INDEPENDENT AUDITOR'S REPORT

Plan Trustees and Management
Your Building Centers, Inc.
Employee Stock Ownership Plan
2607 Beale Avenue
Altoona, Pennsylvania 16602

Opinion

We have audited the financial statements of Your Building Centers, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Your Building Centers, Inc. Employee Stock Ownership Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Your Building Centers, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Your Building Centers, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)
Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Your Building Centers, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Your Building Centers, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and

Other Matter - Supplemental Schedule Required by ERISA (Continued)
Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of the Plan

The following description of the Your Building Centers, Inc. Employee Stock Ownership Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan that originated December 18, 1989, is a defined contribution, stock bonus plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It is available to substantially all full-time employees of Your Building Centers, Inc. The Plan was last restated effective January 1, 2025. The Company makes annual discretionary contributions of cash or Company stock having an aggregate fair market value equal to the contribution amount determined by the Board of Directors. Participant contributions are not permitted under the Plan. All administrative costs of the Plan are paid by the employer and are not subject to reimbursement by the Plan.

Eligibility

Employees of the Company are generally eligible to participate in the Plan after 12 months of service providing they worked at least 1,000 hours during such plan year. Participants who do not have at least 1,000 hours of service during such plan year or are not employed on the last working day of a plan year are generally not eligible for an allocation of Company contributions for such year. You begin to participate in the Plan as of January 1st or July 1st coinciding with or next following the date on which you meet eligibility requirements.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the Company. Under the provisions of the Plan, the Company is obligated to repurchase participant shares, which have been distributed under the terms of the Plan.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The trustee is not permitted to vote any allocated share for which instructions have not been given by a participant.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock and forfeitures of terminated participants' nonvested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation.

Vesting

If a participant's employment with the Company ends for any reason other than retirement, permanent disability, or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants vest 20% after two years, 40% after three years, 60% after four years, 80% after five years, and are 100% vested after six years.

Note 1: Description of the Plan (Continued)

Put Option
Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification
Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments, which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash rollover distribution to the Company's 401(k) Plan.

Participant Accounts and Forfeitures
Employer contributions and Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated nonvested account balances allocated to remaining participants during 2025 and 2024 totaled $1,585 and $26,455, respectively. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances.

Participant Loans
Participant loans are not allowed per the Plan document.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2: Significant Accounting Policies

Investment Valuation and Income Recognition
Investments at December 31, 2025 and 2024 currently consist of approximately 100% of the outstanding common stock of Your Building Centers, Inc. and are carried at fair value as determined by an independent appraisal (see Note 3).

Note 2: Significant Accounting Policies (Continued)

Payment of Benefits
Benefits are recorded when paid.

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Operating Expenses
All expenses of maintaining the Plan are paid by the Company (see Note 6).

Subsequent Events
In preparing these financial statements, management has evaluated events and transactions for recognition or disclosure through October 7, 2026, the date the financial statements were available to be issued.

Note 3: Investments

All contributions to the Plan belong exclusively to the plan participants and their beneficiaries. The Plan's investments consist solely of 384,201.597 and 478,792.906 shares of Your Building Centers, Inc. common stock valued at $39.20 and $33.96 per share for a total value of $15,060,703 and $16,259,807 at December 31, 2025 and 2024, respectively.

The fair values have been determined by an independent appraisal. The Trustees have relied upon the appraiser's valuation in determining the fair value of the stock for purposes of the statements of net assets available for benefits.

Under the terms of the plan document, participants who retire after they have attained their normal retirement date or have retired due to permanent disability and beneficiaries of deceased participants will receive a distribution of the participants' account balance in five equal annual installments. Participants who terminate employment with Your Building Centers, Inc. prior to their normal retirement date for a reason other than permanent disability shall begin to receive distribution payments following the close of the plan year subsequent to the plan year in which employment was terminated.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 Measurements) and the lowest priority to unobservable inputs (Level 3 Measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Note 3: Investments (Continued)

Level 2
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers of investments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

The fair value of the sponsor company common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the market and income valuation techniques consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of company assets and liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4: Plan Contributions

Plan contributions for the year ended December 31, 2025 was $346,946. For plan years beginning after January 1, 2010, the Plan receives contributions at the discretion of the Board of Directors.

Note 5: Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is a prototype nonstandardized employee stock ownership plan. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administration believes the plan is no longer subject to income tax examinations for years prior to 2022.

Note 6: Transaction with Related Parties and Parties-In-Interest

Employees of Your Building Centers, Inc. served as Trustees for the Plan in 2025. At December 31, 2025, the trust's investment portfolio was entirely composed of securities of Your Building Centers, Inc. For the 2025 plan year, the Company made a stock contribution valued at $346,946, which was approved by the Board of Directors of Your Building Centers, Inc.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Fees paid by the plan sponsor for plan management services amounted to $20,419 for the year ended December 31, 2025, which are excluded from these financial statements.

Note 7: Plan Termination

Although it has not expressed any intent to do so, Your Building Centers, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA by an action of the Board of Directors. In the event of plan termination, the interests of the affected participants, their estates, and their beneficiaries shall become fully vested.

Note 8: Distributions

Your Building Centers, Inc. bought back as treasury stock the aforementioned shares. Those participants with an account value of less than $7,000 had their accounts repurchased in full during 2025. Those participants with account balances of greater than $7,000 had their shares acquired with a secured note payable over five years at the prime interest rate. Notes payable originated by the Company for 2025 transactions totaled $3,041,518. The balance outstanding on all notes payable, including the 2025 amounts, total $5,012,030 as of December 31, 2025.

Note 9: Forfeitures

Forfeitures of nonvested account balances reallocated during 2025 and 2024 totaled 40.429 and 779.004 shares, respectively.

Note 10: Concentrations

The assets of the Plan consist of 100% of the outstanding stock of Your Building Centers, Inc., the Sponsor Company. The Company operates in the building material industry, the disruption of which could have a severe near-term impact on the Plan.

Note 11: Separated Participants

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

Note 12: Risks and Uncertainties

The Plan invests in Your Building Centers, Inc. company stock. All investment securities are exposed to various risks such as market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
