INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and the Participants of the
Hometown Food Company 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hometown Food Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Hometown Food Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan was established as of September 1, 2018, in connection with the sale of J.M. Smucker Co.'s shelf-stable baking business to Hometown Food Company. At that time, former participants of the J.M. Smucker Company Employee Savings Plan ("J.M. Smucker Plan") who were eligible to participate in the Plan were provided the option to rollover their account balance from the J.M. Smucker Plan into the Plan. The Plan was most recently amended effective January 1, 2025 for technical updates.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by the Retirement Committee.

Participant Eligibility and Contributions: The Plan provides that eligible employees of the Company may participate in the Plan on the first day of employment. Participants may make elective contributions in the form of payroll deductions from 1% to 100% of eligible compensation, as defined by the Plan, not to exceed the maximum amount allowed under applicable income tax regulations.

Company Contributions: The Company may make a discretionary match contribution to non-union employees determined each payroll period. In 2025, the Company contributed an amount equal to 50% of the first 6% deferred from a participant's election. For collective bargaining participants, the Company matches up to 50% of the first 6% of employee deferrals. The Company also matches participants' catch-up contributions.

Participant Accounts: Each participant's account is credited with the participant's contribution, their earnings, and an allocation of the Company's contributions. Allocations are based on participant contributions, account balances, or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are 100% vested in their contributions and related earnings of the Plan thereon, if any. Vesting in the remainder of their accounts is based on years of service, as follows:

Vesting Years of Service	Percentage Vested
Less Than 2	0%
2	25%
3	50%
4	75%
5	100%

Payment of Benefits: On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's account or rollover the amount into another eligible form of investment. Withdrawals from participant accounts are permitted in accordance with terms in the Plan document. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

(Continued)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their vested account balances a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant loan fund. Loan terms range from one to five years, or 15 years if the loan is used to acquire a dwelling unit that will be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1.00%.

Retirement, Death, and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Investments: All contributions, including employer matching contributions and employee discretionary contributions, are participant-directed into various investment options offered by the Plan. If no elections are made by the participant, then the contributions are invested in default investment alternatives established under the Plan.

Forfeitures: If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture. Forfeitures may be used by the Plan to pay plan expenses or used to reduce any matching contribution.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, as contract value represents the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks as well as the risks associated with global events such as a pandemic. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (ETC) and Empower Annuity Insurance Company of America (EAICA).

NOTE 4 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated November 14, 2022, indicating that the pre-approved plan document adopted by the Plan, as then designed was in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended from the original pre-approved plan document, Plan management believes that the Plan is currently being operated in accordance with the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS

The fair value framework requires categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value; whereas Level 3 generally requires significant management judgment. The three levels are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers as of the financial statement dates and recent transaction prices. The collective trust accounts provide for daily redemptions by the Plan with no advance notice requirements and have redemption prices that are determined by the fund's net asset value per unit.

In accordance with the Financial Accounting Standards Board fair value standard, the following table presents the Plan's assets within the fair value hierarchy as of December 31:

	Fair Value Measurements as of December 31, 2025			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	$ 30,636,241	$ -	$ -	$ 30,636,241
Collective Trusts*	-	-	-	130,704
Total investments at fair value	$ 30,636,241	$ -	$ -	$ 30,766,945

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

	Fair Value Measurements as of December 31, 2024			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	$ 24,173,115	$ -	$ -	$ 24,173,115
Collective Trusts*	-	-	-	127,055
Total investments at fair value	$ 24,173,115	$ -	$ -	$ 24,300,170

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - TRADITIONAL GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

During 2025, the Plan held a fully benefit-responsive traditional investment contract with EAI ("Issuer"). EAI maintained the contributions in its general account. The Issuer guaranteed the Plan a return of principal and interest under the terms of the contract. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represented contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive contract was $0 and $528,839 on December 31, 2025 and 2024, respectively.

On February 24, 2025, the Plan completed a fund swap to liquidate the contract using a 12-month put provision. The proceeds were transferred to the Vanguard Cash Reserve Federal Money Market Fund Admiral Shares, a mutual fund. No loss was incurred in connection with the liquidation. As of December 31, 2025, management was not aware of any remaining contractual obligations related to the contract.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. The Plan holds mutual funds issued by JPMorgan (recordkeeper) and a guaranteed investment contract issued by EAI that qualify as party-in-interest transactions. Fees paid to service providers also qualify as party-in-interest transactions. Participants in the Plan are permitted to borrow funds from their vested balance as described in Note 1. These loans qualify as party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 8, 2026, which is the date the financial statements were available to be issued.
