INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Eagle Painting & Drywall, Inc. 401(k) Profit Sharing Plan
North Highlands, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Eagle Painting & Drywall, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audits). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

DRAFT

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DRAFT

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

A. Description of the Plan

The following description of the Eagle Painting & Drywall, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established effective January 1, 2019. The Plan is sponsored by Eagle Painting & Drywall, Inc. (the Company) and has been adopted by its affiliates Eagle Lath & Plaster, Inc., Eagle Masonry and Stone, Inc. and Eagle Companies, Inc. The Plan covers employees of the Company and its participating affiliates who have attained age 21 and completed one year of service of at least 1,000 hours, other than employees covered by a collective bargaining agreement and nonresident aliens. Eligible employees enter the Plan on the following January 1 or July 1. Long-term part-time employees who meet the service requirements of the Internal Revenue Code (IRC) may make elective deferrals only. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan restatement and change in service providers - Through October 16, 2025, the Plan was maintained on a pre-approved plan document sponsored by Siegel Actuarial Consulting, Inc., the third-party administrator, with Capital Bank and Trust Company (CB&T) as trustee and Capital Group (American Funds) as recordkeeper. Effective October 17, 2025, the Plan was amended and restated on a pre-approved plan document sponsored by Empower Retirement, LLC; Empower Trust Company, LLC became trustee and Empower Annuity Insurance Company of America (EAICA) became recordkeeper. Plan assets of $2,215,242 were transferred to the successor trustee on that date and reinvested in the investment options offered under the Plan's group annuity contract.

Contributions - Participants may elect to defer a portion of eligible compensation on a pre-tax or Roth basis, subject to the limits of the IRC ($23,500 for 2025); participants who have attained age 50 may make catch-up contributions, and rollovers from other qualified plans are accepted. The Company may make discretionary matching and discretionary profit sharing contributions. For 2025, the Company elected a matching contribution of $108,870, allocated to participants employed on the last day of the Plan year in proportion to elective deferrals not exceeding 4% of compensation. No profit sharing contribution was made for 2025.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of Company contributions and Plan earnings, and is charged with withdrawals and administrative expenses. Participants direct the investment of their accounts among the options offered by the Plan. The benefit to which a participant is entitled is the vested balance of the account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Company contributions vest at 20% per year of service, with full vesting after five years of service or upon death, disability or attainment of normal retirement age while employed. Normal retirement age is 62 under the restated Plan and was 65 through October 16, 2025.

Payment of benefits - On termination of service due to death, disability, retirement or other reasons, a participant or beneficiary receives the vested interest in the participant's account in a lump sum. Participants may also withdraw from their accounts upon attaining age 59 1/2 or upon financial hardship, as defined by the Plan. The Plan does not permit participant loans. Through October 16, 2025, vested balances of $1,000 or less were distributed following termination without the participant's consent; effective October 17, 2025, the limit is $7,000 and such distributions exceeding $1,000 are rolled over to an individual retirement account unless the participant elects otherwise.

Forfeitures - Nonvested balances of terminated participants are forfeited and are used to reduce Company contributions or to pay Plan expenses. Forfeited nonvested accounts totaled $8,870 and $6,820 at December 31, 2025 and 2024, respectively, and were applied to reduce the Company matching contribution for each year.

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP), as set forth in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, Plan Accounting - Defined Contribution Pension Plans.

Use of estimates - The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities (ASC 275-10). Actual results could differ from those estimates.

B. Summary of Significant Accounting Policies

Investment valuation and income recognition - Investments are reported at fair value, as defined in ASC 820, Fair Value Measurement, except for the fully benefit-responsive investment contract, which is reported at contract value in accordance with ASC 962-325 (Notes C and D). Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

Contributions - Participant contributions are recorded in the period in which the Company makes the related payroll deductions. Company contributions are recorded in the Plan year to which they relate, in accordance with ASC 962-310, and are presented net of forfeitures applied.

Excess contributions payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRC, and for deferrals withheld before a participant was eligible, are recorded as a liability with a corresponding reduction to participant contributions (Note G).

Payment of benefits - Benefit payments to participants are recorded when paid.

Administrative expenses - Recordkeeping and transaction fees charged to participant accounts are recorded as incurred. Other expenses of administering the Plan are paid by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and uncertainties - The Plan's investments are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits (ASC 275-10). At December 31, 2025, all of the Plan's investments are held under a group annuity contract and pooled separate accounts issued by affiliated Empower insurance companies.

C. Fair Value Measurements

ASC 820 establishes a framework for measuring fair value and a hierarchy that prioritizes the inputs to valuation techniques. Level 1 inputs are unadjusted quoted prices in active markets for identical assets. Level 2 inputs are observable inputs other than Level 1 prices, such as quoted prices for similar assets or inputs corroborated by observable market data. Level 3 inputs are unobservable and significant to the fair value measurement. An asset's level within the hierarchy is based on the lowest level of input that is significant to the measurement. The following valuation methodologies were used; the change in asset classes between years results from the change in investment options described in Note A.

Mutual funds (2024) - Valued at the daily closing net asset value (NAV) reported by the fund. The funds are open-end mutual funds registered with the Securities and Exchange Commission, are required to publish their daily NAV and to transact at that price, and are deemed to be actively traded.

Pooled separate accounts (2025) - Valued at the unit value determined daily by the issuing insurance company, based on the fair value of the underlying investments of each separate account less contract charges. Unit values are not quoted in an active market but are derived from observable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value. The Plan's investment contract with EAICA is reported at contract value and is excluded from the table (Note D).

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Pooled separate accounts	$ 0	$2,122,043	$ 0	$2,122,043
December 31, 2024				
Mutual funds	$1,765,298	$ 0	$ 0	$1,765,298

D. Investment Contract with Insurance Company

The Plan holds a fully benefit-responsive investment contract, the Empower Fixed Account - Series Class I, under group annuity contract 533116-01 issued by EAICA. EAICA maintains the contributions in its general account. The account is credited with interest at a rate declared by EAICA and reset quarterly (1.45% at December 31, 2025) and is charged for participant withdrawals and administrative expenses. In accordance with ASC 962-325, the contract is reported at contract value, which represents contributions plus credited interest less withdrawals and expenses and is the amount participants would receive if they initiated permitted transactions under the terms of the Plan. Contract value was $11,354 at December 31, 2025, of which $8,870 is held in the Plan's forfeiture account.

The contract includes a provision that prevents immediate and full payment at contract value for certain Plan-initiated transactions, such as termination of the Plan or of the contract. The Plan administrator believes that the occurrence of events that would limit the Plan's ability to transact at contract value with participants is not probable.

E. Information Certified by the Qualified Institutions

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following institutions have certified that the investment information described below is complete and accurate: CB&T, the trustee through October 16, 2025, as of December 31, 2024 and for the period January 1, 2025 through October 16, 2025; and Empower Trust Company, LLC, the trustee, together with EAICA and Empower Annuity Insurance Company (EAIC), the issuers of the Plan's group annuity contract and pooled separate accounts (collectively, Empower), as of December 31, 2025 and for the period October 17, 2025 through December 31, 2025.

The following investment information included in the accompanying financial statements and supplemental schedule was obtained or derived from the information certified by CB&T and Empower:

	2025	2024
Investments, at fair value	$2,122,043	$1,765,298
Investment contract with insurance company, at contract value	11,354	0
Net appreciation in fair value of investments	290,058	
Interest and dividends	19,897	

F. Tax Status

The Plan is maintained on a pre-approved plan document. The Internal Revenue Service (IRS) issued opinion letters dated June 30, 2020 to the sponsors of the pre-approved documents used by the Plan during 2025, stating that the form of each document is acceptable under Section 401(a) of the IRC. The Plan administrator believes that, except for the operational matters described below, the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust are tax-exempt. Accordingly, no provision for income taxes is included in the financial statements.

ASC 740-10 requires the Plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan administrator has concluded that, as of December 31, 2025, there are no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine examination by taxing jurisdictions; no examinations are currently in progress.

The Plan administrator has identified instances in which the Plan was not operated in accordance with its terms, principally relating to the determination of eligibility and entry dates, the application of participant deferral elections and the processing of certain distributions. The Plan administrator intends to correct these matters under the IRS Employee Plans Compliance Resolution System and believes that they will not affect the tax-qualified status of the Plan.

G. Excess Contributions Payable

The Plan did not satisfy the actual deferral percentage and actual contribution percentage tests of the IRC for 2025 and 2024. Excess contributions payable of $14,801 at December 31, 2025 consist of excess elective deferrals of $3,273, excess matching contributions of $10,078 and $1,450 of deferrals withheld before the participants were eligible; related nonvested matching contributions of $2,096 are forfeited. Excess contributions payable of $14,172 at December 31, 2024 were distributed in March 2025. The 2025 excess contributions were distributed in April 2026, after the correction period of two and one-half months following the Plan year end; the resulting excise tax of $1,545 is an obligation of the Company and is not reflected in these financial statements. Income allocable to the excess contributions is distributed with the refunds and is recorded when paid.

H. Party-in-Interest and Related-Party Transactions

Parties in interest, as defined by ERISA, include the Company, fiduciaries of the Plan and persons who provide services to the Plan; related-party transactions are disclosed in accordance with ASC 850-10. Through October 16, 2025, the Plan's investments were shares of mutual funds managed by Capital Group, an affiliate of CB&T, the trustee. From October 17, 2025, the Plan's investments are pooled separate accounts and a general account contract issued by EAIC and EAICA, affiliates of Empower Trust Company, LLC, the trustee. These investments and the related transactions qualify as exempt party-in-interest transactions.

Fees paid by the Plan to its recordkeepers and third-party administrator totaled $1,718 for 2025. Investment advisory fees of $137 paid in 2025 to Envestnet Retirement Solutions, LLC, the Plan's investment manager, were funded by revenue-sharing credits. Fees of $8,445 for 2025 for trustee, recordkeeping and plan administration services were paid by the Company and are not reflected in these financial statements. Certain administrative functions are performed by employees of the Company, who receive no compensation from the Plan.

I. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

J. Reconciliation of Financial Statements to Form 5500

The following reconciles net assets available for benefits and the net increase in net assets available for benefits per the financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$2,218,596	$1,851,126
Employer contributions receivable not reported on Form 5500	(100,000)	0

Net income per Form 5500	$ 268,099

J. Reconciliation of Financial Statements to Form 5500 - continued

The following reconciles contributions and benefits paid per the financial statements to the Form 5500. The Form 5500 reports the forfeitures of $6,820 applied to the 2024 Company contribution as employer contributions, with an offsetting reduction of other income.

	2025
Employer contributions per the financial statements	$ 100,000
Employer contributions receivable at December 31, 2025 not reported on Form 5500	(100,000)
Forfeitures applied to the 2024 employer contribution, reported as employer contributions on Form 5500	6,820
Employer contributions per Form 5500	$ 6,820
Participant contributions per the financial statements	$ 226,176
Excess contributions payable at December 31, 2025 not reported on Form 5500	14,801
Participant contributions per Form 5500	$ 240,977
Benefits paid to participants per the financial statements	$ 266,943
Excess contributions payable at December 31, 2024, paid in 2025	14,172
Benefit payments per Form 5500	$ 281,115

K. Subsequent Events

The Plan administrator has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued. In April 2026, the Company remitted the employer contribution receivable of $100,000. No other events requiring recognition or disclosure were identified.
