INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Amcor US Benefits Committee of the
Amcor Supplemental Unemployment Benefit Plan

Opinion

We have audited the accompanying financial statements of the Amcor Supplemental Unemployment Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024 (cash basis), and the related statements of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation) and December 31, 2024 (cash basis), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 (in liquidation) and 2024 (cash basis), and the changes in its net assets available for benefits for the year ended December 31, 2025 in accordance with the liquidation basis of accounting, and for the year ended December 31, 2024 in accordance with the cash basis of accounting.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit for the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As described in Note 1 to the financial statements, the Amcor US Benefits Committee formally approved a plan of liquidation on December 31, 2025, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the cash basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting described in Note 2. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control- related matters that we identified during the audit.

1. DESCRIPTION OF PLAN

The following description of the Amcor Supplemental Unemployment Benefit Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan was established on April 1, 2013 to benefit those eligible employees, as defined in the plan document, of Amcor Flexibles North America, Inc., (the Company) and its adopting subsidiaries and affiliates who are involuntarily separated from service and who will experience a loss of future earnings, but not duplicate or replace, state unemployment benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trust fund (the Trust) is administered under the terms of certain trust agreements between the Company and U.S. Bank, the trustee of the Plan.

Effective December 31, 2025, the Amcor US Benefits Committee voted to terminate the Plan effective December 31, 2025. As a result, the Plan closed the trust account with U.S Bank in 2026. There were no participants nor any benefits owed to participants as of January 1, 2026.

Eligibility

Full-time employees, as defined in the plan document, become eligible to participate in the Plan after the first year of employment and had been subject to involuntary termination either as part of a workforce reduction, position elimination, discontinuance of a plant or operations, or other type of involuntary termination except for cause. Union employees and corporate officers were not eligible for benefits under the Plan. The Plan included years of service in the calculation of benefits under the Plan with the Company's affiliates of Amcor Flexibles North America, Inc., even if the affiliates were not participating employers.

Benefits

The Plan provided for the payment of weekly, bi-weekly, or semi-monthly supplemental unemployment benefits. The benefits payable were reduced by any state unemployment benefits or any other compensation received. Benefits ceased upon re-employment or if hired by another company. If the employee become eligible for retirement and was not actively seeking work, unemployment benefits were no longer be paid. Hourly employees' benefits were accrued one week for each year of service, with a maximum of 16 weeks. Benefits for salaried employees were paid based on the employee's full number of years of completed service accruing two weeks for each year of service, with a minimum of four weeks and a maximum of 12 months (benefit period).

1. DESCRIPTION OF PLAN (Continued)

Benefits (Continued)

Employees who were re-employed by the Company, or by another company prior to the end of the benefit period, ceased to continue to receive benefits, but were paid a re-employment bonus equal to 50% of their remaining benefit as a lump sum payment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Associated with the termination of the Plan as discussed in Note 1, the Plan has changed its basis of accounting from the cash basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Under the liquidation basis of accounting, assets are measured to reflect the amount of expected consideration from liquidation and liabilities are measured in accordance with accounting principles generally accepted in the United States of America (US GAAP) that otherwise applies to such liabilities.

Use of Estimates

The preparation of financial statements in accordance with the liquidation basis of accounting, which is a basis of accounting other than US GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, estimated health claims incurred but not reported (IBNR), and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates. Estimates that are particularly susceptible to significant change in the near-term are the liabilities for IBNR. Although it is not possible to measure the degree of variability inherent in these estimates, management believes that the liabilities reported were adequate. Any adjustment determined to be necessary is reflected in current operations.

Contributions

Prior to termination of the Plan, the Company made contributions to the Trust on an as needed basis. The contributions are remitted to the Trust and were immediately paid out to the participants based on the benefit obligation required. Most of the benefit payments were paid directly out of the Company's general assets.

Payment of Benefits

Claims payments were recorded when paid by the trust and/or third-party claim administrator, and are recorded on the accompanying statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses paid by the Plan include trustee and third-party benefits administration fees. The Company pays the plan audit fee and provides accounting and other administration services to the Plan at no charge. Fees paid by the Company are excluded from these financial statements.

Recent Accounting and Regulatory Pronouncements

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management evaluated the impact of the provisions of SECURE 2.0 while awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor (DOL). The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2025 and 2024.

3. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and assets will be distributed to participants in accordance with the Plan's provisions. Effective December 31, 2025, the Amcor US Benefits Committee formally authorized the termination of the Plan. All assets of the Plan were fully liquidated during 2025.

4. TAX STATUS

The Trust funding certain benefits of the Plan received an exemption letter from the IRS dated June 21, 2022, retroactively dated to May 15, 2018, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the IRC. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 or 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. PARTIES-IN-INTEREST TRANSACTIONS

Certain employees of the Company provide administrative services to the Plan. These employees are not paid by the Plan for their services. Certain other administrative expenses incurred by the Plan are paid by the Company. These transactions qualify as party-in-interest.

6. POSTEMPLOYMENT TERMINATION OBLIGATIONS

Under the terms of the Plan, certain participants have a right to receive a benefit subsequent to their employment with the Company due to layoff or lack of work. The amount of the benefit is determined based on the accumulation of the participant's years of service and the position such participant held at the Company.

	2025	2024
TERMINATION OBLIGATION, BEGINNING OF YEAR	$ 68,424	$ 103,618
OBLIGATIONS FOR CURRENT BENEFIT COVERAGE		
Claims incurred	692,320	389,307
Claims paid	(760,744)	(424,501)
TERMINATION OBLIGATION, END OF YEAR	$ -	$ 68,424

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 18, 2026, which was the date that these financial statements were available for issuance and determined that there were no significant nonrecognized subsequent events through that date.
