Independent Auditors' Report

To the Plan Administrator of ATC Individual Account Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ATC Individual Account Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ATC Individual Account Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ATC Individual Account Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ATC Individual Account Pension Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ATC Individual Account Pension Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ATC Individual Account Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter—2024 Financial Statement

Predecessor auditors performed an audit of the 2024 financial statements of ATC Individual Account Pension Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 23, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule(s), other than the information in the 2024 supplemental schedule(s) that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule(s) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

ATC INDIVIDUAL ACCOUNT PENSION PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024 AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. DESCRIPTION OF THE PLAN

The following description of the ATC Individual Account Pension Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General—The Plan is a defined contribution plan covering certain eligible classes of employees of ATC Management Inc. (the "Company"). An employee is eligible to participate on the first day of the subsequent month following their date of hire at the Company. The Company sponsors and administers the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company's Employee Benefits Committee is responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

401(h) Account—The Plan includes a medical-benefit component in addition to the normal retirement benefits to fund a portion of the post-retirement obligations for retirees and their beneficiaries in accordance with Section 401(h) of the Internal Revenue Code (IRC). A separate account has been established and maintained in the Plan for the net assets related to the medical-benefit component ("401(h) account"). The 401(h) account is held and managed by U.S. Bank N.A., who directs the account balance into the investment options it chooses. In accordance with IRC Section 401(h), the Plan's investments in the 401(h) account may not be used for, or diverted to, any purpose other than providing health benefits for retirees and their beneficiaries. Plan participants do not contribute to the 401(h) account. Employer contributions or qualified transfers to the 401(h) account are at the discretion of the plan sponsor.

Contributions—The Company makes annual contributions to participants' accounts that are currently based on an amount equal to 5% of an active participant's eligible compensation. Company contributions are made to participant accounts on a bi-weekly basis.

Participants' Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited with the Company contribution and an allocation of Plan earnings and charged with withdrawals, an allocation of Plan losses and administrative expenses. Allocations of Plan earnings/losses are based on participant earnings/losses on account balances, as defined. The maximum benefit to which a participant is entitled from the Plan is the benefit that can be provided from that participant's account.

Vesting—Participants are immediately vested in the Company contributions plus actual earnings thereon. Therefore, there are no forfeitures under the Plan.

Payment of Benefits—On termination of service due to retirement, death, disability or termination of employment, a Plan participant may elect to receive a lump-sum distribution or installments equal to the vested interest in their account. Benefits may also be payable in the form of a qualified joint and at least 50% survivor annuity, if the participant is married, or a life annuity if the participant is unmarried. Effective December 1, 2022, partial withdrawals may also be elected.

Investment Elections—The participants may direct their account balance into a variety of different investment options. The Company currently offers a money market fund, a collective investment trust, various mutual funds, and participant-directed brokerage accounts as investment options for participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates—The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from these estimates.

Risks and Uncertainties—The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value at quoted market prices. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are accounted for on the trade date. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in the fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

401(h) Account—The Plan records the aggregate amount of net assets held in a 401(h) account related to health and welfare plan obligations for retirees as both assets and liabilities on the face of the statements of net assets available for benefits. Investment income, changes in the market value of investments and employer contributions to the 401(h) account are reported as changes to both assets and liabilities, with no activity reported in the statement of changes in net assets available for benefits. The ATC Management Inc. Health Care Plan is required to reflect the benefit obligations related to the 401(h) account.

Administrative Expenses— Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Benefit Payments—Distributions to participants are recorded when paid. There were no benefit payments requested and unprocessed as of December 31, 2025 and 2024.

Subsequent Events—Management has evaluated the impact of all subsequent events through October 9, 2026, the date the Plan's financial statements were available to be issued and determined that all

subsequent events have been appropriately recognized and disclosed in the accompanying financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEES (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, and U.S. Bank N.A., trustee of the 401(h) account, have certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024 and the supplemental schedule H, part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2025, and the related investment activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

The following tables present the components of the net assets held in the Plan restricted for the 401(h) account as of December 31, 2025 and 2024, and the related changes in the net assets for the year ended December 31, 2025:

	2025	2024
Net assets in 401(h) account:		
Investments:		
Money market fund	$ 10,899	$ 32,568
Mutual funds	3,867,646	3,959,708
Benefit Claim Payable	-	(3,457)
Accrued interest	92	84
Net assets held in pension plan—restricted for 401(h) account	$ 3,878,637	$ 3,988,903

Changes in net assets in the 401(h) account:	
Interest and dividends	$ 110,487
Net appreciation in fair value of investments	522,664
Benefit claims paid	(728,485)
Administrative expenses	(14,932)
Net decrease in net assets held in 401(h) account	(110,266)
Net assets available in 401(h) account:	
Beginning of year	3,988,903
End of year	$ 3,878,637

4. FAIR VALUE MEASUREMENTS

The Plan follows U.S. GAAP for measuring, reporting, and disclosing fair value. These standards apply to all assets and liabilities that are measured, reported, and/or disclosed on a fair value basis.

As defined in the accounting standards, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liabilities
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

Level 3 Inputs to the valuation methodology that are unobservable and not corroborated by market data.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Certain prior-year values have been reclassified within the fair value disclosures to conform to the current-year presentation. The Plan's investment in the common collective trust, which is measured using net asset value as a practical expedient, was previously included as a Level 1 investment. The reclassification had no effect on net assets available for benefits or changes in net assets available for benefits.

The following are descriptions of the valuation methodologies used for investments measured at fair value:

Money market fund: Valued at the net asset value of the shares held by the Plan at year end.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Participant-Directed Brokerage Accounts: The Plan's investments held in participant-directed brokerage accounts may include mutual funds, common stock, bonds, cash, money market funds, unit investment trusts and options. The fair values of mutual funds and money market funds are based on the quoted net asset values of the shares held by the Plan at year end. The fair values of common stock and unit investment trusts are based on quoted market prices. Cash is reported at carrying value which approximates fair value. The fair value of bonds for which quoted market prices are not available are valued based on yields currently available on comparable securities of issues with similar credit ratings. The fair value of options is based on cost; no value is given until options are exercised.

Investments measured at net asset value: Consisting of common-collective trusts, valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The plan sponsor is responsible for the determination of fair value. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial reporting instruments could result in a different fair value measurement at the reporting date.

The following tables contain, by level within the fair value hierarchy, the Plan's non-401(h) account investments measured at fair value as of December 31, 2025 and 2024:

	December 31, 2025

Investments measured at net asset value (a)	-	-	-	4,732,664
Total non-401(h) account investments at fair value	$ 72,561,647	$ 2,596,001	$ -	$ 79,890,312

(a) In accordance with the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements", certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

As of December 31, 2025 and 2024, the Plan's non-401(h) account had investments of $36,518,399 and $30,142,621 concentrated in three funds, respectively.

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common-collective trusts	$5,029,212	N/A	Daily	None

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common-collective trusts	$4,732,664	N/A	Daily	None

The following tables contain, by level within the fair value hierarchy, the investments in the Plan restricted for the 401(h) account measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money market fund	$ -	$ 10,899	$ -	$ 10,899
Mutual funds	3,867,646	-	-	3,867,646
Total 401(h) account investments at fair value	$ 3,867,646	$ 10,899	$ -	$ 3,878,545

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ -	$ 32,568	$ -	$ 32,568
Mutual funds	3,959,708	-	-	3,959,708
Total 401(h) account investments at fair value	$ 3,959,708	$ 32,568	$ -	$ 3,992,276

In addition to the investments at fair value listed above, the 401(h) account had no cash balance at December 31, 2025 and 2024.

5. ADMINISTRATION OF PLAN ASSETS

The Plan's assets are administered under a contract with Fidelity Management Trust Company and U.S. Bank, N.A., the trustees of the Plan. The trustees invest funds received from contributions, investment sales, interest, and dividend income and make distribution payments to participants.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain mutual funds, participant-directed brokerage accounts, a collective investment trust, and a money market portfolio managed by Fidelity Management Trust Company and U.S. Bank, N.A., trustees of the Plan. These are not considered prohibited transactions under ERISA. Fees paid by the Plan for investment management, recordkeeping and other operating expenses are with the trustee and are party-in-interest transactions. These fees are netted against investment income.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

8. FEDERAL TAX STATUS

The Plan is designed as a volume submitter money purchase pension plan and is maintained by Fidelity Management & Research Company, the volume submitter sponsor. The Plan has obtained a favorable determination letter from the Internal Revenue Service (IRS) dated September 26, 2022 stating that the Plan based on the information provided was deemed qualified under the Internal Revenue Code (IRC) Section 401. The Plan has not been amended since receiving the determination letter, therefore plan management and the Company believe that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC, and that the related trust qualifies under Section 401 to be tax-exempt as of December 31, 2025.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The net assets of the 401(h) account included in Form 5500 are not available to pay Plan retirement benefits but can be used only to pay certain retiree health benefits and are thus excluded from the net assets in the Plan's financial statements. Such amounts are included in the Plan's net assets as reported on the Form 5500.

The following is a reconciliation of net assets available for benefits as reported in the financial statements to the net assets as reported on Schedule H, Part I:

	2025	2024
Net assets available for benefits as reported in the financial statements	$ 94,397,927	$ 79,890,312
Net assets held in 401(h) account included as assets on the Form 5500	3,878,637	3,988,903
Net assets as reported on the Form 5500	$ 98,276,564	$ 83,879,215

The following is a reconciliation of the net increase in the 2025 net assets of the Plan as reported in the financial statements to the net income as reported on Schedule H, Part II:

Net increase in the net assets of the Plan, as reported in the financial statements	$ 14,507,615
Change in 401(h) account assets:	
Benefits paid to retirees	(728,485)
401(h) account net investment income	633,151
Administrative expenses	(14,932)
Net income as reported on the Form 5500	$ 14,397,349
