Independent Auditor's Report

Plan Administrator
CountryMark Cooperative Holding Corporation
Employee Benefit Plan
Indianapolis, Indiana

Opinion

We have audited the financial statements of CountryMark Cooperative Holding Corporation Employee Benefit Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (cash basis) of CountryMark Cooperative Holding Corporation Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CountryMark Cooperative Holding Corporation Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CountryMark Cooperative Holding Corporation Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CountryMark Cooperative Holding Corporation Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

The following description of the CountryMark Cooperative Holding Corporation Employee Benefit Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a master welfare plan sponsored by CountryMark Cooperative Holding Corporation (Company) and provides health and other benefits for eligible employees of participating employers. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Payment of Benefits

The Plan provides health benefits (hospital, surgical, dental and major medical) covering all eligible regular employees of the Company and their eligible dependents who elect such coverage. In addition, the Plan provides certain benefits to eligible retirees. The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA). Benefits are paid on behalf of eligible participants after they have satisfactorily complied with the claims procedures specified in the Plan.

Dental, vision, long-term disability, accidental death and dismemberment and travel insurance options are all fully-insured. Grandfathered retirees who are over age 65 are also eligible for coverage under a fully-insured Medicare Advantage Plan.

UMR, Inc. (UMR) processes health and flexible spending claims and The Guardian Life Insurance Company of America processes short-term disability claims. The Plan also includes an Employee Assistance Program and Severance Allowance Policy.

Effective October 2024, the Company contracts with a medical clinic to provide on-site medical and prescription services for Plan participants. Medical expenses incurred by the clinic are included in benefits paid. Administrative fees are also paid to the clinic based upon the contracted agreement between the Company and the clinic.

Stop-Loss Coverage

The Company has entered into a reinsurance agreement where medical and prescription claims in excess of $250,000 per covered person, are the responsibility of the insurance carrier, with certain exclusions or different limits for specific participants. During 2025 and 2024, these premiums were paid by the Plan, and reinsurance reimbursements from the insurance carrier of $1,845,495 and $967,086, respectively, have been netted against benefits paid on behalf of participants.

Contributions

The Plan is funded daily by the Company through a sweep account. Each daily sweep represents employee and employer contributions.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan maintains its accounts on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Use of Estimates

The preparation of financial statements in conformity with cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Plan liabilities for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Cash

The Plan maintains a zero balance account where funds will sweep daily from the Company's bank account as needed. The outstanding checks will be funded as they clear the bank account.

Postretirement Benefits

Retiree benefits are offered to a closed group of grandfathered retirees over age 65. Grandfathered retirees over age 65 are covered by a fully-insured Medicare supplement where the employer will pay a specific amount of the retiree premium, and the participant is responsible for payment of the remainder of the premium. Plan management has determined the obligation for the grandfathered group is not material as of December 31, 2025 and 2024.

Other Plan Benefits

Plan liabilities for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Plan Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated November 1, 1994, stating that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the determination letter. Effective May 15, 2015, the tax-exempt status of the VEBA Trust was revoked, and as of that date, the VEBA Trust became a taxable entity.

During 2018, assets held in the VEBA Trust transferred to the Company's bank account, and the Plan filed the final 1041 representing the close-out of the VEBA Trust.

Administrative Expenses

The Plan is administered and managed by the Benefit Committee. The Benefit Committee has employed UMR to perform certain administrative duties for the Plan. Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Plan Benefit Obligations

Health claims incurred but not reported are estimated based upon historic claims experience and claims reported subsequent to the Plan year end.

The Plan's benefit obligations at December 31, 2025 and 2024 are summarized as follows:

	2025	2024
Amounts Currently Payable to or for Participants, Beneficiaries and Dependents and Claims Incurred but not Reported		
Health claims payable	$ 159,492	$ 92,030
Claims incurred but not reported	1,228,770	571,952
Total Benefit Obligations	$ 1,388,262	$ 663,982

The Plan's deficiency of net assets compared to benefit obligations at December 31, 2025 and 2024, relates primarily to the claims incurred but not reported, the funding of which is not covered by the current contribution rate. It is expected that the deficiency will be funded through future increases in the contribution rates for the Company and participants.

	2025	2024
Amounts Currently Payable to or for Participants, Beneficiaries and Dependents and Claims Incurred but not Reported

Claims reported and approved for payment	10,176,559	6,463,124

Total Benefit Obligations at End of Year	$ 1,388,262	$ 663,982

Note 5. Party-in-Interest Transactions

The Sponsor and participating employers provide certain administrative services at no cost to the Plan.
