INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
Save the Children Federation, Inc. Retirement Savings Plan
Fairfield, Connecticut

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of the Save the Children Federation, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's' Responsibilities for the Audit of the 2025 Financial Statements* section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Save the Children Federation, Inc. Retirement Savings Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Save the Children Federation, Inc. Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Save the Children Federation, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Save the Children Federation, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

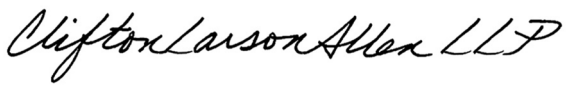

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

We were previously engaged to audit the 2024 financial statements of Save the Children Federation, Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Further, Save the Children Federation, Inc. Retirement Savings Plan had not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

Save the Children Federation, Inc. Retirement Savings Plan had excluded from the 2024 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to July 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts had also been excluded from the 2024 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions were not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2024 financial statements. In our report dated October 6, 2025, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2024 financial statements.

(1) Plan Description

The following description of Save the Children Federation, Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

(a) General

The Plan is a defined contribution plan established by Save the Children Federation, Inc., (the Agency or the Plan Sponsor) under the provisions of Section 403(b) of the Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement, for the benefit of eligible employees of the Plan Sponsor. The effective date of the Plan was July 1, 1987. The Plan was restated January 1, 2009. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) Plan Administration

The Retirement Plan Committee, which consists of the Plan Sponsor's senior management and other select employees of the Plan Sponsor, oversees the administration of the Plan.

Fidelity Management Trust Company (Fidelity) and Empower Annuity Insurance Company of America (Empower) are the custodians of the Plan. Fidelity Workplace Services LLC and Empower Retirement, LLC are record keepers of the Plan. Empower maintains only accounts of participants who retired or separated from the Agency prior to October 1, 1996.

(c) Eligibility

Employees are eligible to participate in the Plan immediately after their date of hire, as long as they are considered either a regular full-time- employee or an employee working 20 hours or more per week.

Temporary employees, consultants, certain nonresident aliens, student employees, noncore fixed contract employees, participants/members in an Americorps National Service Network Program and part-time employees working less than 20 hours per week are not eligible to participate in the Plan.

An eligible employee must complete one year of service in order to receive the Agency's automatic and matching contributions. Employees are credited with a year of service for each 12-month- period during which they complete 1,000 or more hours of service. The Plan credits service for prior employment with other member organizations of Save the Children.

(d) Contributions

Participants may make pre-tax contributions or after-tax- contributions as defined by the Plan, subject to the limitations of the IRS. Additionally, participants age 50 or older or who will attain age 50 during the Plan year, may make a "catch-up" contribution as defined by the IRS. Participants having 15 years of service are permitted to make special "catch up" contributions as defined by IRS.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect to change their contribution amount or choose not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of compensation and their contributions invested in the Plan's Qualified Default Investment Alternative, which are the target retirement date funds, until changed by the participant.

After one year of service, the Plan Sponsor makes a discretionary (automatic) contribution to the Plan equal to 4% of participants' eligible compensation as defined by the Plan. Also, after one year of service, the Plan Sponsor matches participant contributions through an additional discretionary contribution dollar for dollar up to 4% of eligible compensation. The Plan Sponsor does not match participants' catch-up contributions. Eligible compensation for Plan Sponsor contributions is capped at the IRS limits of $350,000 for 2025 and $345,000 for 2024.

(e) Vesting

Participants are fully and immediately vested in the benefits arising from all contributions made under this Plan.

(f) Participant Accounts

The participant accounts are valued daily. Participants may transfer amounts between funds anytime or change their investment elections daily as allowed by their prior investment choices.

(g) Benefits

The benefit to which a participant is entitled is the benefit that can be provided by the participant's account. Upon termination of service, death, disability, or reaching normal retirement age, the participant may receive the value of the vested interest in his or her account in various forms of payment, as described in the Plan document. The Plan also allows for in-service distributions if a participant reaches age 59½ or under hardship circumstances subject to Plan provisions and IRS regulations. The Plan also provides for automatic cash-out and/or rollover distributions into an individual retirement account for terminated participants whose balance does not exceed certain limits as prescribed by the Plan document and Internal Revenue Code.

(h) Notes Receivable From Participants

Participants may borrow a minimum of $1,000 up to a maximum of $50,000. The maximum number of loans at any one time is three. The loan interest rate is a fixed rate of prime plus 2%. All loans are paid back through payroll deductions. Personal loans may be repaid over 60 months and home purchase loans may be repaid back over 120 months. The interest rates on outstanding loans ranged from 5.25% to 10.50% and mature through 2035 and 2033 as of December 31, 2025 and 2024.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting. Benefits are recorded when paid.

The Plan was established in 1987 and was historically viewed as an amalgamation of individual annuity and custodial accounts. Prior to January 1, 2009, regulations governing 403(b) plans did not require plan-level reporting; accordingly, the Plan administrator and its service providers did not maintain consolidated financial records at the Plan level during that period. Since 2009, the Plan administrator has made good faith efforts to identify and include all known contracts in the Plan's financial statements and Form 5500 filings. For the years ended December 31, 2009 through December 31, 2024, management determined it was at least reasonably possible that incomplete historical recordkeeping and potentially unidentified contracts could have a material effect on the Plan's net assets available for benefits. During 2025, management conducted a comprehensive review of pre-2009 contracts,

including reconciling legacy account balances, evaluating historical service provider agreements, and analyzing participant data and records. Based on this assessment, management has concluded that the potential exposure related to historical plan administration no longer presents a risk of material misstatement to the Plan's financial statements as of and for the year ended December 31, 2025.

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments include a money market fund, shares in registered investment companies, and pooled separate accounts that are recorded at fair value, and a stable value fund that is recorded at contract value. The Plan also offers a self-directed brokerage account option. A further description of the valuation of these assets recorded at fair value is provided in Note 4. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in fair value of investments represents the change in fair value of investments from one period to the next and realized gains and losses.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

(e) Administrative Expenses

Administrative expenses related to investment management are allocated amongst various funds and are expensed as incurred. Certain fees and expenses assessed by the investment vehicle are charged against participants' accounts.

The Plan permits the payment of Plan expenses to be made from the Plan's assets, if available. If there are no available assets, then the Plan Sponsor generally pays for all of the Plan expenses. During the years ended December 31, 2025 and 2024, Plan expenses paid by the Plan amounted to $149,295 and $200,431 respectively. Administrative expenses paid by the Plan Sponsor are not included in these financial statements.

(f) Stable Value Fund

The Empower Guaranteed Interest Account (GIA) Fund is one of the investment options offered by the Plan and is a stable value fund which guarantees principal and a contractually specified interest rate to account participants. The GIA Fund's objective is to credit interest on contributions at competitive rates that generally exceed the returns available from money market instruments. The GIA Fund simultaneously minimizes the volatility of returns, provides safety of principal and allows for a level of liquidity.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. The contract value of the GIA Fund equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The GIA Fund is not available for sale or transfer on any securities exchange. Accordingly, transactions are not observable. Investment income is recorded at stable value fund level.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the Insurance Company to terminate the agreement prior to the scheduled maturity date.

(3) Information Certified by the Plan's Custodians

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company and Empower Annuity Insurance Company of America, as custodians of the Plan, have certified as being complete and accurate the investments and notes receivable from participants on the statements of net assets available for benefits, the related activity reflected in the statements of changes in net assets available for benefits, and the information included in the supplemental schedule of the financial statements as of and for the years ended December 31, 2025 and 2024. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's custodians.

(4) Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

Money Market Fund: Valued at the quoted market price at year end.

Registered Investment Companies: Valued at the quoted market prices at year end.

Pooled Separate Accounts: Valued at the unit value at year end as determined by the issuer. These pooled separate accounts can be traded daily and are considered to have a readily determinable fair value.

Self-directed brokerage accounts: Consist of money market funds, mutual funds and exchange traded funds. All investments held within self-directed brokerage accounts are valued at quoted market prices at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in methodologies used at December 31, 2025 and 2024 and there were no transfers among levels during the years ended December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2025:

	2025			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 6,722,726	$ -	$ -	$ 6,722,726
Registered investment companies	228,515,856	-	-	228,515,856
Pooled separate accounts	-	741,165	-	741,165
Self-directed brokerage accounts	564,898	-	-	564,898
Total Investments at Fair Value	$ 235,803,480	$ 741,165	$ -	$ 236,544,645

As of December 31, 2025, there were no restrictions as to redemptions of these investments nor does the Plan have any contractual obligations to further invest in any of the individual funds.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2024:

	2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 7,116,236	$ -	$ -	$ 7,116,236
Registered investment companies	216,315,694	-	-	216,315,694
Pooled separate accounts	-	742,151	-	742,151
Self-directed brokerage accounts	670,508	-	-	670,508
Total Investments at Fair Value	$ 224,102,438	$ 742,151	$ -	$ 224,844,589

As of December 31, 2024, there were no restrictions as to redemptions of these investments nor does the Plan have any contractual obligations to further invest in any of the individual funds.

(5) Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to amend or discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA.

(6) Related-Party Transactions

Certain Plan investments are managed by the Plan's custodians and therefore qualify as party-in-interest transactions. Recordkeeping fees paid to affiliates of the Plan's custodians also qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions. Certain employees of the Plan Sponsor perform administrative services to the Plan, at no cost to the Plan.

(7) Risk and Uncertainties

The Plan assets are invested in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits. The Plan may invest indirectly in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate values, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

(8) Tax Status

The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be

sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Subsequent Events

In connection with the preparation of the financial statements, the Plan evaluated whether any subsequent events that require recognition or disclosure occurred from December 31, 2025 through October 12, 2026, which was the date the financial statements were available for issuance, and determined no such events occurred.
