Independent Auditors' Report

To the Trustees of
Cambridge Information Group, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cambridge Information Group, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cambridge Information Group, Inc. 401(k) Retirement Plan

Notes to Financial Statements

For the Years Ended December 31, 2025 and 2024

1. Description of Plan

The following description of the Cambridge Information Group, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of Cambridge Information Group, Inc. and its affiliates through substantially common ownership (the "Company"). The Plan qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company's management is responsible for the oversight of the Plan and for determining the appropriateness of the Plan's investment offerings, including monitoring investment performance. The Company has established a Retirement Plan Committee to facilitate its oversight of the Plan.

The Plan includes employees of the following companies (collectively, the "Companies"): Cambridge Information Group, Inc. ("CIG"), R.R. Bowker, LLC ("Bowker"), Institute of Art Holdings LLC ("Institute"), Music Makers Holdings LLC ("Music Makers"), Institute for Experiential Education LLC (formerly, Institute of Media and Communications LLC) ("IEE"), CIG Education Group, LLC ("CEG"), CIG Professional Services ("CPS"), BrandEd Holdings LLC ("BrandEd"), BrandEd UK Services LLC ("BrandEd UK"), Emerald Group Publishing, Inc. ("Emerald"), Mindtools LLC ("Mindtools"), and Kineo Group, Inc. ("Kineo").

On October 22, 2025, CIG Education Group LLC ("CEG") was removed as a participating employer in the plan effective as of December 16, 2024. The removal of CEG as a participating employer did not have an impact on the financial statements as CEG participants were transferred to CIG.

Eligibility

The Plan covers all employees who are age 21 or older, excluding leased employees, self-employed individuals, collectively-bargained employees, non-resident aliens who do not have United States source income, employees who are residents of Puerto Rico, summer interns, and temporary workers hired for a specific job of limited duration.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans

1. Description of Plan (Continued)

(rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants will have their deferral rate increase by 1% on the anniversary of their enrollment date until their deferral rate reaches 15%. The Company matches the greater of 50% of the first $12,000 that a participant defers to the plan, or 50% of the first 6% that a participant defers to the plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Company matching contributions and an allocation of the Plan’s earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 33% vested after one year of credited service and continues to vest in increments of 33% until 100 percent vested after three years of credited service.

Investment Options

Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers common trust funds, mutual funds, and a self-directed brokerage account as investment options for participants. Participants have purchased shares of mutual funds, common stock and interest-bearing cash through the self-directed brokerage account. In the event a participant fails to make an investment election with respect to all or any portion of their account subject to their investment election, the trustee shall invest all or such portion of their account in the investment fund designated by the Plan administrator, which is the appropriate age-based target fund provided by the trustee as defined by the Plan.

1. Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Participants may only have 1 outstanding plan loan at any time. The loans are secured by the balance in the participant's account. Participant repayment terms are generally for a period of up to five years, with exceptions permitted for purchase of a principal residence. The loan interest rate is set at a reasonable rate similar to the rate charged for a loan made under similar circumstances by persons in the business of lending money.

The loan interest rate ranged from 4.25% to 9.50% for loans outstanding as of December 31, 2025 and 2024.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $88,925 and $40,101, respectively. These accounts will be used to reduce future employer contributions or to pay plan administrative expenses. During 2025, plan administrative expenses were reduced by $22,050, from forfeited nonvested accounts, in accordance with plan provisions. During 2024, employer contributions were reduced by $14,560 from forfeited nonvested accounts, in accordance with plan provisions.

Payment of Benefits

On termination of service, a participant (or designated beneficiary) may elect to receive an amount equal to the value of the vested interest in their account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59 1/2, in certain hardship situations, and other situations as detailed by the Plan Document. The Plan, in line with the IRS rules, also requires the participants to receive Required Minimum Distributions once they reach the age stipulated by law. A participant may elect to receive a lump sum payment or may roll over the value of their account into another qualified plan. In the event a participant terminates or retires and the participant's vested balance is less than $5,000, the balance will be rolled into an IRA if in excess of $1,000 or paid in the form of a lump sum distribution if less than $1,000.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Summary of Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants and the Company are recognized in the period during which employee payroll withholdings are made and the related employer contributions are earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the Plan administrator deemed the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Accounting Policies (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Subsequent events were evaluated through October 1, 2026, the date the financial statements were available to be issued. Subsequent to December 31, 2025, Music Makers and Emerald ceased to participate in the plan effective May 12, 2026 and June 1, 2026, respectively. As the cessation occurred subsequent to year-end and relates to conditions arising after the statement of net assets available for benefits date, no adjustment has been made to the accompanying financial statements. On August 4, 2026, the plan adopted an amendment to implement various provisions of the Secure 2.0 Act. Certain of these provisions were implemented retroactively to various points in 2025. The implementation of these provisions would not have a material impact on the 2025 financial statements. Management has concluded that disclosure of these events are appropriate in accordance with applicable accounting guidance related to subsequent events.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 – Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

3. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are actively traded.

Investments measured at net asset value: Consisting of common-collective trusts, valued at the net asset value ("NAV") of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 92,284,286	$ -	$ -	$ 92,284,286
Self-directed brokerage accounts	10,992,149	-	-	10,992,149
Total assets in the fair value hierarchy	103,276,435	-	-	103,276,435
Investments measured at net asset value (a)	-	-	-	165,150,016
Total investments at fair value	$ 103,276,435	$ -	$ -	$ 268,426,451

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 82,667,486	$ -	$ -	$ 82,667,486
Self-directed brokerage accounts	8,735,187	-	-	8,735,187
Total assets in the fair value hierarchy	91,402,673	-	-	91,402,673
Investments measured at net asset value (a)	-	-	-	159,795,222
Total Investments at Fair Value	$ 91,402,673	$ -	$ -	$ 251,197,895

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

3. Fair Value Measurements (Continued)

The table below details investments measured at NAV, as reported by the managers of the accounts and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. NAV is used as a practical expedient to estimate fair value as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust funds:				
T. Rowe Price Retirement Funds (b)	$ 160,881,842	$ -	Daily	1 day
Goldman Sachs Stable Value Institutional Series Class 1 (c)	4,226,453	-	Daily	1 day
Fidelity Managed Income Portfolio Class 2 (d)	21,472	-	Daily	1 day
Putnam Stable Value Fund 15 (e)	20,249	-	Daily	1 day
	$ 165,150,016	$ -		

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust funds:				
T. Rowe Price Retirement Funds (b)	$ 154,633,563	$ -	Daily	1 day
Goldman Sachs Stable Value Institutional Series Class 1 (c)	5,161,659	-	Daily	1 day
	$ 159,795,222	$ -		

(b) These trusts invest in underlying commingled T. Rowe Price Trusts, each one emphasizing a different market sector. Over time, the Trust’s allocation to bonds will increase and its allocation to stocks will decrease.

(c) The fund invests in stable value investment contracts and in fixed income instruments which underlie stable value contracts as well as in money market instruments. The fund seeks to earn current income and preserve capital and stability of principal.

(d) The fund invests in benefit-responsive wrap contracts issued by insurance companies and financial institutions, high-quality fixed-income securities (such as U.S. Treasuries, agency bonds, corporate bonds,

and mortgage-backed securities), and money market funds to maintain daily liquidity and preserve principal.

(e) The fund invests in a diversified portfolio of high-quality guaranteed investment contracts (CIGs) issued by banks and insurance companies. Additionally, it holds security-backed investment contracts (SBICs), money market instruments, and cash equivalents to preserve principal and maintain steady, stable returns.

4. Transfers Into or Out of the Plan

Effective January 2, 2025 and November 3, 2025, the Plan was amended to include employees of BrandEd UK Services LLC and Kineo Group Inc., respectively. The Plan Sponsor remains unchanged. Employees of the newly added entities became eligible to participate in the Plan in accordance with its terms and provisions. This amendment does not affect the rights or obligations of existing participants. Transfers into the Plan totaled $3,215,051 representing the movement of participant assets from qualified plans due to the addition of new participating companies. All transfers were made at fair value in accordance with the provisions of the Plan and applicable U.S. GAAP. These transactions did not affect the net assets available for benefits beyond the reported amounts and were executed in compliance with ERISA and relevant regulatory requirements.

Effective October 1, 2024, the Plan was amended to include employees of Emerald and Mindtools. The Plan Sponsor remains unchanged. Employees of the newly added entities became eligible to participate in the Plan in accordance with its terms and provisions. This amendment does not affect the rights or obligations of existing participants. Transfers into the Plan totaled $1,176,487 representing the movement of participant assets from qualified plans due to the addition of new participating companies. All transfers were made at fair value in accordance with the provisions of the Plan and applicable U.S. GAAP. These transactions did not affect the net assets available for benefits beyond the reported amounts and were executed in compliance with ERISA and relevant regulatory requirements.

5. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, T. Rowe Price Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025 and 2024.

6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

8. Tax Status

The Plan adopted a pre-approved plan offered by T. Rowe Price Retirement Plan Services, Inc. The pre-approved plan received an IRS Opinion Letter dated August 19, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

8. Tax Status (Continued)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
