Report of Independent Auditors

To the Administrator and Participants of
Pregis LLC Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pregis LLC Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)
In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Pregis LLC Retirement and Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements of Pregis LLC Retirement and Savings Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are recorded when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits - Distributions to participants are recorded when paid. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2025 or 2024.

Expenses - The Plan allows certain administrative expenses to be paid from Plan assets, unless otherwise paid by Pregis LLC (the Company). Expenses that are paid by the Company are excluded from these financial statements. The Plan does not reimburse for these expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Certain investment related expenses are included in net appreciation in fair value of investments.

Note 1. Summary of Significant Accounting Policies (continued)

Administrative Fee Reimbursements - The Plan receives an administrative fee reimbursement from Fidelity Management Trust Company on a quarterly basis. The amount reimbursed is the excess of the quarterly recordkeeping revenue earned by Fidelity Management Trust Company over the quarterly recordkeeping fee due from the Plan. The Plan charges participants a quarterly fee of 14 basis points on their account balance. The administrative fee reimbursements and the fees charged to participants are deposited into an unallocated account held by the Trustee of the Plan, which is available to be used to pay Plan expenses. During the years ended December 31, 2025 and 2024, a total of $207,584 and $212,094 respectively, was used to pay administrative expenses. Included in net assets available for benefits are unallocated accounts totaling $173,838 and $199,832 at December 31, 2025 and 2024, respectively. A total of $233,573 and $209,466 in revenue credits were allocated back to participants for the years ended December 31, 2025 and 2024, respectively. Additionally, during the year ended December 31, 2025, a total of $150,000 was allocated to participants from unallocated accounts. No such amounts were allocated to participant accounts during the year ended December 31, 2024.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 29, 2026, which is the date the financial statements were available to be issued.

Note 2. Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the summary plan description for more information.

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation. Pregis LLC (the Company) is the sponsor of the Plan and established the Plan in October 2005 for the benefit of its U.S.-based salaried employees. Fidelity Management Trust Company is the Trustee of the Plan's assets. Fidelity Workplace Services, LLC is the recordkeeper for the Plan.

Employees become eligible to participate in the Plan with respect to employee deferrals and employer matching contributions immediately after two months of service with the Company. Employees become eligible to receive the Company's annual profit sharing contribution, if applicable, on the first day of the month after they attain one year of service, comprising at least 1,000 hours. Employees must also be employed on the last day of the year in order to receive a profit sharing contribution for that year.

Note 2. Description of the Plan (continued)

Participants may contribute from 1% to 75% of pre-tax eligible compensation (salary reduction contributions), as defined by the Plan. Eligible participants may also make Roth contributions to the Plan. All contributions to the Plan are subject to an annual limit as set forth by the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified retirement plans. Generally, participants who are at least age 50 were eligible to make catch-up contributions limited to $7,500 in 2025 and 2024. Effective January 1, 2025, participants who are age 60 to 63 were eligible to make catch-up contributions of up to $11,250. Newly hired employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are automatically enrolled at a deferral rate of 3% of compensation. This deferral percentage will increase 1% annually in successive years to a maximum of 10% of compensation. Participants can stop or change automatic enrollment and deferral rate increases (auto-escalation) at any time by submitting an affirmative election to the Plan Trustee.

The Company matches 100% of the first 1% of eligible compensation contributed by the participant, then 50% of the next 5% of eligible compensation contributed by the participant.

The terms of the Plan also permit the Company to make a discretionary Company profit sharing contribution to the Plan, contingent on the Company achieving certain annual earnings before interest, taxes, depreciation and amortization (EBITDA) performance objectives, as defined by the Plan, ranging from zero if EBITDA targets are not achieved, to 2% of eligible compensation if EBITDA targets are achieved at 100%, up to a maximum of 4% of eligible compensation if EBITDA is achieved at 110% or more of target. For the years ended December 31, 2025 and 2024, the Company did not make any profit sharing contributions.

Upon enrollment in the Plan, participants may direct contributions to any combination of investment options offered by the Plan. In the absence of participant direction, contributions are invested in a default target date fund. In addition, participants have the right to change their investment elections with respect to future contributions and transfer existing account balances between the various investment options at any time. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the participant's salary reduction contribution, the Company's matching contributions, the Company's profit sharing contributions, if any, and earnings or losses thereon, net of administrative expenses. Individual accounts are charged with an allocation of any administrative expenses paid by the Plan in excess of administrative fee reimbursements and quarterly fees charged to participants. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Note 2. Description of the Plan (continued)

Participants are immediately vested in their salary reduction contributions, the Company's matching contributions, and earnings thereon. Participants become vested in Company profit sharing contributions, if any, based on the participant's years of service as follows:

Years of Service	Vested Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Upon attainment of age 65, attainment of age 55 and completion of five years of service, or termination of employment with the Company due to death or total disability, participants become 100% vested in their entire account balance.

Forfeited non-vested account balances can be used to reduce future Company matching contributions or to pay Plan administrative expenses. For the years ended December 31, 2025 and 2024, the Plan used $2,619 and $4,035 respectively, in forfeitures to reduce Company matching contributions. For the year ended December 31, 2025, forfeitures were also used to pay administrative expenses of $1,624. There were no forfeitures used to pay administrative expenses during the year ended December 31, 2024. Included in net assets available for benefits are forfeited non-vested accounts totaling $6 and $12 at December 31, 2025 and 2024, respectively.

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined by the Plan. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment. Upon termination of employment or retirement, if a participant has a vested account balance greater than $1,000 but less than or equal to $7,000, the Company may roll it over in a lump-sum distribution to an Individual Retirement Account selected by the Company, unless the participant elects otherwise. In-service withdrawals are allowed for participants on all vested amounts upon attaining age 59½. Participants may also elect to take hardship withdrawals from their vested contributions upon demonstrating immediate and heavy financial need, as allowed under federal rules.

Active participants may obtain a loan with a repayment period of no longer than five years. Participants may have only one loan outstanding at any time and may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 minus the highest outstanding loan balance during the previous 12 months, or 50% of their vested account balance. The interest rate on loan balances as of December 31, 2025 and 2024 ranged from 4.25% to 10.50%. Principal and interest are generally repaid ratably through payroll deductions.

Note 3. Priorities upon Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 4. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (continued)

		Fair Value Measurements at 12/31/25 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 204,126,987	$ 204,126,987	$ -	$ -
Investments measured at net asset value:				
Common collective trust	6,831,407			
Total	$ 210,958,394			

		Fair Value Measurements at 12/31/24 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 174,914,125	$ 174,914,125	$ -	$ -
Investments measured at net asset value:				
Common collective trust	5,711,974			
Total	$ 180,626,099			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trust is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a daily basis without notice.

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 6. Information Prepared and Certified by Trustee

The following information as of December 31, 2025 and 2024, and for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

	2025	2024
Investments - at fair value		
Mutual funds	$ 204,126,987	$ 174,914,125
Common collective trust	$ 6,831,407	$ 5,711,974
Notes receivable from participants	$ 4,921,599	$ 4,444,767
Investment income		
Net appreciation in fair value of investments	$ 23,514,153	$ 17,466,269
Interest and dividends	$ 9,841,150	$ 5,281,497
Interest on notes receivable from participants	$ 446,764	$ 373,669

Note 7. Party-in-Interest Transactions

Certain Plan investments are managed by affiliates of Fidelity Management Trust Company, who serve as the Plan's Trustee and recordkeeper. Fees incurred by the Plan for the investment manager services are paid through revenue sharing, rather than a direct payment. Fidelity Management Trust Company also provides certain administrative services to the Plan pursuant to a service agreement. Administrative services are primarily paid through an administrative fee charged to participants.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balance. The Company is also a party-in-interest to the Plan.

These transactions are considered to be exempt party-in-interest transactions under ERISA.

Note 7. Party-in-Interest Transactions (continued)

A receivable was recorded in the accompanying financial statements as of December 31, 2024, for certain administrative fees inadvertently paid from Plan assets on behalf of the Company. During the year ended December 31, 2025, the Company reimbursed the Plan for these payments. The Plan sponsor and the Plan's legal counsel believe that there was no effect on the Plan's financial or tax status as a result of the transactions and subsequent correction.

Note 8. Tax Status

The Plan Administrator adopted a prototype plan created by Fidelity Management Trust Company. The Plan is not required to receive a determination letter directly from the Internal Revenue Service. However, the prototype plan has received a determination letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan determination letter has been relied upon by the Plan. The Plan Administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Reconciliation of Financial Statements to Form 5500

The financial statements have been prepared using the accrual basis of accounting, while the Plan's Form 5500 has been prepared on the modified cash basis of accounting. Furthermore, administrative expenses are reported net of revenue credits on the Plan's Form 5500. The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 216,150,264	$ 185,095,267
Less - employer contributions receivable	$ (270,271)	-
Less - due from Pregis LLC	-	(24,401)
Net assets available for benefits per Form 5500	$ 215,879,993	$ 185,070,866

Note 9. Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of employer contributions and administrative expenses per the financial statements to the Form 5500 for the year ended December 31, 2025:

Employer contributions per the financial statements	$ 6,496,744
Less - employer contributions receivable as of December 31, 2025	(270,271)
Employer contributions per Form 5500	$ 6,226,473
Administrative expenses per the financial statements	$ 545,476
Less - revenue credits netted with administrative expenses	(261,870)
Less - reimbursement of amounts due from Pregis	(24,401)
Administrative expenses per Form 5500	$ 259,205

Report of Independent Auditors on Supplemental Schedule Required by ERISA

To the Participants and Administrator of
Pregis LLC Retirement and Savings Plan

We have audited the financial statements of Pregis LLC Retirement and Savings Plan (the Plan) as of and for the years ended December 31, 2025 and 2024, and our report thereon dated September 29, 2026, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audits were conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
