To the Plan Administrator, Board of Directors, and Management
403(b) Thrift Plan for Project for Pride in Living, Inc.
Minneapolis, Minnesota

We have audited the financial statements of the 403(b) Thrift Plan for Project for Pride in Living, Inc. (the Plan), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2025, and have issued our report thereon dated October 12, 2026. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. The appendixes to this letter cover these topics as follows:

Appendix I – Communications relating to internal control.

Appendix II – Communication of significant audit findings.

Appendix III – Additional comments and suggestions.

This information is intended solely for the information and use of the Plan Administrator, Board of Directors, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

We thank management and staff for the courtesies extended to us during the course of our work. If there are any questions regarding our audit or this letter, we would be happy to discuss them with you.

Mahoney Ulbrich Christiansen & Russ, PA

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the 403(b) Thrift Plan for Project for Pride in Living, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the 403(b) Thrift Plan for Project for Pride in Living, Inc.'s system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mutual of America Life Insurance Company and Principal Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a material weakness.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiency in the 403(b) Thrift Plan for Project for Pride in Living, Inc.'s internal control to be a material weakness:

Eligible Compensation and Employer Matching Contribution Eligibility

During 2025, the Plan changed payroll providers, and controls over the conversion were not designed or operating effectively to ensure eligible compensation and participant demographic data were completely and accurately converted, reviewed, and reconciled before being used in plan administration; consequently, the Plan did not properly use all eligible compensation, as defined by the Plan document, in calculating participant deferrals and employer matching contributions, and participant eligibility for employer matching contributions was incorrectly determined such that certain participants received employer matching contributions based on inaccurate demographic data maintained by the new payroll provider. As a result, participant and employer contributions may have been calculated incorrectly and matching contributions may have been made to ineligible participants or omitted or misstated for eligible participants, resulting in operational errors requiring correction and affecting participant account balances and plan financial reporting. Plan management has since implemented controls to prevent or detect misstatements arising from the issues noted, including procedures to reconcile eligible compensation and participant demographic data to source records, validate eligibility coding, and review contribution calculations after implementation. Plan management has also evaluated affected participant accounts and has made any necessary corrections in accordance with the Plan document and applicable regulatory correction guidance.

As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mutual of America Life Insurance Company and Principal Trust Company, the custodians, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplementary schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 22, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 of the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosure of delinquent participant contribution remittances in Note 9 to the financial statements, which represents a prohibited transaction under ERISA and an instance of noncompliance with Department of Labor remittance requirements, and the disclosure of incorrect compensation and employer matching contribution eligibility in Note 10 to the financial statements, which represents an operational failure of the Plan.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2026**.**

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discussed a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Timeliness of Participant Contribution Remittances

The Department of Labor (DOL) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Plan Sponsor's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. We noted three instances during 2025 where participant contributions were not remitted to the Plan in a manner consistent with the time the other contributions were remitted during the year. Failing to remit employee contributions in a timely manner can result in penalties for the Plan Sponsor as well as repayment of lost earnings for participants. We recommend implementing a process to ensure participant contributions are remitted to the Plan as soon as they are segregated from the organization's general assets, including for off-cycle payroll remittances.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Board of Directors, and Management
403(b) Thrift Plan for Project for Pride in Living, Inc.
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for Project for Pride in Living, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Project for Pride in Living, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Project for Pride in Living, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Project for Pride in Living, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the of 403(b) Thrift Plan for Project for Pride in Living, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt 403(b) Thrift Plan for Project for Pride in Living, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

Supplementary Schedules Required by ERISA

The supplementary schedules of assets (held at end of year) and delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan for Project for Pride in Living, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established to provide employees with a systematic means of saving and investing for the future. All permissible employees of Project for Pride in Living, Inc. (the Organization or the Employer) are eligible to enroll on the first day of the month immediately following their date of hire.

The Plan's custodian was Mutual of America Life Insurance Company (Mutual of America) until April 1, 2025, when Principal Trust Company (Principal) became custodian. The Organization is the Plan Sponsor and Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Investments are held in mutual funds at December 31, 2025, and in pooled separate accounts and an interest accumulation account at December 31, 2024.

Contributions - Participants are allowed to make elective, pretax (traditional 403(b)) deferral contributions or elective after-tax (Roth 403(b)) deferral contributions up to applicable limits and not to exceed 100% of pretax annual compensation, as defined in the Plan. The Plan includes an auto-enrollment feature whereby employees are automatically enrolled in the Plan at a 2% deferral rate, unless elected otherwise. Employees can opt out at any time. Participants who have attained the age of 50 are allowed to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

Participants are eligible for employer matching contributions after completing 12 months and not less than 1,000 hours of service. The maximum matching contributions are 2% of compensation for participants with fewer than 5 years of service and 4% for participants with 5 or more years of service, as defined by the Plan.

Contributions receivable are recorded when due under the Plan and are evaluated for collectability, including any allowance for credit losses. At December 31, 2025 and 2024, employer contributions receivable were $7,355 and $-. Management determined that no allowance for credit losses was necessary at December 31, 2025 and 2024. Employer contributions receivable were $- at January 1, 2024. There were no participant contributions receivable at December 31, 2025 and 2024, or at January 1, 2024.

1. **DESCRIPTION OF THE PLAN (Continued)**

Participant Accounts - Each participant's account is credited with the participant's contributions plus an allocation of (a) the Organization's matching contributions, and (b) Plan earnings and changes in the value of investments, net of expenses. Allocations are based on account balances, deferrals and years of service as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions, Organization matching contributions, and actual earnings thereon.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of $1,000 and a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of between 5.85% and 7.50% at December 31, 2025, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in amounts of at least $100 withdrawn on a monthly basis if the participant has attained age 59.5 or has terminated employment at age 55 or later. Participants that terminate with balances of less than $1,000 will receive a force-out lump-sum payment, and balances between $1,000 and $7,000 will be rolled into an IRA held with an affiliate of Principal.

Investment Options - Participants are allowed to direct the investment of their contributions among the various investment options offered by the Plan. Employer contributions are allocated on the same basis as participant contributions.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates and assumptions that affect amounts reported in the financial statements during the reporting period. Actual results could differ from such estimates.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Valuation of Investments and Income Recognition - Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses - Administrative expenses for legal, auditing, and administration of the Plan, except for custodian advisory, trust and loan fees, are paid either by the Plan or by the Organization at the Organization's discretion. Expenses paid by the Organization are excluded from these financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The Plan's investments were held and administered by Mutual of America, the custodian, at December 31, 2024, and by Principal Trust Company, the custodian, at December 31, 2025. All investment information presented in the accompanying financial statements was obtained from information supplied to the Plan Administrator and certified as complete and accurate by the custodians. A summary of the certified information is as follows:

	2025	2024
Pooled separate accounts	$ -	$ 11,321,256
Mutual funds	7,769,773	-
Interest accumulation account	-	551,882
	$ 7,769,773	$ 11,873,138
Notes receivable from participants	$ 87,634	$ 152,438
Net investment income	$ 799,685	

In addition, the custodian has certified all data used to derive the information included in the supplementary schedule of assets (held at end of year) as of December 31, 2025, to be complete and accurate.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

4. **FAIR VALUE MEASUREMENTS (Continued)**

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Pooled separate accounts are each invested in a distinct underlying mutual fund. The fair value of each pooled separate account is determined using the value per unit, which is based on the value of the underlying mutual fund shares which are actively traded. There are no redemption restrictions in the pooled separate accounts. Because net asset value (NAV) is used as a practical expedient, these investments are not categorized within the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2025 and 2024:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2025:				
Mutual funds	$ 7,769,773	$ -	$ -	$ 7,769,773
Total investments in the fair value hierarchy	$ 7,769,773	$ -	$ -	7,769,773
Investments, at fair value				$ 7,769,773

4. **FAIR VALUE MEASUREMENTS (Continued)**

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2024:				
Mutual funds	$ -	$ -	$ -	$ -
Total investments in the fair value hierarchy	$ -	$ -	$ -	-
Pooled separate accounts measured at net asset value per share				11,321,256
Investments, at fair value				$ 11,321,256

The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the pooled separate accounts could result in a different fair value measurement at the reporting date.

The pooled separate accounts that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. **INTEREST ACCUMULATION ACCOUNT**

The Plan had an interest accumulation account with Mutual of America. This account was considered a cash equivalent. Mutual of America maintained the contributions in its general account. The account was credited with earnings at the crediting interest rate and charged for participant withdrawals and administrative expenses. The account balance represented contributions made to the interest accumulation account, plus earnings, less withdrawals and administrative expenses. Participants could direct the withdrawal or transfer of all or a portion of their account balance.

5. **INTEREST ACCUMULATION ACCOUNT (Continued)**

There were no reserves against the interest accumulation account for credit risk. The crediting interest rate was determined from time to time by Mutual of America but was not less than 1.00%. The minimum rate is determined each January 1. Interest credited to participants was 2.85% during 2024.

6. **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all of the assets will be distributed to the participants based upon the balances in their respective accounts.

7. **INCOME TAX STATUS**

The volume submitter plan document adopted by the Plan obtained its latest advisory letter dated March 31, 2017, in which the Internal Revenue Service stated that the volume submitter plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the advisory letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected.

8. **PARTY-IN-INTEREST TRANSACTIONS**

Plan investments were shares of pooled separate accounts and an interest accumulation account held by the former custodian and therefore, these transactions qualify as party-in-interest transactions.

(Continued)

8. **PARTY-IN-INTEREST TRANSACTIONS (Continued)**

Notes receivable from participants qualify as party-in-interest transactions.

The Plan's sponsor pays certain administrative expenses of the Plan.

9. **DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the year ended December 31, 2025, participant contributions related to three payroll periods were not remitted to the Plan within the time period required by Department of Labor regulations, and therefore, constitute nonexempt prohibited transactions. The contributions totaled $1,846. The Plan Sponsor has remitted the delinquent contributions and is in the process of remitting related lost earnings of to the Plan at December 31, 2025. The delinquent participant contributions are reported on the Plan's Form 5500, Schedule H, line 4a, and the related supplementary schedule, as applicable.

10. **ELIGIBLE COMPENSATION AND EMPLOYER MATCHING CONTRIBUTION ELIGIBILITY**

During the plan year, following a change in payroll providers, certain eligible compensation, as defined by the Plan document, was not properly included in contribution calculations, and certain employer matching contributions were made to participants whose eligibility was not correctly determined due to inaccurate demographic data. The Employer determined the net effect of missed contributions and employer matching contribution overpayments to be moved to forfeitures was $7,355 and is making a qualified nonelective contribution (QNEC) for this amount. Management is correcting affected contributions and participant accounts in accordance with the Plan document. The QNEC has been recorded as an employer contribution receivable at December 31, 2025.

11. RECONCILIATION OF THE FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 7,864,762	$ 12,025,576
Less employer contributions receivable	(7,355)	-
Rounding difference	-	(1)
Net assets available for benefits per Schedule H of Form 5500	$ 7,857,407	$ 12,025,575

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2025, to Schedule H of Form 5500:

Net decrease in net assets available for benefits per the financial statements	$ (4,160,814)
Less employer contributions	(7,355)
Rounding difference	1
Net increase in net assets available for benefits per Schedule H of Form 5500	$ (4,168,168)

12. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2026, the date on which the financial statements were available for issue.
