INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
MATSON LUMBER COMPANY
401(k) PROFIT SHARING PLAN
Brookville, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Matson Lumber Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Matson Lumber Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Matson Lumber Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Matson Lumber Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Matson Lumber Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Matson Lumber Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and

was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MATSON LUMBER COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

NOTE A. DESCRIPTION OF THE PLAN

The following description of the Matson Lumber Company 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor 401(k) profit sharing plan covering all employees of Matson Lumber Company and Matson Industries, Inc. (collectively, the Company) who have at least one year of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The administrative committee oversees governance of the Plan. The Plan's investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's administrative committee.

Contributions

The Plan is funded through employer contributions and both pre-tax and Roth employee payroll deductions. Each year participants can elect to defer a percentage of their annual compensation to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The participant can also elect to defer up to 100% of any bonuses paid to them during the year. The total amount a participant may defer in any tax year is limited to a maximum dollar amount as determined annually by the Internal Revenue Service.

In addition, the Company will make a matching contribution for all eligible participants. This matching contribution will be equal to 100% of the participant's salary deferrals that do not exceed 3% of compensation plus 50% of all deferrals between 3% and 5% of compensation. The Company may also make a discretionary profit sharing contribution each year for participants employed on the last day of the plan year. There was no profit sharing contribution in 2025.

Effective October 31, 2023, the Plan allows for In-Plan Roth conversions where participants can be converted from a pre-tax basis to a Roth tax basis. The participant will be taxed on the amount converted in the year the conversion is made.

NOTE A. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's respective deferral and allocations of the Company's basic match contribution, profit sharing contribution, and plan earnings. Participant accounts are charged with an allocation of certain investment and administrative expenses that are paid by the Plan. Participants are able to direct the investment of their contributions to the Plan based on investment choices made available to them. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. In addition, their accounts are credited with the change in cash surrender value of the participants' individual life insurance policies less annual renewal fees for the policies held within the Plan.

Vesting

Participants are immediately 100% vested in amounts attributable to salary deferrals and basic Company match contribution. A participant is 100% vested in their discretionary profit sharing contribution after six years of credited service.

Payment of Benefits

Upon termination of service, if a participant's vested benefit in the Plan does not exceed $5,000, the participant's benefit will be distributed in a single lump sum payment. If the vested benefit in the Plan exceeds $5,000, then the participant must consent to the distribution before it may be made. The participant may elect to receive a distribution in either a single lump sum payment in cash or installments over a period of not more than an assumed life expectancy (or the assumed life expectancies of the participant and his or her beneficiary). Effective April 30, 2024, if a participant makes no election, the amount will be automatically rolled over to an IRA provided the amount is at least $75.

Forfeitures

The non-vested portion of a terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures may be used by the Plan for several purposes such as the payment of Plan expenses. Any remaining forfeitures will be allocated in the same proportion that each participant's compensation bears to the total compensation of all participants. At December 31, 2025 and 2024, forfeited and non-vested accounts totaled $3,438 and $448, respectively.

There were no forfeitures used to offset administrative expenses or employer contributions in 2025.

NOTE A. DESCRIPTION OF THE PLAN (CONTINUED)

Hardship Withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Effective January 1, 2020, the Plan was amended to implement hardship distribution provisions of the Bipartisan Budget Act of 2018 and no longer requires elective deferrals to be suspended following a hardship withdrawal.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Investments in life insurance contracts are valued at estimated cash surrender value as provided by the insurance carrier.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Reclassification

Amounts in the prior period's financial statements are reclassified wherever necessary to conform to current period presentations.

Date of Management's Review

Management has evaluated subsequent events through the date of the report, which is when the financial statements were available to be issued.

NOTE C. CERTIFICATION OF FINANCIAL INFORMATION

Charles Schwab Trust Bank, the trustee of the Plan through April 30, 2025, and Mid Atlantic Trust Company, the custodian of the Plan beginning May 1, 2025, have certified that the investment information related to cash, mutual funds, and common collective trust summarized in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, is complete and accurate.

NOTE D. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The administrative committee, in conjunction with the Plan's investment advisor, determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority.

NOTE D. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Mutual funds are public investment vehicles values using the NAV provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market and are classified within Level 1 of the fair value hierarchy.

The cash surrender value of life insurance contracts with an insurance company is not actively traded and significant other observable inputs are not available. Thus, the fair value of the cash surrender value of life insurance contracts is the cash value of the policy that is redeemable if cancelled prior to maturity as determined by the insurance company and is classified within Level 3 of the fair value hierarchy.

The fair value of the stable value collective trust fund is measured at the NAV of each account on the last day of the plan year. The NAV is based on the market value of the underlying assets.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025	Level 1	Level 3	Fair Value
Equity Funds	$ 7,098,437	$ - - -	$ 7,098,437
Bond Funds	1,641,260	- - -	1,641,260
Cash Surrender Value of Life Insurance Contracts	- - -	8,100	8,100
Total Assets in the Fair Value Hierarchy	8,739,697	8,100	8,747,797
Investments Measured at NAV (1)	507,829	- - -	507,829
Total Investments at Fair Value	$ 9,247,526	$ 8,100	$ 9,255,626

December 31, 2024	Level 1	Level 3	Fair Value
Equity Funds	$ 6,132,495	$ - - -	$ 6,132,495
Bond Funds	1,649,050	- - -	1,649,050
International Funds	436,232	- - -	436,232
Other Funds	252,682	- - -	252,682
Cash Surrender Value of Life Insurance Contracts	- - -	10,951	10,951
Total Assets in the Fair Value Hierarchy	8,470,459	10,951	8,481,410
Investments Measured at NAV (1)	538,070	- - -	538,070
Total Investments at Fair Value	$ 9,008,529	$ 10,951	$ 9,019,480

NOTE D. FAIR VALUE MEASUREMENTS (CONTINUED)

(1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following table reconciles the beginning and ending balances of the Plan's Level 3 assets for the years ended December 31, 2025 and 2024:

	December 31, 2025	December 31, 2024
Beginning balance	$ 10,951	$ 14,650
Net appreciation (depreciation) in cash surrender value of life insurance contracts	(241)	2,715
Surrendered cash value	(2,610)	(6,414)
Ending balance	$ 8,100	$ 10,951

The following table presents quantitative information about significant unobservable inputs used in Level 3 assets measured at fair value:

	Predominant Valuation Method	Significant Unobservable Input	Range of Values - Unobservable Inputs	Impact of Increase in Input on Fair Value
December 31, 2025				
Cash Surrender Value of Life Insurance	Discounted Cash Flows	Table 2001 Government Rate Hartford Annual Renewable Term (ART) Rate	N/A Participant's Life Expectancy	Increase Decrease
December 31, 2024				
Cash Surrender Value of Life Insurance	Discounted Cash Flows	Table 2001 Government Rate Hartford Annual Renewable Term (ART) Rate	N/A Participant's Life Expectancy	Increase Decrease

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers into or out of Level 3.

NOTE E. INVESTMENTS MEASURED AT NAV

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025, and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE E. INVESTMENTS MEASURED AT NAV (CONTINUED)

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
December 31, 2025				
Stable Value Collective Trust Fund	$507,829	N/A	Daily	None
December 31, 2024				
Stable Value Collective Trust Fund	$538,070	N/A	Daily	None

NOTE F. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The plan sponsor, Matson Lumber Company, provides the Plan with certain accounting and administrative services for which no fees are charged. In addition, the Plan has a money market fund with Charles Schwab Trust Bank, the trustee, as defined by the Plan. Fees paid by the Plan for investment and administrative services amounted to $57,238.

Members of the management team are currently participants in the Plan and one member serves as the plan administrator. In addition, Matson Lumber Company directly pays certain administrative expenses for the Plan.

All of these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

NOTE G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE H. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

NOTE H. TAX STATUS (CONTINUED)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE J. LIFE INSURANCE POLICIES

In prior years, the Plan purchased whole life, flexible premium insurance policies as investment options for the benefit of certain individual participants. All premiums were paid from the appropriate participant's 401(k) account. All of the insurance policies were purchased through a related party and qualify as party-in-interest transactions. The Plan no longer provides for participants to purchase life insurance policies.
