INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of the
Paylocity 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Paylocity 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAYLOCITY 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Paylocity 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General and Eligibility*.** The Plan is a defined contribution plan sponsored by Paylocity Corporation ("Paylocity", "Employer" and "Plan Administrator") covering all employees of Paylocity, who are at least 19 years of age with monthly entry dates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Employer controls and manages the operation and administration of the Plan and oversees governance of the Plan. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal" or "Custodian") serves as the investment custodian and record keeper of the Plan. The Custodian is a qualified institution pursuant to ERISA.

***Contributions*.** Participants may elect to make pre-tax or Roth contributions pursuant to salary reduction arrangements, as defined in the Plan agreement, up to a maximum of 100% of annual compensation, subject to Internal Revenue Service ("IRS") deferral limitations. As of January 1, 2020, the Plan has been amended to allow for voluntary post-tax deferrals as well. The Plan includes an automatic deferral feature whereby Paylocity will automatically withhold 5% of participant's compensation and contribute that amount to the Plan. Employees can withdraw or change their contribution rate at any time. Paylocity matches 50% of the first 8% of participants' contributions. Participants over 50 years of age may make catch-up contributions to the Plan. Annual compensation is defined as salaries and wages, including overtime, bonuses, commissions, and other compensation but excluding holiday bonuses paid by Paylocity. The Plan accepts rollovers and transfers in accordance with certain provisions as defined in the Plan agreement. Rollover contributions consist of contributions from other qualified plans which participants have elected to include with the Plan.

Paylocity may make Employer discretionary contributions for all participants who are employed at the end of the year, which is funded subsequent to year end. Any Employer discretionary contributions are based upon participants' annual compensation subject to IRS deferral limitations. There were no Employer discretionary contributions elected for the year ended December 31, 2025.

***Participant Accounts*.** Each participant is provided a salary deferral account, an Employer match account and an Employer discretionary contribution account. Each account is credited with their respective contributions. Investment earnings and losses are allocated to participant accounts based on participants' account balances, as defined in the Plan agreement, and are made on a daily basis to all active fund participants as of the date of the allocation. Participant accounts are charged with any benefit payment made on behalf of the participant and allocation of Plan administrative expenses. The benefit to which a participant is entitled is the vested balance of the participant's accounts.

***Investment Options*.** Each participant directs the investment of their account balances into any combination of the various investment options offered by the Plan. All investments are maintained with Principal. Investment options consist of mutual funds and numerous pooled separate investment accounts with Principal. Participants are allowed to change their investment options daily.

Vesting. Participants are immediately vested in their contributions and earnings and losses thereon and vest in any Employer contributions, over a two-year period with 50% vesting each year starting with the participants' date of hire.

Notes Receivable from Participants. Each participant may borrow from the Plan against their vested account balance. Loan amounts are restricted to 50% of the participant's vested account balances subject to a maximum loan of $50,000. Participants are allowed to have only one loan outstanding in a 12-month rolling period, however are permitted to consolidate loan requests to receive additional amounts subject to plan limitations. Loans are secured by the participants' vested account balance and the minimum loan amount is $1,000. Interest rates on loans are stated at prime (6.75% as of December 31, 2025) plus 2% and are fixed for the life of the loan. Permitted loan repayment periods range from one to five years, unless the loan is for the purchase of a principal residence, which may permit a longer repayment term.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

***Payment of Benefits*.** On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the vested balance of their accounts, partial withdrawals, or annual, semi-annual, quarterly or monthly installments as selected by the participant . Terminated participants with a total balance of less than $5,000 must take a lump-sum cash distribution. For terminated participants with a balance greater than $5,000, their balances will be automatically rolled over to an individual retirement account with Principal if no distribution election is made by the participant. Benefit payments are generally made immediately following the participant's request for benefit distribution. Upon death or disability, a participant's account balance becomes fully vested and distributed, as defined in the Plan agreement. Hardship distributions of participant's deferrals are permitted. Participants may receive in-service distributions at any time. In-service distributions are limited to two in a twelve-month period.

Forfeited Accounts. The non-vested portion of former participants' accounts may be used to pay administrative expenses of the Plan or to reduce the amount of employer contributions. Forfeited accounts totaled $489,168 and $412,058 as of December 31, 2025 and 2024, respectively. During the Plan year ended December 31, 2025, $423,711 and $2,957 in forfeitures were used to reduce employer matching contributions and pay administrative expenses, respectively.

Recent Legislation. In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The IRS has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*.** The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

***Use of Estimates*.** The preparation of the Plan's financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Concentrations of Credit Risk. Substantially all the Plan's assets were held by the Custodian.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants*.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

***Administrative Expenses*.** Certain administrative expenses, including functions performed by officers or employees of the Company and professional fees, are provided by the Company at no charge to the Plan, and the Company's management has no plans to obtain reimbursement of these expenses from the Plan.

***Payment of Benefits*.** Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, which was prepared by the Custodian and furnished to the Employer. The Employer has obtained certifications from the Custodian that such information is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income (loss) as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Note 4: All investment balances.
- Investments as shown in the schedule of assets held for investment purposes at end of year as of December 31, 2025, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual Funds. Valued at closing price reported on the active market on which the mutual funds are traded.

Pooled Separate Investment Accounts. Accounts that invest exclusively in mutual funds are valued at the net asset value ("NAV") of the underlying mutual fund. The NAV is used as a practical expedient to estimate fair value. The mutual funds held in the accounts are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the accounts are deemed to be actively traded.

Common Collective Trust ("CCT"). Accounts that invest exclusively in CCT that invest in underlying insurance contracts are valued at NAV of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Fair Value of Investments in Entities that Use NAV. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 24,626,025	N/A	Daily	1 Day
Common collective trust – State Street	$ 2,049,066	N/A	Daily	1 Day
Common collective trust – Alta Trust	$ 417,446	N/A	Daily	1-10 Days
Common collective trust – Great Grey Trust	$ 20,079,432	N/A	Daily	1-5 Days

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 20,713,343	N/A	Daily	1 Day
Common collective trust - Principal	$ 555,030	N/A	Daily	1 Day
Common collective trust – Alta Trust	$ 100,071	N/A	Daily	1-10 Days
Common collective trust – Great Grey Trust	$ 17,207,523	N/A	Daily	1-5 Days

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, Paylocity has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

NOTE 6 –TAX STATUS

The IRS ruled on June 30, 2020, that the pre-approved plan, upon which the Plan is based, is designed in accordance with applicable sections of the Internal Revenue Code (IRC) The Plan has been amended since receipt of the determination letter. However, the Employer believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

NOTE 7 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate investment accounts and guaranteed interest accounts managed by Principal. Principal is the investment custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain employees of the Employer provide administrative services to the Plan. These employees are compensated by the Employer for such services.

PAYLOCITY 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2025 through September 23, 2026, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
