Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) [X] Unmodified **(2)** [ ] Qualified **(3)** [ ] Disclaimer **(4)** [ ] Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) [X] DOL Regulation 2520.103-8 **(2)** [ ] DOL Regulation 2520.103-12(d) **(3)** [ ] neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: BALDWIN CPAS **(2)** EIN: 20-1416603

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) [ ] This form is filed for a CCT, PSA, DCG or MTIA. **(2)** [ ] It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Independent Auditors' Report

To the Administrator of the
RAPT 401(k) Plan
Richmond, Kentucky 40475

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RAPT 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RAPT 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RAPT 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RAPT 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RAPT 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RAPT 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted audit standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of the RAPT (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available for salary deferrals, safe harbor matching, and discretionary profit sharing contributions to all employees generally become eligible after age 18 and 3 consecutive months of employment, excluding collectively bargained/union employees, certain nonresident aliens, and co-op employees, with entry on the first day of the plan-year quarter coinciding with or following satisfaction of eligibility requirements Participants are automatically enrolled in the Plan once they have met the eligibility requirements unless they change their deferral rate online to opt out. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make pre-tax and/or Roth salary deferral contributions, subject to IRS limits and plan provisions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a number of pooled separate accounts as investment options for participants. The Company's contribution to the Plan is discretionary. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are allocated to employee accounts based on the annual compensation of participants and are invested in the same manner as employee contributions. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings and (c) profit sharing contributions made at the discretion of the Company's board of directors, and charged with an allocation of administrative expenses. Profit sharing allocations are based on the relationship of the participant's compensation to the total compensation for all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. For the year ended December 31, 2025, the Company's contribution was 100% of participant deferrals up to a maximum of 4%.

Vesting

Participants are immediately 100% vested in all contributions.

Notes Receivable from Participants

Participants may acquire loans on the vested portion of their account balances. The loan minimum is $1,000 and cannot exceed the lesser of $50,000 or 50% of the vested amount. Participants may have no more than 1 outstanding loan at any one time. The maximum loan term is five years, unless the loan is for the purchase of a principal residence. Principal and interest are paid ratably through bi-weekly payroll deductions. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25 to 9.50%, which is commensurate with prevailing rates. Loans are considered delinquent if payments are not made at the end of the first quarter following the quarter in which the payment is due.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's interest in his or her account, or, if permitted under the Plan at the time of distribution, an alternative form of payment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service and hardship withdrawals are also allowed as defined in the Plan agreement.

Note 1 – Description of Plan (Continued)

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2,004 and $1,976, respectively. These accounts will be used to reduce future employer contributions and pay plan expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The Plan's financial statements are prepared on the accrual method of accounting in accordance with generally accepted accounting principles.

Payment of Benefits
Benefits are recorded when paid.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans are considered delinquent if payments are not made at the end of the first quarter following the quarter in which the payment is due. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charges directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses.

Note 3 – Non-participant Directed Investments

The Plan did not have any non-participant directed investments for the years ended December 31, 2025 and 2024.

Note 4 – Stable Value Option with Insurance Company

The Plan invests in the Transamerica Stable Value Core Option, which represents an indirect interest in a stable value investment option maintained by Transamerica Life Insurance Company. The option is designed to provide participants with preservation of principal and credited interest and permits

Note 4 – Stable Value Option with Insurance Company (Continued)

participant-initiated withdrawals and transfers at contract value under ordinary circumstances. The Plan's interest in the stable value option is reported at fair value using NAV as a practical expedient.

Certain events limit the Plan's ability to transact at fair value with the issuer. Such events include the following: (a) failure by the Plan to provide any information required by Transamerica Life Insurance Company, and such failure is not remedied within 31 days from the date Transamerica Life Insurance Company notified the Plan thereof; (b) amendments of the plan documents that adversely affect Transamerica Life Insurance Company obligations under the contract; (c) failure to amend, change or alter all contracts due to changes in the state or federal laws and regulation; (d) the assets held are less than the amount or number required for the contract to be considered a Group Annuity Contract in the state in which the Contract is used; (e) the Plan is changed such that the organization or entity would no longer be considered an eligible sponsoring organization for this type of contract; (f) the Plan fails to meet the requirements for qualification under the Internal Revenue Code and/or other applicable state or federal law, or the trust fails to remain tax-exempt under Section 501(c) of the Internal Revenue Code; or (g) if at any time contributions or balances are less than the amount required for the class of business under Transamerica Life Insurance Company's underwriting standards in effect as of the contract effective date. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Average yields:

Based on actual earnings	1.65%
Based on interest rate credited to participants	1.65%

Note 5 – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

i. Quoted prices for similar assets or liabilities in active markets;

ii. Quoted prices for identical or similar assets or liabilities in inactive markets;

iii. Inputs other than quoted prices that are observable for the asset or liability;

iv. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 5 – Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2025 and 2024.

Stable Value Option: Fair value is the amount plan participants or plan sponsors would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity (some investments allow withdrawals without penalty for death, disability, termination or retirement).

Pooled Separate Accounts: Pooled separate accounts invest in a variety of individual stocks, mutual funds, and short term securities such as commercial paper. The fair value of the pooled separate accounts are based on the fair value of the underlying investment, which are based on publicly quoted pricing inputs or observable pricing inputs including quoted prices for similar assets in active or non-active markets.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's fair value measurements at December 31, 2025 and 2024:

Fair Value Measurements at December 31, 2025:

	Fair Value (*)
Pooled Separate Accounts	$ 4,111,922
Stable Value Fund	112,882
Investments at fair value	$ 4,224,804

Fair Value Measurements at December 31, 2024:

	Fair Value (*)
Pooled Separate Accounts	$ 3,517,202
Stable Value Fund	98,218
Investments at fair value	$ 3,615,420

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation to the fair value hierarchy to the amounts of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation (depreciation) in fair market value of investments.

Note 5 – Fair Value Measurements (Continued)

Investments Measured Using NAV per Share Practical Expedient - The following table sets forth the investments valued at NAV as of December 31, 2025:

	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$ 4,111,922	None	Daily	None	None
Stable Value Fund	$ 112,882	None	Daily	None	None

Investments Measured Using NAV per Share Practical Expedient - The following table sets forth the investments valued at NAV as of December 31, 2024:

	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$ 3,517,202	None	Daily	None	None
Stable Value Fund	$ 98,218	None	Daily	None	None

Note 6 – Related-Party Transactions

Administrative expenses paid by the Plan sponsor were $17,230 for the year ended December 31, 2025.

Certain Plan investments are shares in pooled separate accounts and insurance contracts managed by Transamerica Life Insurance Company as shown in the Schedule of Assets (Held at End of Year) on page 12 of this report. Transamerica Life Insurance Company is the custodian for the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services totaled $22,512 and participant activity based fees totaled $6,940 for the year ended December 31, 2025.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 8 – Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan provides for various investment options, including pooled separate accounts and a stable value fund. The Plan's investments are exposed to various risks, including interest rate, market, credit, liquidity, and valuation risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

Note 10 – Custodial Certification

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and investment increase for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Life Insurance Company (the custodian of the Plan).

Assets held at year end:

	2025	2024
Investments	$ 4,224,804	$ 3,615,420
Notes receivable from participants	250,328	192,649
Total	$ 4,475,132	$ 3,808,069
Investment increase (net)	$ 610,288	

Note 11 – Subsequent Events

The Company has evaluated subsequent events through October 9, 2026, the date which the financial statements were available to be issued.
