INDEPENDENT AUDITORS' REPORT

Walker Sands, LLC Employee Health and Welfare Benefits Plan
Chicago, Illinois

Opinion

We have audited the financial statements of Walker Sands, LLC Employee Health and Welfare Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2025 (liquidation basis), the related statement of changes in net assets for the year ended December 31, 2025 (liquidation basis), the statement of net deficit available for benefits as of December 31, 2024 (going concern basis), the related statement of changes in net deficit available for benefits for the year ended December 31, 2024 (going concern basis), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 (liquidation basis), the changes in its net assets available for benefits for the year ended December 31, 2025 (liquidation basis), the net deficit available for benefits of the Plan as of December 31, 2024 (going concern basis), and the changes in its net deficit available for benefits for the year ended December 31, 2024 (going concern basis), in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis

As discussed in Note F to the financial statements, the Board of Directors of Walker Sands, LLC, the Plan's sponsor, elected to terminate the Plan effective December 31, 2025, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

(Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Walker Sands, LLC Employee Health and Welfare Benefits Plan (the "Plan") provides only general information. Effective January 1, 2024 (inception), the Plan changed its name multiple times from Walker Sands, LLC Employee Benefits Plan to Walker Sands, LLC Group Medical Plan then changed again to the current Plan name. Interested parties should refer to the plan document and related amendments for a more complete description of the Plan's provisions.

1. General

   The Plan was established effective January 1, 2024 and is a health and welfare defined benefit plan covering all eligible employees of Walker Sands, LLC (the "Plan Sponsor" and "Employer"). Employees are eligible to participate upon hire if they are full-time and regularly work 30 or more hours of service per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan established a trust for medical benefits. As discussed in Note F, effective December 31, 2025 the Plan was terminated.

2. Consortium

   The Plan belongs to a Consortium, which is designed to provide cost effective employee benefit programs for members and is a self-funded group-purchasing consortium that offers essential health benefit coverages for its members as defined in the Plan document. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays, and out-of-pocket maximums.

   The Consortium is a self-insured program with stop loss and aggregate reimbursement arrangements in place to limit the liability of the Plan (Note C). The premium charged and collected from each of the members is fully funded.

   Plan Trustees sign an agreement, which provides that each member agrees to pay all funding rates associated with the coverage it selects; as such, funding rates are set and billed to the members by various carriers, and premiums are billed and paid on a monthly basis. The assigned funding rates consist of administrative fees, stop loss and aggregate premium expense, expected claim costs, and reserves.

   The Consortium has an agreement with Benecon Group, Inc. to provide agent management, underwriting, claims management, risk management, accounting, system support services, and consulting services.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Consortium (Continued)

The Plan has an obligation to reimburse for all paid claims (less than the specific stop loss) up to the cumulative maximum liability limit (aggregate). The obligation to reimburse for any excess over the cumulative maximum liability limit is only to the extent that in any month there is a positive difference (monthly surplus) between cumulative paid claims and the cumulative maximum liability limit (aggregate). There is no obligation to pay any excess to the aggregate (cumulative monthly liability limit) other than through this funding arrangement. Monthly timing of paid claims may be such that the Plan may need to advance a payment that exceeds cumulative claims funds deposited to date until an aggregate claim reimbursement is received.

3. Contributions

The cost will be paid in a discretionary manner in part by the Plan Sponsor and in part by participants through pre-tax contributions on a monthly basis.

4. COBRA Insurance Arrangements

The Plan allows for coverage for a specified time period when a qualifying event occurs as defined by the Plan document under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). If a participant's medical coverage terminates because of a qualifying event, then the participant and eligible beneficiaries may have the right to purchase continued coverage for a temporary period of time. COBRA related claims are processed in a similar manner to all other claims (Note A-2) when the event causing the Plan to become obligated to pay COBRA benefits occurs, however the employee bears the sole burden for these costs.

5. Health Savings Account Arrangements

The Plan offers Health Savings Account ("HSA") options for eligible participants to cover qualified expenses up to certain limits. Under the arrangement, eligible employees may contribute to their individual HSAs, and the Plan Sponsor makes discretionary matching contributions up to certain limits. The Plan does not maintain these HSA funds in a trust under its control; funds are held in individual third party administrator custodial HSA accounts in the employees' names. As a result, the Plan does not record any HSA account activity, and this activity is excluded from these financial statements because the Plan is not obligated to pay these benefits.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Payment of Benefits

The Plan provides access to essential health benefits as defined in the Plan document, to eligible participants and to their beneficiaries and covered dependents. These benefits of active participants, dependents, and beneficiaries under the Plan are provided through insurance policies within the trust. Benefits are administered under contracts with certain providers.

7. Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third parties for claims processing and other management fees based on the number of employees enrolled. These expenses are reported on the statements of changes in net assets (deficit) available for benefits as administrative expenses. Certain administrative expenses are paid by the Plan Sponsor and excluded from these financial statements. The Plan pays fees that are based on the number of employees enrolled.

8. Interest Bearing Cash

The Plan maintains a cash account that is interest bearing. This account is held by the Plan's trustees and earns interest at a nominal variable rate based on prevailing market conditions. Interest income earned on this account is credited directly to the Plan and is included in interest income in the accompanying statements of changes in net assets (deficit) available for benefits.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

As a result of the Plan termination (Note F), Plan management determined that liquidation of the Plan was imminent. Accordingly, the accompanying financial statements for the year ended December 31, 2025 have been prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The financial statements of the Plan were prepared on the going concern basis of accounting for the year ended December 31, 2024. Claims and insurance premiums are recorded as paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets (deficit) during the reporting period. Actual results could differ from those estimates.

3. Payment of Benefits

Claim payments to participants are recorded when paid in accordance with the provisions of the Plan. Claims payable by the Plan shall be recognized as a liability when they are due and payable in accordance with the terms of the Plan.

Claims incurred, but not reported ("IBNR") at year-end are estimated for Plan obligation disclosure purposes based on historical claims experience and other relevant factors (Note D). The IBNR estimate is based on historical claims run-out patterns, adjusted for recent claims trends and changes in enrollment.

The Plan maintains a stop loss insurance policy that limits the Plan’s exposure for individual participant claims and, in certain cases, aggregate claims (Note C). Recoveries under the stop loss policy are recorded when the reimbursable claim is paid. For the years ended December 31, 2025 and 2024, stop loss premium related reimbursements totaled approximately $60,000 and $310,000, respectively, and are shown net of claim payments on the accompanying statements of changes in net assets (deficit) available for benefits.

The Plan receives rebates or refunds from insurance carriers. Such rebates are recognized as reductions of claim expense when earned (Note C). For the years ended December 31, 2025 and 2024, rebates totaled approximately $42,000 and $65,000, respectively, and are shown net of claim payments on the accompanying statements of changes in net assets (deficit) available for benefits.

4. Administrative Expenses

Administrative expenses are recorded as incurred.

NOTE C - STOP LOSS INSURANCE

The Plan maintains stop loss insurance coverage to limit its exposure to large individual claims and, in certain cases, aggregate claims under the self-insured benefit programs. Specific stop loss coverage protects the Plan against claims for individual participants that exceed a predetermined threshold. Aggregate stop loss coverage protects the Plan if total claims for the Plan exceed a specified aggregate limit. The Plan Sponsor has an annual maximum for eligible claims not to exceed $791,000, for 2025 and 2024, at which point the stop loss insurance will cover the difference between the monthly deductibles. The 2025 and 2024 annual maximums are $1,000,000. The Plan Sponsor paid approximately $1,283,000 and $943,000 for the years ended December 31, 2025 and 2024, respectively, relating to premiums which covers losses, claims and fees.

NOTE D - BENEFIT OBLIGATIONS AND SUBSEQUENT EVENTS

Plan benefit obligations as of December 31, 2025 and 2024, are as follows:

	2025	2024
Plan benefit obligations, beginning of year	$ 73,961	$ -
Settlement of prior year benefit obligations	(73,961)	-
Claims payable and claims incurred but not reported	73,186	73,961
Total Plan benefit obligations, end of year	$ 73,186	$ 73,961

The changes in Plan benefit obligations for the years ended December 31, 2025 and 2024, are as follows:

	2025	2024
Balance at beginning of year	$ 73,961	$ -
Claims incurred and reported	645,862	957,545
Claims incurred, but not reported	73,186	73,961
Claims paid, net	(617,034)	(583,353)
Stop loss reimbursements	(60,429)	(309,692)
Rebates provided or incurred	(42,360)	(64,500)
Total Plan benefit obligations, end of year	$ 73,186	$ 73,961

The Plan's deficiency of net assets at December 31, 2024 compared to benefit obligations was funded through future contributions by the Plan Sponsor and Plan participants.

NOTE D - BENEFIT OBLIGATIONS AND SUBSEQUENT EVENTS (Continued)

Effective January 1, 2026 in accordance with the Plan termination (Note F), the Plan ceased processing new claims. Participants were permitted to submit eligible claims incurred on or before the termination date of December 31, 2025 through June 30, 2026 and, in the event of an adverse benefit determination, were afforded up to 180 days from receipt of such determination to appeal the decision in accordance with applicable regulations and the Plan's claims procedures. Accordingly, the Plan continued to pay claims that were incurred but not yet reported prior to December 31, 2025 through June 30, 2026, which totaled approximately $55,000. The Plan held sufficient assets at December 31, 2025 to satisfy these obligations.

NOTE E - TAX STATUS

The trust established under the Plan to hold the Plan's assets is not qualified as tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"), and accordingly, the trust's interest income is subject to income taxes. As such, the trust is required to file Form 1041, U.S. Income Tax Return for Estates and Trusts with the Internal Revenue Service ("IRS"), for its taxable income. Accordingly, no provision for income taxes has been included in the Plan's financial statements as taxable income and the related tax expense for the year ended December 31, 2025 is deemed insignificant.

GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION AND SUBSEQUENT EVENTS

The Board of Directors of the Plan's Sponsor approved termination of the Plan effective December 31, 2025. This decision was determined on September 30, 2025, therefore liquidation of the Plan was imminent as of this date and, accordingly the accompanying financial statements have been prepared using the liquidation basis of accounting for the year ended December 31, 2025. Under the liquidation basis of accounting, assets are reported at estimated net realizable value and liabilities include claims processed by December 31, 2025, but not yet paid. Remaining claims are expected to be paid during the claims runout period in accordance with the terms of the Plan (Note D). No assets of the Plan reverted to the Employer for purposes other than for the exclusive benefit of the Plan's participants. As of June 30, 2026, the Plan's remaining net assets available for benefits were disbursed to pay final claims and expenses.

NOTE G - RISKS AND UNCERTAINTIES

The actuarial present value of accumulated Plan benefits is reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Claims processing and other management functions are performed by the Consortium, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and other exempt administrative services for the Plan but receives no reimbursement from the Plan for these services. The Plan has several arrangements with service providers. These transactions are exempt party-in-interest transactions under ERISA.

At December 31, 2024, the Plan Sponsor made excess reimbursement and payments into the Plan. The outstanding balance was repaid to the Plan Sponsor during 2025. The liability is presented as Due to Plan Sponsor on the accompanying Statement of Net Assets (Deficit) Available for Benefits as of December 31, 2024, totaling $60,091. There were no amounts Due to Plan Sponsor at December 31, 2025.

NOTE I - PLAN AMENDMENTS

Effective January 1, 2025 and March 1, 2025, the Plan was amended to modify certain benefits and provisions. Eligibility requirements and other significant Plan provisions remained unchanged. Participants should refer to the applicable Plan amendments for a complete description of these changes.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 1, 2026, the date that these financial statements were available to be issued. Plan management has determined that no events or transactions, other than those disclosed in Note D and Note F, have occurred subsequent to the statement of net assets available for benefits date that require disclosure in the financial statements.
