UMBRA CUSCINETTI, INC. 401(K) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

Independent Auditor's Report

To the Trustees and Administrators of
Umbra Cuscinetti, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Umbra Cuscinetti, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

11820 Northup Way, Suite E100 ● Bellevue, Washington 98005-1964
Phone (425) 827-8255 ● Fax (425) 827-0641 ● www.sbbb.com

independent of Umbra Cuscinetti, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Umbra Cuscinetti, Inc. 401(k) Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Umbra Cuscinetti, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Umbra Cuscinetti, Inc. 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for

Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UMBRA CUSCINETTI, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN:

Umbra Cuscinetti, Inc. 401(k) Plan (the Plan) is a contributory, defined contribution plan for the benefit of the employees of Umbra Cuscinetti, Inc. (the Company). The Plan, which was formed January 1, 1983, is administered by the Company, and the Plan assets are held in a trust by Ascensus Trust Company. The funds must be used for the exclusive benefit of Plan participants and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees are generally eligible for participation in the Plan upon attainment of 21 years of age. Leased employees and non-resident alien employees are generally not eligible to participate in the Plan. Plan entry is the first day of the month after hire or after attainment of 21 years of age.

The Plan includes a 401(k) feature whereby eligible employees may contribute a portion of their compensation, as defined in the Plan, and subject to statutory limitations. The deferrals are pre-tax deferrals. Participants who have reached the age of 50 before the Plan year end may make catch-up contributions, subject to statutory limitations. Prior to February 1, 2025, newly eligible employees were automatically enrolled at a 6% deferral rate, unless another rate was affirmatively elected by the eligible employee. Also prior to February 1, 2025, the automatic enrollment rate was increased by 1% on the first day of each Plan year, until a deferral rate of 10% was achieved. Effective February 1, 2025, the Plan ceased the automatic enrollment and escalation features. Employee deferrals are generally funded with each pay period. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company makes matching contributions on employee deferrals of 50% of up to 6% of participant compensation. In addition, the Company may make a profit sharing contribution. To be eligible for the profit sharing contribution, if any, the employee must complete 501 hours of service in the Plan year and be employed on the last day of the Plan year. This requirement does not apply if the employee dies or terminates employment due to disability or after reaching normal retirement age. No profit sharing contribution was declared in respect of 2025 or 2024.

Participants may make rollover contributions from other qualified plans to the Plan.

Each participant's account is credited with the participant’s contribution, employer contributions and net plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account. All investments of the Plan are participant-directed.

NOTE 1 - Continued:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer matching and profit sharing contributions vest over time, with 100% vesting achieved at 6 years of service. In addition, 100% vesting is achieved upon death or disability of the participant. Unvested benefits of terminated participants, if any, are forfeited and used to reduce future employer contributions.

As of December 31, 2025 and 2024, the balance of forfeitures available to offset future fees or employer contributions was $0 and $0, respectively. For the year ended December 31, 2025, $17,390 of forfeited amounts were applied to employer contributions and $6,602 were applied to fees.

Vested benefits are payable upon retirement, death, disability or termination of the participant's employment. Normal retirement age is defined as age 65 by the Plan. In-service withdrawals of employee deferrals and rollovers are also permitted for participants in limited circumstances which include attaining age 59-1/2 or retirement age, extended military service and cases of hardship, as defined. Accounts of participants who terminate employment with balances less than $5,000 are automatically rolled out of the Plan into an individual retirement account, unless another distribution option is selected by the participant.

Participants may borrow from their accounts a minimum of $1,000 and a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans bear interest at the prime rate in effect at the loan date plus 1%. At December 31, 2025, loans bear interest at rates ranging from 8.5% to 9.25%. Principal and interest are paid through payroll deductions. If a participant with an outstanding loan balance terminates employment or otherwise ceases making payments on the loan, the balance is paid by recognition of a deemed distribution to the participant. No allowance for credit losses is recognized due to adequate collateralization of the loans.

The Company has the right to discontinue the Plan at any time. If the Plan is terminated, the participants will become fully vested in all account balances.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Use of estimates-

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of assets and net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 2 - Continued:

Valuation of investments-

The Plan's investments are stated at fair value. See Note 4.

Recognition of income and expenses-

The Plan records income and expenses on the accrual basis of accounting. In accordance with generally accepted accounting principles, benefits are recorded in the period paid. Purchases and sales of securities are recorded on a trade-date basis.

Net appreciation (depreciation) in fair value of investments represents the net increase (decrease) in the fair value of investments sold during the year or held at year-end over (1) the fair value of investments held at the prior year-end, or (2) the cost of investments acquired during the current year.

Certain administrative expenses are borne by the Plan. However, the Company provides services and support to the Plan with no associated compensation.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The Plan administrator has obtained certification from the trustee, Ascensus Trust Company, that the following information furnished by the trustee and included in the financial statements and supplemental schedule of Assets (Held at End of Year) is complete and accurate:

1. Investments as of December 31, 2025 and 2024;
2. Participant loans as of December 31, 2025 and 2024; and,
3. Investment transactions, investment income and participant loan transactions for the year ended December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value is a market-based measurement, determined based on assumptions that market participants would use in pricing an asset or liability. Under generally accepted accounting principles, there are three levels of inputs, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

NOTE 4 - Continued:

The inputs or methodology used for valuing investments is not necessarily an indication of the risk associated with investing in those securities. Further, use of different methodologies or assumptions to determine fair values could result in different fair value measurements at the reporting date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are actively-traded, open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price.

Collective investment trust: Valued at the net asset value ("NAV") of units held by the Plan at year end. The NAV, as provided by the trustee and custodian, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective trust is calculated based on a compilation of primarily observable market information. The number of units of the trust that are outstanding on the calculation date is derived from observable purchase and redemptions activity in the trust.

The following tables set forth by level within the fair value hierarchy of the Plan's investments as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$7,559,551			$7,559,551
				7,559,551
Collective trust				296,992
	$7,559,551	$-	$-	$7,856,543

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$6,595,478			$6,595,478
				6,595,478
Collective trust				256,867
Cash equivalents				4,467
	$6,595,478	$-	$-	$6,856,812

NOTE 4 - Continued:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2025			
	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Reliance Trust Stable Value Fund – MetLife Series GAC 25053, Class O	$296,992	n/a	Daily	none

	December 31, 2024			
	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Reliance Trust Stable Value Fund – MetLife Series GAC 25053, Class O	$256,867	n/a	Daily	none

NOTE 5 - FEDERAL INCOME TAXES:

The Plan trustees adopted a volume submitter plan effective August 1, 2021. A determination letter dated June 30, 2020 from the Internal Revenue Service has been obtained by the volume submitter plan sponsor that states that the form of the plan qualifies under section 401 of the Internal Revenue Code. Although the Plan has not received a determination letter specific to the Plan itself, it is the intent of the Company that by following the volume submitter plan, that the Plan be exempt from federal income taxes. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has concluded that as of December 31, 2025, the Plan has not taken any uncertain positions that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS:

Ascensus Trust Company acts as trustee for investments of the Plan as well as the third party administrator. Therefore, transactions with Ascensus Trust Company qualify as party-in-interest transactions.

NOTE 7 - OPERATIONAL ERRORS AND NONEXEMPT TRANSACTIONS:

The Plan has identified certain areas of noncompliance with its governing documents. These errors include lack of auto enrollment on new hires in 2023, and in 2024 and 2023, certain bonuses and other pay were improperly excluded from deferrals and match. The estimated corrections to the Plan have been accrued as of December 31, 2024. Plan management has corrected the amounts, including lost earnings, to impacted participants. Employer contributions in 2025 include correcting amounts of $11,965. In addition, a Plan amendment was executed in 2024 to retroactively correct the definition of eligible compensation to conform to actual practice. Any penalties or fees associated with these corrections were borne by the Company.

In 2025, a remittance to the Plan for one pay period was deemed to be late under the rules for timely remittance of deferrals and loan payments. The remittance was made in 2025 and lost earnings will be restored in 2026.

NOTE 8 - SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 21, 2026, the date which the financial statements were available to be issued.

Effective March 1, 2026, the Plan changed its name to the UMBRAGROUP US 401(k) Plan. Plan provision changes include adding non-union employees of Linear Motion, LLC (an affiliate through common ownership) and lowering the eligibility age to 18. In addition, participants transferred to this plan from Linear Motion, LLC are transferred with 100% vesting. For other participants, full vesting is now achieved after 5 years of service.
