Independent Auditor's Report

To the Participants and Plan Administrator of the
Perspecta Inc. SCA Health and Welfare Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Perspecta Inc. SCA Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to financial statements (collectively, the financial statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (the qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are

4828 Loop Central Dr.

Fax: 713.968.1601

required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental information in the accompanying Schedule of Assets (Held at End of Year) as of December 31, 2025, and Schedule of Reportable Transactions for the year then ended, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information,

are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

PERSPECTA INC. SCA HEALTH AND WELFARE PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 – Description of the Plan

The following description of the Perspecta Inc. SCA Health and Welfare Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan is a contributory defined benefit health and welfare plan originally established by Perspecta Inc. ("Perspecta") on January 1, 2020. Perspecta established a voluntary employees' benefit association trust ("VEBA") to serve as a funding vehicle for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. On May 6, 2021, Perspecta was acquired by Peraton Holding Corp. ("Peraton"). As a result of the acquisition, Peraton (the "Plan Sponsor" or the "Company") became the sponsor of the Plan.

Eligibility and Benefits

The Plan provides medical, dental, vision, prescription drug, life insurance, short-term disability, long-term disability and other fringe benefits to all employees of the Company for whom fringe benefits are required to be made available under federal contracts covered by the McNamara-O'Hara Service Contract Act (the "Act"), or any other federal, state or local prevailing wage law. Benefits are generally reserved for employee coverage, but employees may purchase additional coverage for their spouse and dependents through pre-tax and after-tax deductions as allowable under Internal Revenue Service ("IRS") and ERISA rules and regulations. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Contributions

The Plan is funded by employer, employee and COBRA contributions. In addition to deductibles and co-payments, participants contribute specified amounts, determined annually, for coverage of themselves and their dependents. This determination is based on a review of the Plan's payment trends and an estimation of expected costs for the following year, as recommended by an independent third-party specialist.

Employer contribution rates are established annually by the Plan in accordance with prevailing wage rates and health and welfare rates for employees covered under the Act. The Plan Sponsor adjusts the health and welfare contributions rates annually upon renewal or modification of the contract by the federal government. The Plan Sponsor provides qualified fringe benefits for each employee covered by the Act up to the statutory limitations. The Act's effective health and welfare contribution rate established by the Department of Labor was $5.36 per hour from January 1, 2025 through July 7, 2025, on which date the rate was increased to $5.55.

The Plan Sponsor may also elect to take premium rebate credits against the required health and welfare contributions for qualified fringe benefits provided by the Company outside of the Plan in meeting the health and welfare contribution rate requirement under the Act and as required for the Plan to meet its obligations to Plan participants and service providers. Premium rebate credits as of the end of the reporting period are included in "Contributions receivable" in the accompanying statements of net assets available for benefits. Premium rebate credits utilized during the year are reported as an offset to employer contributions in the accompanying statement of changes in net assets available for benefits.

Self-insured Benefits

The Plan's medical and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only ("ASO") arrangements. The claim processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA Trust or the general assets of the Plan Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Plan Administration and Expenses

Under the Act, employers are required to ensure compliance with the prevailing wage and health and welfare benefit requirements. Accordingly, many employers establish separate trusts or other funded arrangements, which receive and administer the health and welfare contributions. If such contributions are paid to a trust, the trust must preclude the employer from recapturing any of the contributions paid into the trust in meeting the minimum prevailing wage requirement and from diverting any of the funds of the trust for its own benefit or use. The VEBA was designed to satisfy the Act's requirements. The Plan is managed by trustees, who are primarily representatives of the Company. The trustees retained the services of a third-party administrator, Government Service Administrators ("GSA"), which specializes in providing administrative and accounting services for employee benefit plans. Administrative expenses also include claims administration fees and audit fees.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP" or "U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, particularly the estimate of the liability for claims incurred but not reported to the Plan, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation

The Plan's investments are held by Wilmington Trust in a money market fund, and are reported at fair value. See Note 4 for discussion of fair value measurements.

Interest income is recorded on an accrual basis.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Premiums paid by either the Plan Sponsor or the VEBA trust are recorded as insurance premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to the claims processors that have not been reimbursed by the Plan, if any, are recorded as payable to claims administrators in the accompanying statement of net assets available for benefits.

Benefit Obligations

Claims incurred but not yet reported are estimated by the Plan's benefit consultant based on claims data provided by the Plan's self-insured claims administrator. This analysis and estimate is determined using a historical analysis of claims paid subsequent to year end as well as subsequent benefit payments actually made, classified according to the date that the related services were provided.

The Plan maintains individual accounts for participants working on contracts covered by the Act. The accrued premium reserve, as defined and maintained by the Plan, represents the unexpended balance in the participant accounts from contributions made at the prevailing health and welfare contribution rates established under the Act, less the benefit premiums, retirement plan allocations and other benefit payments made on behalf of the participants. Amounts remaining in the participant premium reserve accounts at termination of employment are generally used to fund benefits or are contributed by the Company to a qualified retirement plan for the benefit of the participants. The Company also contributes excess funds in participant premium reserve accounts to a qualified retirement plan established for the benefit of Plan participants. The Plan reports the accrued premium reserve liability in the accompanying statements of benefit obligations.

Note 3 – Information Certified by the Trustee

Information presented in the accompanying financial statements and supplementary information, including investments held as of December 31, 2025 and 2024, and the related interest income for the year ended December 31, 2025, was obtained or derived from information certified to be complete and accurate by Wilmington Trust, the trustee of the Plan (the Trustee) as permitted by the election made by Plan management under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: Valued at net asset value ("NAV") per share based on quoted market prices of underlying investments. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables discloses the Plan's assets at fair value, by level within the fair value hierarchy on a recurring basis at December 31, 2025 and 2024:

	Fair Value Measurements at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 1,384,320	$ —	$ —	$ 1,384,320
Total assets at fair value	$ 1,384,320	$ —	$ —	$ 1,384,320

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 1,187,099	$ —	$ —	$ 1,187,099
Total assets at fair value	$ 1,187,099	$ —	$ —	$ 1,187,099

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investment from one fair value level to another. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

Note 5 – Party-In-Interest Transactions

Transactions with the Plan Sponsor qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Company provides contributions to the Plan to fund costs in excess of the related participant contributions and paid certain administrative expenses of the Plan.

AmeriBen, Anthem and Surest are the self-insured claims administrators of the Plan, Accolade provides care navigation and advocacy to the participants of the Plan, GSA is the Plan's third-party administrator, McConnell & Jones LLP is the Plan's auditor, and Circumference FS (USA), Inc prepares the annual tax return. Transactions with these parties qualify as party-in-interest transactions. The Plan paid aggregate fees of $1,418,903 to these parties related to administrative services rendered for the year ended December 31, 2025.

Note 6 – Federal Income Tax Status

A VEBA Trust was established under the Plan to hold the Plan's assets. Under a letter from the IRS dated July 22, 2022, the Trust is exempt from federal tax as a qualified voluntary employee's

beneficiary association as described in Section 501(c)(9) of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan holds assets in a money market fund, which is not federally insured. Plan management periodically evaluates the balance and believes this account does not pose a financial risk to the Plan.

The Plan participants are employees of the Company working under contracts with the federal government, many of which are subject to the Act. As such, federal contracts are subject to termination clauses whereby the government may terminate contracts for cause or convenience. Any contract terminations or funding delays caused by political, budgetary, or other administrative matters may affect employees participating in the Plan and the ability and necessity of the Plan Sponsor to fund and maintain the Plan.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify or discontinue any terms, conditions or benefits of the Plan at any time and terminate the Plan subject to the provisions of ERISA, the insurer's contact and the contract administration agreement. Expenses incurred prior to a termination, modification or amendment of the Plan would be paid as provided under the terms of the Plan prior to its termination, modification or amendment. Benefits earned and administrative expenses incurred through the date of termination, to the extent they exceed the assets of the Plan, will be funded by the Plan Sponsor.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 5,053,275	$ 2,994,074
Less claims incurred but not yet reported	(1,678,000)	(2,082,000)
Less accrued premium reserve	(281,634)	(498,322)
Net assets per Form 5500	$ 3,093,641	$ 413,752

The following is a reconciliation of net increase in net assets available for benefits per the financial statement to net increase in net assets available for benefits per the Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statement	$ 2,059,201
Change in benefit obligations	620,688
Net increase in net assets available for benefits per the Form 5500	$ 2,679,889

Note 10 – Subsequent Events

The Plan has performed an evaluation of subsequent events through October 6, 2026, which is the date the financial statements were available to be issued and has considered relevant matters in the preparation of the financial statements and footnotes.
