INDEPENDENT AUDITORS' REPORT

To the Plan Trustees and Members of the
Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

One Tampa City Center • 201 N. Franklin St., Suite 2200 • Tampa, Florida 33602 • 813-875-7774 fax 813-874-6785 • www.rgcocpa.com

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

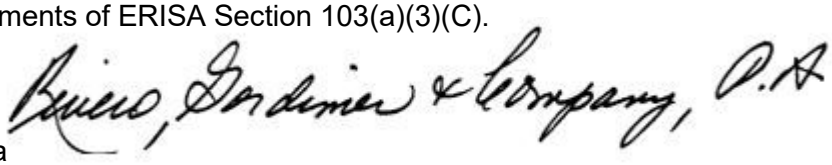

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A - DESCRIPTION OF PLAN

The following description of Resource Acquisition & Management 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering the employees of Resource Acquisition & Management Services, Inc. and Resource Partnering Group, Inc. (collectively referred to as the "Company") that have completed one year of service and are 18 years of age or older. The Company manages the operation and administration of the Plan. Officers and employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan became effective January 1, 2017.

2. Contributions

Participants are permitted to make elective deferral contributions of their compensation, subject to the limits of the Internal Revenue Code. Participants are also permitted to make Roth deferrals.

Employer matching and profit-sharing contributions are discretionary. Profit sharing contributions shall be allocated to each employee in proportion to their compensation as a percentage of the compensation of all eligible employees. To be eligible for employer matching contributions, a participant must be 18 years of age and have completed one year of service.

3. Participant Accounts

The participant accounts are participant directed investment options. The participants are allowed to change the percentage contributed to the Plan through payroll deductions at any time. Participants can also move individual accounts from one mutual fund to another or change how the funds are allocated among investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Each participant in the Plan has a separate account which is credited with the annual allocation of (a) the Company's contributions, (b) the employee's elective deferrals and (c) the Plan's earnings or losses. Allocations are based on the prorated earnings of the participant compared to the total earnings of all participants in the same investment.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts, plus actual earnings or losses thereon is based on years of service.

NOTE A - DESCRIPTION OF PLAN - Continued

A participant is vested in employer contributions as follows:

Years of Service	Employer Matching and Profit Sharing Contribution Vested Percentage
Less than 1	0%
1	33%
2	66%
3	100%

One hundred percent vesting occurs, regardless of the number of years of service, when a participant reaches normal retirement age (65), dies, becomes totally and permanently disabled, or upon termination of the Plan.

5. Payment of Benefits

A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments computed in various manners, upon termination of service due to death, disability, or retirement. A participant may receive the value of the vested interest in his or her account as a lump sum distribution for termination of service due to other reasons. A participant may receive a lump sum or partial distribution from his or her vested interest, with certain limitations and/or conditions, while still in service. Generally, these distributions are limited to hardship cases or participants who have reached a certain age. There were no participants who requested benefit payments who were not yet paid at December 31, 2025.

6. Forfeitures

The Plan began the year with $863 in forfeitures, incurred $1,800 in new forfeitures, and utilized $863 during the year ended December 31, 2025. At year-end, the Plan held $1,847 in forfeited non-vested accounts of matching contributions. Investment earnings and losses attributable to forfeited accounts are allocated to the forfeiture account and included in the ending forfeiture balance. Forfeited balances, if any, of terminated participants' non-vested matching contribution accounts may be used to reduce current or subsequent years' employer contributions or may be used to offset Plan expenses paid by the Sponsor.

NOTE A - DESCRIPTION OF PLAN - Continued

7. Notes Receivable from Participants

Participants may borrow from their plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 47.5% of their vested account balance. Loan proceeds are issued from the participant's pretax vested account balance and are treated as a transfer from the participant's investment account to a participant loan account. Loan terms generally may not exceed 4.5 years unless the purpose of the loan is for the purchase of a primary residence.

The loans are collateralized by the balance in the participants' vested account balances and bear interest at the prime rate (6.75% at December 31, 2025) plus 1%, as defined by the Plan with interest rates ranging 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions. Upon separation from service, the vested account payable to a participant with an outstanding loan is reduced by the unpaid loan balance. The Plan had notes receivable from participants of $52,851 and $68,510 as of December 31, 2025 and 2024, respectively.

8. Plan Termination

Although it has expressed no intention to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become 100% vested in their employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein as well as the related disclosures. Actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Concentration of Credit Risk

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

6. Benefit Payments

Benefits are recorded when paid.

7. Expenses

Certain administrative expenses of the Plan are paid by the Plan and are reflected in the Plan's financial statements. However, certain legal and other operating expenses of the Plan are paid by the Company and, therefore, are not included in the accompanying financial statements.

NOTE C - FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED)

The investments of the Plan were held and administered by American Trust Custody (the "Trustee") as of December 31, 2025 and 2024, and for the Plan year ended December 31, 2025. The Trustee has supplied the Plan administrator with certain information utilized in preparing the financial statements and supplemental schedule. The Plan administrator has obtained certifications from the Trustee certifying that the information provided by the Trustee is complete and accurate as of and for the year ended December 31, 2025.

NOTE C - FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED) - Continued

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected not to have this information audited by the Plan's independent certified public accountants.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by the Trustee:

	2025	2024
Investments, at fair value		
Mutual funds	$ 1,646,675	$ 1,409,432
Money market funds	$ 26,460	$ 24,946
Investment Income		
Dividend income	$ 61,183	
Net appreciation in fair value of investments	$ 156,726	
Interest income	$ 1,062	

The Trustee's certifications also cover all information presented in the accompanying supplemental schedule of assets (held at end of year).

NOTE D - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement), unadjusted quoted prices in active markets for similar assets or liabilities (level 2 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D - FAIR VALUE MEASUREMENT - Continued

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

Mutual funds: Valued at the daily closing price as reported by the fund. These funds publish their daily net asset value (NAV) and transact at that price. These funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at the daily closing price as reported by the fund. The fund publishes its daily net asset value (NAV) and transacts at that price. The money market fund held by the Plan is deemed to be actively traded.

The following table presents financial assets measured at fair value on a recurring basis as of :

2025	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	$ 1,646,675	$ 1,646,675	$ -	$ -
Money market fund	26,460	26,460	-	-
Total	$ 1,673,135	$ 1,673,135	$ -	$ -

2024	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	$ 1,409,432	$ 1,409,432	$ -	$ -
Money market fund	24,946	24,946	-	-
Total	$ 1,434,378	$ 1,434,378	$ -	$ -

NOTE E - TAX STATUS

Effective January 1, 2017, the Plan adopted the use of the Paychex Prototype Non-Standardized Profit Sharing Plan (“Prototype Plan”). The Prototype Plan has been amended since receiving the Internal Revenue Service determination letter. The Plan sponsor believes that the Prototype Plan continues to qualify and operate as designated. The Company believes that the Plan, as amended, qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws.

NOTE E - TAX STATUS - Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years since 2023 are subject to examination.

NOTE F - EXCESS CONTRIBUTIONS

In order to remain a qualified plan under Internal Revenue Service Regulations, the Plan must satisfy the 401(k) nondiscrimination requirements each year, which limit the percentage of compensation that can be contributed by highly compensated employees, as defined in the Internal Revenue Code, relative to the percentage of compensation contributed by non-highly compensated employees. The Plan has satisfied the requirements for 2025.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

The Plan paid the trustee $21,604 for recordkeeping services during the year ended December 31, 2025.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in Statement of Net Assets Available for Benefits.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to December 31, 2025 as of October 5, 2026, which is the date the financial statements were available to be issued.

To the Plan Trustees
Resource Acquisition & Management Services 401(k) Profit Sharing Plan & Trust,

We have audited the financial statements of Resource Acquisition & Management Services 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025, and we will issue our report thereon dated October 5, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mid Atlantic Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 5, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Resource Acquisition & Management Services 401(k) Profit Sharing Plan & Trust are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. However, there were no significant estimates included in the December 31, 2025 financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure(s) affecting the financial statements was:

The disclosure of the fair value of financial instruments held by the Plan in Note D to the financial statements is particularly sensitive as it informs the financial statement users about the different types of investments and the fair value methodology used for those investments in determining the Plan's net assets available for benefits.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We are pleased to report there were no uncorrected misstatements identified during our audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified no reportable findings in performing and completing our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 5, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Trustees and management of Resource Acquisition Management 401(k) Profit Sharing Plan & Trust and is not intended to be and should not be used by anyone other than these specified parties.
