would be included as a component of administrative expenses. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is open and subject to income tax examinations for years prior to 2022.

Note 7 Plan Termination

Although the Sponsor has not expressed any intent to do so, it may terminate the Plan upon notice in writing to the Trustees or it may discontinue its contributions to the Plan. In the event of termination, the Plan provides that the amounts in each participant's account will be fully vested and distributed in accordance with the provisions of the Plan and in compliance with all applicable regulations.

Note 8 Related-Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds, variable annuities and insurance contracts managed by Principal and Empower. Principal and Empower are the Trustees and the recordkeepers, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2025 and 2024, no fees were incurred in connection to the Trustees. Participant loans are party-in-interest transactions.

Note 9 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 Subsequent Events

Subsequent events have been evaluated through October 8, 2026, which is the date the financial statements were available to be issued.
