INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Quotient Sciences - Philadelphia, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Quotient Sciences - Philadelphia, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Quotient Sciences - Philadelphia, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Quotient Sciences - Philadelphia, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quotient Sciences - Philadelphia, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quotient Sciences - Philadelphia, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quotient Sciences - Philadelphia, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Quotient Sciences - Philadelphia, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A) GENERAL

The Plan was established on May 1, 2017 by Quotient Sciences – Philadelphia, LLC (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code (the "Code"), as amended, which includes qualified cash or deferred arrangements as described in Section 401(k) of the Code, for the benefit of eligible employees of the Company. The Plan also covers employees of Quotient Sciences – Miami, Inc., an entity related through common ownership.

The Company serves as the plan administrator. Fidelity Management Trust Company, a qualified institution, serves as the Plan's record keeper and trustee (the "trustee" or "Fidelity") during the years ended December 31, 2025 and 2024. The trustee has the responsibility under the Plan for the management and control of the assets of the Plan.

Eligible employees of the Company and its related entity are those who are employed as a common law employee or, in certain cases, as a leased employee, and are not a resident of Puerto Rico, covered by a collective bargaining agreement, unless required by the agreement, nor a nonresident alien with no income from a U.S. source. Eligible employees can enter the Plan on the first day of each month. Certain eligible employees, as defined, are automatically enrolled in the Plan at a deferral rate of 3%, unless otherwise changed by the employee. Additionally, as long as they are contributing an amount greater than zero, these employees' contribution rate will be increased by 1% every July 1 until they reach a deferral rate of 8%. If the participant has not made an investment election, the contributions are invested in a target-date fund with the target date closest to the year in which the participant turns 65.

The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B) CONTRIBUTIONS

Participants may elect to contribute up to the maximum percentage allowable of eligible compensation to the Plan, as defined, on a pre-tax or after-tax basis, subject to Internal Revenue Service ("IRS") and other limitations. The total maximum allowable participant contributions to the Plan was $23,500 for the year ended December 31, 2025, excluding catch-up contributions of $7,500 for participants over the age of 50, and additional super catch-up contributions available for eligible participants pursuant to recent legislative changes. Additionally, participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

B) CONTRIBUTIONS (CONTINUED)

The Company elected to make safe-harbor matching contributions of up to 100% of the first 3% and 50% of the next 2% of the participants' eligible compensation, as defined, during the year ended December 31, 2025. The Company made matching contributions of approximately $952,000 during the year ended December 31, 2025. This amount is net of approximately $21,000 in forfeitures used to offset matching contributions (NOTE 1H).

C) VESTING

Participants are immediately vested in their elective deferrals, rollover contributions, and safe harbor matching contributions, plus or minus any earnings or losses thereon.

Participants of the Quotient Sciences – Miami, Inc. Retirement Plan who were terminated from employment prior to December 1, 2018, are vested in their matching contributions as follows:

Years of Service	**Vested Percentage**
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

D) PAYMENT OF BENEFITS

Benefits are payable on termination of service due to retirement, termination, disability or death. Participants or their beneficiaries may elect to receive a lump-sum distribution as defined in the Plan document. Upon termination of service, participants are entitled to the value of their accumulated balance, subject to the vesting limitations as described above. Eligible participants may also make hardship withdrawals, as defined. A participant may also withdraw amounts attributable to all vested contributions while still employed if the participant is at least age 59 ½ at the time of the distribution.

E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's compensation deferral contributions, the Company's matching contributions, if any, and an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses not paid by the Company. The benefit to which a participant is entitled upon withdrawal from the Plan, as defined above, is the vested benefit in the participant's account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

F) INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions as well as employer matching contributions and any related earnings into the investment options offered by the Plan. Participants may change their investment elections at any time.

G) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. Participants are permitted to have one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates as determined by the plan administrator at the date of each loan. Principal and interest is paid ratably through periodic payroll deductions.

H) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts may be used to pay Plan expenses or reduce future employer contributions. During the year ended December 31, 2025, approximately $21,000 in forfeitures were used to offset matching contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $255 and $4,369, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A) BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

B) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. Note 3 further details fair value measurements of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Investments are self-directed by the individual Plan participants.

D) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. Principal and interest is repaid through payroll deductions over a period of no more than five years, unless the loan is for the purchase of a principal residence in which case the repayment period may not extend beyond ten years. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

G) PLAN ADMINISTRATION EXPENSES

The Plan agreement allows for the Company to absorb a significant amount of the Plan's administrative expenses. During the year ended December 31, 2025, administrative expenses incurred by the Plan were approximately $4,000.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H) RECENT ACCOUNTING PRONOUNCEMENTS

The Company evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management continually evaluates the effect new pronouncements may have on the Plan's net assets available for benefits.

I) MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 17, 2026, which is the date that the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. During 2025 and 2024, Level 1 inputs were available and therefore used.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - The fair value of mutual funds is based on unadjusted quoted net asset values of the shares held by the Plan at year-end. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Common Collective Trusts - The common collective trust funds ("CCT") are stable value funds with various underlying investment contracts that are not actively traded and significant other observable inputs are not available. The Plan uses the NAV, as provided by the trustee, to determine the fair value of its investment in the collective trust fund. The NAV is used as a practical expedient to estimate fair value in accordance with accounting guidance for such investments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The input levels used by investment category are as follows:

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 30,897,530	$ -	$ -	$ 30,897,530
Total assets in the fair value hierarchy	$ 30,897,530	$ -	$ -	30,897,530
Investments measured at NAV*				580,147
Total investments				$ 31,477,677

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 25,436,743	$ -	$ -	$ 25,436,743
Total assets in the fair value hierarchy	$ 25,436,743	$ -	$ -	25,436,743
Investments measured at NAV*				637,971
Total investments				$ 26,074,714

*In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025 are reported net in appreciation in fair value of investments.

NOTE 4 - COMMON COLLECTIVE TRUSTS

The Plan has investments in a stable value common trust fund at December 31, 2025 and 2024. The Plan has estimated the investments' fair value utilizing the NAV practical expedient. The estimated fair value at December 31, 2025 and 2024 was $580,147 and $637,971, respectively. The objective of the investments is to preserve capital and generate a stable rate of return. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The contracts owned by the fund are nontransferable, but provide for benefit responsive withdrawals and participant transfers to noncompeting options by Plan participants at contract value. The redemption waiting period for participant withdrawals and transfers is not to exceed 30 days and normally take place daily. Plan level liquidations require advance notice and could take up to 12 months. At December 31, 2025 and 2024, there were no unfunded commitments.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to suspend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants in the Plan become fully vested in the Company's contributions. Participants' contributions are always 100% vested.

NOTE 6 - TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Code. Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

NOTE 7 - INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee and qualified institution, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

	2025	2024
Investments at fair value	$ 31,477,677	$ 26,074,714
Notes receivable from participants	$ 697,858	$ 499,890
Total investment income	$ 5,296,872	
Interest income on notes receivable	$ 47,212	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trusts managed by Fidelity, the Plan's trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation or depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan to the trustee also qualify as party-in-interest transactions and are included in administrative expenses in the accompanying statement of changes in net assets available for benefits. Notes receivable from participants are also considered party-in-interest transactions. Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9 - FIDELITY BONDING

The Company maintains a fidelity bond of $500,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.
