Report to the 401(k) Plan Committee

2025 AUDIT RESULTS

Tiff's Treats GP, LLC 401(k) plan
December 31, 2025
Date: October 7, 2026

The following communication is intended solely for the information and use of those charged with governance and, if appropriate, management, and is not intended to be, and should not be, used by anyone other than these specified parties.

AUDIT RESULTS

Particularly Sensitive Accounting Estimates

Fair Value of Investments

Description of Estimate
The most sensitive estimate affecting the financial statements is management's estimate of the valuation of investments held by Fidelity Management Trust Company (the Trustee). This valuation has been determined by using quoted market prices. The Trustee provided a certification letter indicating that the investments exist and are kept under its control. The Trustee further certifies that all the information pertaining to valuation of investments, and related investment activity, is complete and accurate. Management approved the valuation methods utilized in the Plan's financial statements. As you elected an ERISA Section 103(a)(3)(C) audit, we performed no auditing procedures with respect to the certified information including investment values other than to compare the amounts included in the financial statements to the certified information.
