# Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
Medin Technologies, Inc. 401(k) Plan
Totowa, New Jersey

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Medin Technologies, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## 2025 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior-year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by qualified institutions. Their report dated August 29, 2025, indicated (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2024 supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year), other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# MEDIN TECHNOLOGIES, INC. 401(k) PLAN

# NOTES TO FINANCIAL STATEMENTS

## Note 1 – Description of Plan

The following description of Medin Technologies, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 2017, as a defined contribution plan available to eligible employees of Medin Technologies, Inc. and its participating employer, Advantage Manufacturing Technologies (collectively, the Company, Employer or Plan Sponsor). The Plan has been amended and restated throughout the years to comply with certain tax legislation. Effective June 25, 2025, the Plan was amended to change the name of the Plan to Medin Technologies, Inc. 401(k) Plan. Eligible employees may enter the Plan after completing three (3) months of service and reaching the age of eighteen (18), as defined in the Plan document. Excluded employees include collective bargaining employees and nonresident aliens, as defined.

The Company is the Plan Administrator.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

SECURE Act 2.0

In December 2022, the Securing a Strong Retirement Act (SECURE Act 2.0) was passed into law. The provisions of SECURE Act 2.0 continue the reforms that began with the 2019 SECURE Act. Most of the SECURE Act 2.0 provisions became effective in 2024 and subsequent years. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional SECURE Act 2.0 provisions to elect.

Contributions

Each year, participants in the Plan may voluntarily contribute up to 100% of their annual eligible compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan's provisions also provide for Roth 401(k) elective deferrals.

The Plan Sponsor makes safe harbor matching contributions equal to 100% of the first 3% and 50% of the next 2% of eligible compensation, as defined, that a participant contributes to the Plan. The Employer may also make discretionary profit-sharing contributions. Participants must complete at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year in order to be eligible for the Employer's discretionary profit-sharing contributions. The Employer's safe harbor matching contributions totaled $261,466 for the year ended December 31, 2025. No discretionary profit-sharing contributions were made for the year ended December 31, 2025. Employer contributions are invested at the participant's direction and in accordance with the Plan's provisions.

Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Employer's contributions, and (b) Plan earnings or losses thereon, and is charged with his or her withdrawals and an allocation of Plan administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant-directed and may be invested into various investment options offered by the Plan.

## Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their individual contributions and the Employer's safe harbor matching contributions, plus actual earnings or losses thereon. Vesting in the Employer's other contributions (if any), plus earnings or losses thereon, is based on years of credited service. Participants will receive vesting credit for each Plan year in which they complete at least one thousand (1,000) hours of service, as defined. A participant is fully vested after six (6) years of credited service based on a graded vesting schedule. Participant accounts become fully vested upon reaching normal retirement age of sixty-two (62), death, disability, or upon termination of the Plan.

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or reduce future Employer contributions. For the year ended December 31, 2025, forfeitures totaling $6,447 were used to offset Plan administrative expenses. At December 31, 2025 and 2024, unallocated nonvested forfeited accounts totaled $13 and $3,447, respectively.

Notes receivable from participants

Plan participants may borrow from their accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may have only one loan outstanding at any time. Loans are secured by the vested account balance in the participant's account. The interest rate applied on the loan will be Prime plus 1% per year. Principal and interest are paid ratably through regular payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed fifteen years. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (62), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, installments, or partial distributions. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed $7,000 or elect a lump-sum distribution. Participants with vested amounts of $7,000 or less will be subject to an automatic rollover to an Individual Retirement Account or Annuity (IRA). Vested amounts of $1,000 or less will be distributed as an automatic lump-sum without participant consent. Participants may take in-service withdrawals upon attainment of age 59½ or for immediate and heavy financial hardship needs, as defined.

Plan administration

The Company is the Plan Administrator and, as such, controls and manages the operations of the Plan. The Plan's investment assets are maintained by Empower Trust Company, LLC (the Trustee) and its affiliate, Empower Retirement, LLC (Empower) provides recordkeeping and administrative services to the Plan.

## Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management and its advisor determine the Plan's valuation policies utilizing information provided by the investment advisor and Trustee.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and such differences could be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities, including the uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participant account balances and the amounts reported in the financial statements.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for doubtful collection has been recorded as of December 31, 2025 and 2024. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable balance is reduced, and a benefit payment recorded.

Payment of benefits

The Plan records benefits when paid.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Plan expenses

The Plan allows certain Plan administrative expenses to be paid from Plan investment assets. Certain administrative expenses are paid by the Plan Sponsor and are not reflected in the financial statements.

## Note 2 – Summary of Significant Accounting Policies, Continued

Uncertain tax positions

U.S. GAAP requires the Plan management to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan management has determined it does not have any positions at December 31, 2025 and 2024, that it would be unable to substantiate.

## Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental information is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2025 and 2024;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Investment information included in Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025, as shown on the ERISA-required supplemental information.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, and disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental information, including assessing whether the supplemental information is in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

| | |
|---|---|
| Level 1 | Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access. |
| Level 2 | Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities. |
| Level 3 | Significant unobservable inputs. |

## Note 4 – Fair Value Measurements, Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2025 and 2024. During the year ended December 31, 2025, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds* – are valued at the daily quoted closing price as reported by the fund. Mutual funds held by the Plan are deemed to be actively traded on national exchanges and transact at their published daily net asset value (NAV).

*Variable annuity* – valued based upon the units of the variable annuity held by the Plan at year-end multiplied by the respective unit value. The unit values of the variable annuity are based upon significant observable inputs but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

*Collective trust funds (CCTs)* – valued at the NAV of units held. The NAV, as provided by the issuer of the CCT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CCT less its liabilities. This practical expedient will not be used when it is determined to be probable that the collective trust fund will sell for an amount different from the reported NAV. The CCTs provide for daily redemptions by the Plan at the reported NAV with no advance notice. There are no unfunded commitments related to these investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis, as of December 31, 2025 and 2024:

| | Fair Value Measurements as of December 31, 2025 (Audited) | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 5,800,917 | $ - | $ - | $ 5,800,917 |
| Variable annuity | - | 153,569 | - | 153,569 |
| Collective trust funds* | - | - | - | 719,092 |
| Investments, at fair value | $ 5,800,917 | $ 153,569 | $ - | $ 6,673,578 |

| | Fair Value Measurements as of December 31, 2024 (Unaudited) | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 5,971,725 | $ - | $ - | $ 5,971,725 |

*Certain investments that were measured at the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented on the statements of net assets available for benefits.

## Note 5 – Party-In-Interest Transactions

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Plan's investments are managed, administered, and held by Empower Trust Company, LLC (the Trustee). Empower is the Plan's recordkeeper and, therefore, transactions with the Trustee and Empower qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the Employer. No officer or employee receives compensation from the Plan for these services.

## Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts will become fully vested in the Employer's contribution portion of their account.

## Note 7 – Tax Status

On November 14, 2022, the IRS stated that the Non-Standardized Pre-Approved Profit-Sharing Plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the Plan and its related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the Non-Standardized Pre-Approved letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

## Note 8 – Subsequent Events

Subsequent to December 31, 2025, the Plan Sponsor approved the merger of the Plan, effective May 1, 2026, and the Plan merged with Advantage PEP plan (successor plan). All participant account balances along with all Plan assets and liabilities were transferred to the successor plan.

The Plan evaluated events occurring subsequent to December 31, 2025 through October 9, 2026, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
