INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
EFPR Group, LLP 401(k) Profit Sharing Plan
Rochester, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of EFPR Group, LLP 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA
The supplemental schedule, Schedule H, Line 4(i)-Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EFPR Group, LLP
401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2025

1. Description of the Plan

The EFPR Group, LLP 401(k) Profit Sharing Plan (the Plan) covers all eligible employees of EFPR Group, LLP (the Plan Sponsor) and the related entities, as defined below.

The participating employers in the Plan include the following: EFPR Group CPA's, EFPR Solutions, LLC; EFP Rotenberg Holdings, LLC; EFP Wealth Advisors, LLC; Toski & Co CPAs, PC; Eldredge, Fox & Poretti, LLP; RJ Williams Group, CPAs, PLLC; Kristie M. Beach, CPAs, PLLC; EFPR Group Florida CPAs, PLLC.

Additionally, the Plan counts years of service for eligibility and vesting purposes for elective deferrals, matching and profit sharing contributions for the following employers: Carnevale Niles Whiney & Davis, PC; Eldredge Fox & Poretti, LLP; Rotenberg & Company, LLP; Sinicropi & Healy, LLP; Toski & Co. CPAs, PC; S Barrie Godown CPAs PA; Webber CPA, PLLC; Provvidenza CPA's; Fecteau, PLLC; Nowicki & Company; Kristie M Beach, CPAs, PLLC; and RJ Williams Group, CPAs, PLLC.

On February 13, 2025, the Plan Sponsor reorganized into EFPR Group CPAs, PLLC (Group CPAs) and EFPR Advisory, LLC (Advisory). Subsequently, certain assets were sold to Springline Advisory Holdings, LLC, and all employees of the former employer, Group CPAs, were transferred to Advisory. Effective March 13, 2025 per the Joinder Agreement, EFPR Advisory, LLC was added to the Plan. However, Advisory is not part of the controlled group. Accordingly, effective March 13, 2025, the Plan changed from a single employer to a multiple employer defined contribution 401(k) plan.

General

The Plan is a multiple employer defined contribution 401(k) plan with a profit-sharing feature. The Plan covers substantially all employees of the participating employers who have one year of service (12 months containing 1,000 hours of service) and are age twenty-one or older. There is no service requirement relating to the 401(k) feature and employees automatically enter the Plan with 5% pre-tax 401(k) contributions on the first day of the payroll period on or after their date of hire unless they opt out. Participant elective deferrals automatically increase by 1% each year, up to 10% of compensation. The entry date for purposes of the profit-sharing feature is the first day of each calendar quarter that falls on or after the day on which an employee meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Document together with the Non-Standardized Pre-Approved Adoption Agreement should be consulted for a more complete description of the Plan's provisions.

Contributions

Each year participants may contribute up to 92% of compensation on a pre-tax basis not to exceed the maximum allowed by law. Participants are also permitted to make contributions as "Roth" contributions. Participants are permitted to contribute distributions from other qualified plans ("rollovers"). The Plan constitutes a Safe Harbor Plan, which requires a Safe Harbor Non-Elective employer contribution of 3% of eligible compensation. The Plan Sponsor may make discretionary employer matching and non-elective contributions to the account of each participant in an amount determined by Plan management, provided the participant is at least twenty-one or older and has completed one year of service. Upon meeting the employer matching and non-elective eligibility computation period, Plan management, in their sole discretion, may make an employer matching and non-elective contribution on the participant's behalf. All of the Plan assets are participant directed.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's Safe Harbor and discretionary contributions and Plan earnings and is charged with the participant's withdrawals or distributions and an allocation of administrative expenses, and an allocation of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the participant's vested account balance. The participant may direct the investment of their funds within the investments offered by the Plan.

Vesting

Participants are immediately vested in their own contributions plus earnings thereon. Under the Safe Harbor Plan provisions, participants are 100% vested in amounts attributed as Safe Harbor employer contributions. Participants must have completed a year of service to receive the Safe Harbor contribution. Regarding discretionary employer contributions and earnings thereon, employees become 100% vested after six years of service at the rate of 20% per year starting with the second year of service.

Participants' Notes Receivable

Participants may borrow from their participant account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. The maximum number of loans outstanding at one time per participant is two. Loans require repayment within 5 years unless the loan is for the purchase of a primary residence, which allows for a longer repayment term. The loans are secured by the balance in the participant's account and bear interest equal to the prime rate plus 2% at the time of each loan. Principal and interest must be paid ratably through payroll deductions or otherwise in at least equal quarterly installments.

Payment of Benefits

Upon separation from service including death, disability or normal retirement, a participant or beneficiary generally may elect to rollover benefits into an individual retirement account or another qualified plan or receive a lump sum payment in an amount equal to the value of the participant's vested interest in his or her account as dictated by provisions of the Plan. Upon death, disability or attainment of prescribed retirement requirements, a participant becomes 100% vested in his or her account in full. In-service withdrawals are allowable.

Effective June 1, 2022, in-plan Roth transfers are permitted without limitations and in-service withdrawals from employer matching contributions and non-elective contributions are allowable after 5 years of participation.

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts can be used to restore forfeitures, reduce employer contributions, or pay reasonable plan expenses. There were no forfeitures used for the year ended December 31, 2025 or 2024.

As of December 31, 2025 and 2024, there was no forfeiture balance in the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounting records and financial statements of the Plan are maintained on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Accounting Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net realized and unrealized appreciation in fair value of investments, interest and dividend income, and administrative expenses for the years ended December 31, 2025 and 2024, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the trustee, Empower Trust Company, LLC and Empower Annuity Insurance Company of America.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Administrative Expenses

Professional fees and other administrative expenses are paid by the Plan, unless paid by the Plan Sponsor.

Payment of Benefits

Benefits are recorded when paid.

Accounting for Uncertainty in Income Taxes

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, Subtopic 10 prescribes a comprehensive model for how a plan should measure, recognize, present, and disclose in its financial statements uncertain tax positions that the plan has taken or expects to take on a tax return. The Plan recognizes tax benefits from uncertain tax positions only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There was no impact to the Plan's financial statements as a result of FASB ASC Topic 740, Subtopic 10.

2. Summary of Significant Accounting Policies (continued)

Subsequent Events

The Plan has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued. Effective January 1, 2027, Plan management intends to merge the Plan with and into a defined contribution 401(k) plan sponsored by Springline Advisory Holdings, LLC. The relationship between the Plan and Springline Advisory Holdings, LLC is described in Note 1, "Description of the Plan." As of the date the financial statements were available to be issued, no definitive agreement related to the proposed merger had been executed, and the merger had not occurred. The proposed merger remains subject to the completion of required corporate actions and approvals.

3. Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures* (FASB ASC 820), provides the framework for measuring fair value. The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Market data or assumptions about risk and the risks inherent in the inputs are used in the valuation technique. These inputs can be readily observable, market corroborated or generally observable. Primarily the market approach for recurring fair value measurements is applied and also endeavored to utilize the best available information. Accordingly, the use of valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs are utilized. Fair value balances have been classified based on the observance of those inputs into the fair value hierarchy levels as set forth in the fair value accounting guidance.

All transfers between fair value hierarchy levels are recognized by the Plan at the end of each reporting period. There were no significant transfers between Levels 1, 2, and 3 during the year.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruction pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2025 and 2024.

3. Fair Value Measurements (continued)

Mutual funds: Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities. Level 1 assets primarily include exchange-traded equity securities, mutual funds and U.S. Treasury Bonds. Prices are obtained from readily available sources for market transactions involving identical assets or liabilities and these are classified as Level 1 investments.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Pooled separate accounts: Fair values are based on unit values calculated daily by the annuity provider according to the methods described in the underlying annuity contract.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Investments at Fair Value as of December 31, 2025

4. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan Document, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

5. Tax Status

The Plan has adopted a non-standardized form of a pre-approved plan sponsored by Modern Wealth Business, LLC. The pre-approved plan provider has received an opinion letter dated July 16, 2024 from the Internal Revenue Service (IRS) as to the pre-approve plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan's Administrator believes the Plan is operating in compliance with the Internal Revenue Code and has taken the necessary steps to maintain the Plan's qualified status.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2022.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Information Prepared and Certified by Trustee

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, included throughout the Plan's financial statements and supplemental schedule that was provided by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee and Empower Annuity Insurance Company of America that the information provided to the Plan administrator related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations of Reporting and Disclosure under ERISA Section 103(a)(3)(C), the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets at December 31:

	2025	2024
Mutual funds	**$ 24,572,010**	$ 29,221,187
Self-directed brokerage accounts	**4,588,880**	4,146,313
Pooled separate accounts	**8,682,507**	-
Total investments at fair value	**$ 37,843,397**	$ 33,367,500

Empower Trust Company, LLC and Empower Annuity Insurance Company of America also certified the completeness and accuracy of the notes receivable from participants and the net realized and unrealized appreciation in fair value of investments, interest and dividend income, and administrative expenses as of and for the years ended December 31, 2025 and 2024, respectively.

8. Related Party Transactions

Certain Plan investments are shares of funds that are held and managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America. Empower Trust Company, LLC and Empower Annuity Insurance Company of America are the custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management and recordkeeping services amounted to $53,807 and $52,840 in 2025 and 2024, respectively.

The Plan believes these fees are not prohibited as they represent payments for reasonable compensation for the operation of the Plan. The Plan also issues loans to participants, which are secured by balances in the respective participant accounts. These qualify as party-in-interest transactions and are exempt from prohibited transaction rules.

9. Reconciliation of Financial Statements to Schedule H of Form 5500
