Independent Auditors' Report

To the Retirement Committee of
Northeast Health Services, LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Northeast Health Services, LLC Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Northeast Health Services, LLC Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Health Services, LLC Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northeast Health Services, LLC Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Cont.)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Health Services, LLC Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements referred to above, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year, Schedule H, Line 4i) and schedule of delinquent participant contributions (Schedule H, Line 4a) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to, or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

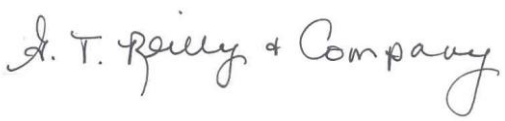

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Cont.)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Northeast Health Services, LLC Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for and audit opinion and accordingly, we did not express and opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021

Note 1 – Description of Plan

The following description of the Northeast Health Services, LLC 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information only. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

General – The Plan, established on January 1, 2002, is a defined contribution plan sponsored by Northeast Health Services, LLC (the "Company"). In October of 2020 there was a change in the ownership of the plan sponsor. The Company is also the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The owners of the Company oversee governance of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

CARES Act – On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security ("CARES") Act" was signed into law. The CARES Act, among other things, includes several relief provisions available for qualified retirement plans and their participants. Plan management evaluated the relief provision available to plan participants under the CARES Act and has enacted certain provisions as detailed in the payment of benefits, in-service withdrawals, and notes receivable from participant sections below.

Eligibility – All employees of the Company who have attained age 21 are eligible to participate in the Plan.

Participant Contributions – Participants, at their option, can contribute up to 90% of their eligible compensation on a pre-tax basis, not to exceed the IRS annual limit. Participants age 50 and over may voluntarily contribute additional catch-up contributions subject to IRS limits. Such contributions are not subject to federal income taxes until withdrawn from the Plan, in accordance with Section 401(a) of the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified pension plans (rollover contributions).

Company Contributions – Effective March 1, 2020, the Plan was amended eliminating employer contributions. Prior to the amendment the Company, at its option, could make annual discretionary contributions to the Plan for all employees. Subsequent to December 31, 2021, the Plan was amended reinstating employer matching and profit-sharing contributions.

Vesting – Participants are fully vested in their voluntary contributions plus related earnings.

If a participant's employment terminates due to death, disability or retirement, the participant's employer contribution account becomes 100% vested.

Participant Accounts – Each participant's account is credited with the participant's contribution and plan earnings/losses (based on participant's investment election and account balance) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transaction, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account balance.

Investment Options – All assets of the Plan are participant directed. Participants have the option of directing the investment of their contributions into various mutual funds offered by the Plan. See Note 4 for fair value measurements.

Payment of Benefits – Plan benefits are available at normal retirement age (age 65), deferred retirement, disability retirement, death, or termination of employment. Early retirement is not permitted. A participant may receive the vested portion of their account as a lump-sum payment, substantial equal installment payments, or partial payments.

Note 1 – Description of Plan (Cont.)

The Plan enacted a provision of the "CARES" Act, which the processing of minimum required distributions was suspended for 2020, except upon participant request and in cases where a participant's first minimum required distribution was for 2019 and was deferred until 2020.

In-Service Withdrawals – The Plan allows for in-service withdrawals from the vested portion of a participant's account upon the participant's attainment of age 59½.

Hardship withdrawals are permitted if the withdrawal is due to immediate financial need, as defined by the Plan. The amount of the hardship withdrawal is subjected to certain limitations as specified in the Plan and the IRC. The minimum hardship distribution is $500.

The Plan enacted a provision of the "CARES" Act, which allowed eligible participants to receive a special "CARES Act distribution" of up to $100,000 during 2020, if they experienced adverse financial consequences from COVID-19. The CARES Act distributions are not subject to the 10% early withdrawal penalty that otherwise would apply to distributions made before attaining age 59½. Additionally, participants receiving these distributions may repay the distribution during the three-year period beginning on the day after the date such distribution was received.

Notes Receivable from Participants – Participants may borrow an amount from their account, subject to certain conditions defined by the Plan document, not to exceed the lesser of (a) 50% of the participants' vested account balance, or (b) $50,000, reduced by the excess, if any, of the highest outstanding loan balance in the preceding twelve-month period. The minimum loan amount is $500. Each borrowing is evidenced by a note bearing interest at a reasonable rate as determined by the plan administrator, and must be repayable over a period not to exceed five years, except that (a) loans used to obtain a principal residence may be repaid over a longer term, and (b) a loan may be prepaid in a lump sum (including accrued interest). Principal and interest payments are credited to the borrowing participant's account. Principal and interest are paid in level amortization payments made not less frequently than quarterly through payroll deductions. The notes are secured by the vested balance in the participant's account. Loans will become due and payable in full upon the participant's death, retirement, or other termination of employment with the Company.

The Plan enacted a provision of the "CARES" Act, whereby participants could request a delay of scheduled note repayments between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note repayment period can be extended up to one-year, and upon repayment resuming the note will be re-amortized to include interest accrued and unpaid during the deferment period and to reflect the revised maturity date.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting, except that benefit payments are recorded upon distribution.

Fair Value Measurements – The Plan follows the provisions of the Financial Accounting Standard Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures" (ASC Topic 820), for assets and liabilities that are measured and recorded at fair value on a recurring basis, and to determine fair value disclosures. This standard defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements (see Note 4).

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and the changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2 – Summary of Significant Accounting Policies (Cont.)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses when incurred. If a participant does not make loan repayments for a period of 90 days, and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Therefore, no allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Investment Valuation and Income Recognition – The Plan's assets are invested in mutual funds which are stated at fair value with investment appreciation or depreciation reflected in the statement of changes in net assets available for benefits (see Note 4). The owners of the Company determine the Plan's valuation policies.

Net investment appreciation or depreciation reflected in the statement of changes in net assets available for benefits, includes realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year all of which relate to mutual funds.

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefit payments are recorded upon distribution to participants or beneficiaries.

Plan Expenses – Certain expenses of maintaining the Plan are paid by the Company and, therefore, are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense, while expenses for items such as recordkeeping fees are allocated to participant accounts. Investment related fees are included in the net appreciation/depreciation of the fair value of investments.

Excess Contributions – Required payments to be made to active participants to return excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan are recorded as liabilities in the year the contribution is received.

Evaluation of Subsequent Events – Management has evaluated subsequent events involving the Plan for potential recognition or disclosure in the accompanying financial statements. Subsequent events are events or transactions that occurred after December 31, 2021 up through August 31, 2026, the date the accompanying financial statements were available to be issued.

Note 3 –Certified Investment Information

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held at December 31, 2021 and 2020 and the net appreciation in the fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian, Reliance Trust Company.

Note 3 – Certified Investment Information (Cont.)

The following summarizes the certified investment information:

	December 31	
	2021	2020
Investments at fair value (Note 4):		
Shares of registered investment companies	**$ 4,857,638**	$ 4,662,261
Notes receivable from participants	**$ 59,795**	$ 95,734

	Year Ended December 31, 2021
Investment income:	
Interest and dividends	**$ 263,636**
Net appreciation in fair value of investments	**$ 364,488**
Interest income on notes receivable from participants	**$ 3,451**

Note 4 – Fair Value Measurements

FASB ASC 820, "Fair Value Measurement" provides a framework for measuring fair value. The framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels and are described as follows:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 inputs consist of observable inputs other than quoted prices for identical assets (i.e., Level 1 inputs).

Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments when Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 and Level 2 inputs were not available.

There are no Plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

The following is a schedule of Plan's assets at fair value, which are required to be reported by category within the fair value hierarchy:

	Level 1	Level 2	Level 3	Total
December 31, 2021				
Shares of registered investment companies:	**$ 4,857,638**	**$ -**	**$ -**	**$ 4,857,638**
December 31, 2020				
Shares of registered investment companies:	$ 4,662,261	$ -	$ -	$ 4,662,261

Note 4 – Fair Value Measurements (Cont.)

The following is a description of the valuation methodologies used for investments measured at fair value.

Shares of Registered Investment Companies (mutual funds) – Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a complete or partial plan termination, participants will become 100% vested in their accounts which will be distributed to participants in accordance with the Plan's provision.

Note 6 – Income Tax Status

The Plan Sponsor on March 1, 2020, adopted a pre-approved plan document, the Automatic Data Processing Defined Contribution Plan Non-Standardized 401(k) Profit Sharing Plan. The pre-approved plan document has received an opinion letter from the Internal Revenue Service (IRS) dated July 16, 2014, stating that the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved Plan Document, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes the Plan is qualified and the related trust is tax-exempt. Prior to March 1, 2020, the Company adopted a pre-approved plan document, Paychex, Inc. Prototype Defined Contribution Plan. The pre-approved plan document had received an opinion letter from the Internal Revenue Service (IRS) dated April 10, 2014, stating that the pre-approved plan document was in compliance with the applicable requirements of the IRC (see Note 9).

Note 7 – Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts, and these transactions are deemed to be party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 – Investment Risks and Uncertainties

The Plan provides for investment options in mutual funds which are exposed to various risks, such as interest rate, credit risk and overall market risk. Due to the level of risk associated with these investment securities, and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Note 9 – Delinquent Form 5500 Fillings and Uncertainties

The Plan is subject to the reporting and disclosure requirements of the Employee Retirement Income Security Act of 1974 (ERISA), including the requirement to file an annual return/report (Form 5500) with the U.S. Department of Labor ("DOL"), together with audited financial statements under ERISA Section 103(a)(3)(C).

Note 9 – Delinquent Form 5500 Fillings and Uncertainties (Cont.)

As of the date that these financial statements were available to be issued, the Form 5500 filings for the Plan years ended December 31, 2021, 2022, and 2023 have not been filed. The delays in the filings were due to delays in obtaining necessary information to complete the required audits of the Plan's financial statements, partially resulting from the sale of the sponsoring employer company and changes in personnel.

Management intends to submit delinquent Form 5500 filings to the DOL and the IRS in 2026, along with the related audited financial statements and independent auditors' reports.

The plan administer believes that the delinquent filings meet the criteria of the Delinquent Filer Voluntary Compliance Program (DFVCP) and is not anticipating any penalties being assessed to the Plan sponsor once the filings are processed. The plan administrator has engaged an ERISA attorney to assist with the filings under DFVCP. However, it cannot be certain at this time that the filings will qualify under DFVCP and accepted without consequences.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
