INDEPENDENT AUDITOR'S REPORT

October 8, 2026

To the Plan Administrator and Participants of the
Safran Trusted 4D, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Safran Trusted 4D, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Safran Trusted 4D, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Safran Trusted 4D, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Safran Trusted 4D, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Safran Trusted 4D, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Safran Trusted 4D, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Safran Trusted 4D, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution retirement plan available to all employees meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers the employees of Orolia USA, Inc., Orolia Defense & Security, LLC, Safran Federal Systems (previously known as Orolia Government Systems, Inc.), Orolia Fleet Management LLC, and Talen-X (collectively, the Companies).

Administration

Safran Trusted 4D, Inc. is the plan sponsor and plan administrator. Three employees, at various positions throughout the Companies, serve as trustees of the Plan. Voya Retirement Insurance and Annuity Company (Voya) is the custodian of the Plan's assets and Actuarial Pension Analysts is the third-party administrator and recordkeeper of the Plan's assets.

Eligibility

Employees of the Companies are eligible to participate in the employee contributions, non-elective safe harbor basic contributions, and discretionary employer profit sharing contributions on the first day of the calendar month coincident with or next following satisfaction of the attainment of age 21.

Contributions

The Plan allows participants to contribute an amount from 1% to 100% of their annual compensation. Participants are subject to certain contribution limitations under Section 401(k) and Section 415 of the Internal Revenue Code (IRC). Participants that have reached the age of 50 may elect to defer additional amounts to the Plan. A participant may designate all or a portion of their elective deferral contribution as after-tax Roth elective deferrals.

The Companies make matching contributions to the Plan each pay period on behalf of each participant at a rate equal to 50% of matched deferrals capped at 6% of compensation. The Companies also make non-elective safe harbor contributions to the Plan on behalf of each participant at a rate equal to 3% of participant eligible compensation. The Companies may elect to make additional discretionary profit-sharing contributions to all eligible employees in a given plan year. There were no discretionary profit-sharing contributions in 2025 or 2024.

The Plan includes an automatic enrollment provision for non-contributing eligible employees unless the employee affirmatively elects not to participate. The automatic deferral percentage is 5% of eligible wages. Effective November 15, 2024, the automatic deferral percentage was increased to 6% of eligible wages. Additionally, the Plan includes an automatic escalation feature. Participant deferral percentages will increase by 1% annually until a deferral rate of 10% is reached. Effective November 15, 2024, the maximum automatic escalation deferral rate was increased to 15%.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Each participant's account is credited with the participant's contributions, employer contributions, and investment earnings or losses, and is reduced by benefit payments and administrative expenses. Net earnings or losses from each investment fund are allocated to each participant's account based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their elective and employer contributions plus actual earnings thereon.

Benefits Paid to Participants
Upon termination of service due to death, disability or retirement, participants may elect to receive a distribution of their vested account balance in either a single lump sum, partial distribution, or rollover into another qualified plan.

In-Service Withdrawals
In-service withdrawals from the Plan are permitted from an actively employed participant's account upon the attainment of age 59 ½.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from a participant's account under circumstances. All hardship withdrawals must comply with IRC rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants
Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance for a period not to exceed five years except for if the loan is used to purchase a primary residence. Loans are secured by the balance of the participant's account, and bear interest at the prime rate plus 2%. Principal and interest are paid ratably through weekly payroll deductions. Principal and interest payments on the notes are redeposited into the participants' accounts based on their current investment allocation elections.

Forfeitures
Forfeitures of safe harbor basic contributions are used to reduce future employer contributions or pay plan expenses. Forfeitures, including gains (losses), totaled $51,425 and $76 during 2025 and 2024, respectively. Forfeitures used to reduce employer contributions and pay plan expenses totaled $51,433 and $7,417 during 2025 and 2024. The balance of unallocated forfeited non-vested accounts totaled $2 and $10 as of December 31, 2025 and 2024, respectively.

Administrative Expenses
The Plan pays for substantially all expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Companies.

Plan Termination
Although the Companies have not expressed any intent to do so, the Companies have the right to terminate the Plan at any time subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis and dividend income is recorded on the ex-dividend date. The net appreciation in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the accompanying statements.

Benefits Paid to Participants

Benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to use estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassification

Certain reclassifications have been made to the prior year information to conform to the current year presentation.

3. CERTIFIED INVESTMENT INFORMATION

In accordance with Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by Voya, the custodian, as of and for the years ended December 31, 2025 and 2024, respectively, and is included in the accompanying financial statements and supplemental schedule:

	2025	2024
Investments, at fair value	$ 37,317,272	$ 29,880,126
Investments, at contract value	$ 2,910,846	$ 1,981,568
Investment income, net	$ 5,292,529	$ 3,348,325
Schedule of Assets (Held at End of Year)	Schedule I (except "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 37,317,272	$ -	$ -	$ 37,317,272

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 29,880,126	$ -	$ -	$ 29,880,126

The following is a description of the valuation methodologies used for assets measured at fair value. During the current year, the Plan obtained additional information regarding certain investments previously reported as pooled separate accounts. Based on information provided, management determined that the investments represent direct investments in mutual funds for which quoted market prices are readily available. Accordingly, the related investments are presented as mutual funds in the accompanying financial statements and classified within Level 1 of the fair value hierarchy. This change did not affect the Plan's net assets available for benefits or changes in net assets available for benefits.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Mutual funds: valued at fair value based on quoted market prices.

5. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan entered into a traditional fully benefit-responsive investment contract with Voya under a guaranteed general account contract. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made, plus investment income, less funds used to pay retirement benefits and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investments at contract value. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024, was $2,910,846 and $1,981,568, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. There are no events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Voya, the custodian of the Plan. Therefore, transactions between Voya and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

7. TAX STATUS

The Plan adopted a pre-approved plan offered by Datair Employee Benefit Systems, Inc. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available for benefits agree between the financial statements and the Form 5500 as of December 31, 2025 and 2024, certain classifications differ between the financial statements and Form 5500.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 8, 2026, which is the date the financial statements were available to be issued.
