INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of

LA POSADA EMPLOYEE SAVINGS AND RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of ***La Posada Employee Savings and Retirement Plan*** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by the trustee, and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of the Plan

The following description of the ***La Posada Employee Savings and Retirement Plan*** (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. **General** - The Plan is a defined contribution plan which covers all employees of La Posada at Park Centre, Inc. (the "Sponsor") who meet specified age and service requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Certain administrative functions of the Plan are performed by employees of the Sponsor. An officer of the Sponsor serves as an administrator of the Plan.

Employees become eligible to participate in the Plan after 6 months of employment with the Sponsor and after attaining 18 years of age. Participation in the Plan begins the first of the month coinciding with the satisfaction of these eligibility requirements.

The Plan Document was amended and restated effective June 26, 2023. The restatement was completed in conjunction with the Plan being fully integrated onto the Ascensus, LLC platform.

B. **Contributions** - Participants may elect to contribute up to 100% of their compensation or the maximum allowable by the Internal Revenue Code Section 401(k) limits ("IRC"). Participant contributions under IRC Section 401(k) were subject to a maximum of $23,500 for the year ended December 31, 2025. In addition, the Plan allows participants attaining the age of 50 before the end of the Plan year to make additional catch-up contributions not exceeding $7,500 for the year ended December 31, 2025. Participants may change or revoke their election to make 401(k) contributions in accordance with procedures established by the 401(k) committee. Rollover contributions from other qualified plans are also permitted.

The Plan has an auto enrollment feature known as a qualified automatic contribution arrangement ("QACA"). Under this feature, newly eligible participants are automatically enrolled in the Plan, and 6% of the participant's compensation is contributed on a pre-tax basis. Participant contributions under the auto enrollment feature are invested in the default fund unless the participant chooses another investment option.

The Sponsor makes a safe harbor matching contribution equal to 100% match on the first 1% of compensation deferred plus a 50% match on compensation deferred in excess of 1% but not exceeding 6% of compensation. Discretionary non-elective contributions to the Plan are made at the discretion of the Sponsor. The Sponsor did not make a discretionary non-elective contribution to the Plan during the year ended December 31, 2025.

C. **Participant investment account options** - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market account as investment options for participants.

D. **Participant accounts** - Each participant's account is credited with their individual contributions and allocations of the Sponsor's matching and non-elective contributions, Plan earnings, and Plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are based on participants' earnings or account balances, as defined. Participant contributions, Sponsor matching contributions and Sponsor non-elective contributions are placed into participant directed investment funds selected by the participant.

(1) Description of the Plan (continued)

E. **Vesting** - Participants are immediately vested in their elective contributions, rollover contributions, Sponsor safe harbor matching contributions and actual earnings thereon. Participants are 100% vested in non-elective contributions after three years of continuous service. Participants become fully vested in all of their accounts upon disability, normal retirement age, death, or termination of the Plan.

F. **Distribution of benefits** - Upon termination of service due to death, disability or retirement, participants receive a lump sum distribution equal to the value of the participant's vested interest in his or her account. Subject to certain restrictions, participants may also withdraw amounts from their vested accounts for financial hardship as defined in the Plan.

G. **Termination of the Plan** - Although the Sponsor has not expressed any intention to do so, the Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

H. **Forfeitures** - Forfeitures result from non-vested balances remaining in the Plan from terminated employees. There were immaterial forfeited non-vested accounts, including earnings at December 31, 2025 and 2024. Forfeited account balances may be used to reduce future Sponsor contributions or pay Plan expenses. During the year ended December 31, 2025, $9,239 of forfeitures were used to reduce Sponsor contributions. The forfeiture account balance was immaterial at December 31, 2025 and 2024.

I. **Notes receivable from participants** - Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loans are secured by the vested balance in the participant's account and bear interest, currently at rates ranging from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

J. **Administrative expenses** - Certain administrative expenses of the Plan are paid by the Sponsor and are not expected to be reimbursed by the Plan.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The accompanying financial statements of the Plan have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Management's use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(2) Significant accounting policies (continued)

Investment valuation and income recognition - Investments in shares of mutual funds are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. Purchases and sales of securities are recorded on a trade date basis. Income is recorded when credited by the various investment funds. Net appreciation or depreciation of investments consists of realized gains or losses on investments sold during the year and the unrealized appreciation or depreciation of investments held during the year. Dividends are recorded on the ex-dividend date.

Risks and uncertainties - The Plan provides for various investment fund options, which invest in any combination of stocks, bonds and money market funds. These investments are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits - Benefit payments to participants are recorded when paid.

Subsequent events - Plan management has evaluated subsequent events through October 8, 2026, which is the date the financial statements of the Plan were available to be issued.

(3) Income tax status

The Sponsor has adopted the Ascensus, LLC prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype plan was designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator and the Plan Sponsor believe that the Plan is currently designed and continues to be operating in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(4) Fair value measurements

FASB ASC 820, *Fair Value Measurements,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(4) Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for the investments held by the Plan. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Money Market – Valued at fair value using published market prices, which represent the net asset value of shares held by the Plan at year-end. Assets are valued primarily on the basis of evaluated prices from third-party pricing services, and the valuation is based upon the penny-rounding method of pricing pursuant to U.S. Securities and Exchange Commission regulations, which permit current net asset value per share to be rounded to the nearest cent, provided the fund follows certain maturity, credit quality, and other guidelines.

- Mutual funds – Valued at fair value using published market prices, which represent the net asset value of shares held by the Plan at year-end.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money Market	$ 738,807	$ -	$ -	$ 738,807
Mutual funds	23,209,021	-	-	23,209,021
Total	$ 23,947,828	$ -	$ -	$ 23,947,828

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market	$ 802,380	$ -	$ -	$ 802,380
Mutual funds	19,459,202	-	-	19,459,202
Total	$ 20,261,582	$ -	$ -	$ 20,261,582

(5) Information certified by the Plan's trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Ascensus Trust Company and Newport Trust Company, LLC, the trustee of the Plan's assets, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividend income from investments
- Net appreciation in fair value of investments
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(6) Party-in-interest transactions

Ascensus Trust Company is the record keeper and provides certain administrative services to the Plan. These transactions qualify as party-in-interest transactions. Total fees paid by the Plan to Ascensus Trust Company and to others for administrative services, investment education and advisory fees were $92,641 for the year ended December 31, 2025.
