Independent Auditor's Report

Retirement Plan Committee
White Memorial Community Health Center 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of White Memorial Community Health Center 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025 and schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the White Memorial Community Health Center 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan, as defined under Section 403(b) of the Internal Revenue Code (IRC), covering the employees of White Memorial Community Health Center (WMCHC) who are age 21 or older. WMCHC is the Plan Sponsor and serves as the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Committee is responsible for oversight of the Plan.

Eligibility

An employee may make elective deferrals beginning on the date of hire. Employees are eligible to receive employer contributions after completing 90 days of service.

Contributions

Participants may contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum limit permitted by the IRC. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions are invested in a designated balanced fund until changed by the participant. WMCHC provides for fixed-employer contributions equal to 3% of each participant's eligible compensation and may also make a discretionary matching contribution equal to a uniform percentage of eligible salary deferrals, as determined annually by the employer. During the years ended December 31, 2025 and 2024, the employer contributions amounted to $230,041 and $210,917, of which $41,804 and nil represented discretionary matching contributions, respectively. None of these amounts were funded through forfeitures. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Contributions from Plan participants and the fixed formula contributions from the employer are recorded in the year in which participant compensation is earned. Discretionary matching contributions are recorded in the year in which they are declared and approved by the employer.

Participant Accounts

Each employee's account is credited with the participant's contributions and WMCHC's contribution, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting
Participants are immediately vested in their contributions plus actual earnings or losses thereon. Employer contributions are vested based on a 3-year cliff vesting schedule. Additionally, each participant's account balance may become fully vested upon death or total and permanent disability.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined by the Plan. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant may only have one outstanding loan at any time.

Payment of Benefits
On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment distributions for required minimum distribution (RMD) purposes only.

Forfeitures
Forfeitures arise from the nonvested portion of terminated participants' accounts and are used to reduce future employer contributions and administration fees in accordance with the provisions of the Plan. Under recently issued IRS proposed regulations, forfeitures incurred in plan years beginning prior to January 1, 2024 were subject to transition relief and were required to be used by December 31, 2025.

During 2025, the Plan did not fully utilize the forfeiture balance carried forward from the prior year. According to the Plan Administrator, the forfeiture balance remained unused while the Plan was evaluating and implementing a process for the application of forfeitures. The Plan Administrator intends to use future forfeitures to reduce employer contributions to the Plan and pay eligible fiduciary and administrative expenses in accordance with the terms of the Plan once the process is implemented.

The changes in the Plan's forfeiture account balance for the years ended December 31, 2025 and 2024 are as follows:

	2025	2024
Balance, January 1	**$ 20,001**	$ 13,263
Forfeitures during the year	**-**	20,984
Interest earned and other adjustments	**12**	454
Forfeitures used during the year	**(16,714)**	(14,700)
Balance, December 31	**$ 3,299**	$ 20,001

Administrative Expenses
Investment management and administrative expenses of the Plan are paid by the Plan as provided in the Plan document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Notes 3 and 4 for the discussion of fair value and contract value measurements, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases making loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and Contributions Receivable
Contributions from participants are recorded based on the date the contributions are withheld from a participant's pay by the Plan Sponsor, which is the pay date. Employer contributions are recognized in the period in which the related compensation or matching formula applies, in accordance with the terms of the Plan. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Rollover contributions from participants are recorded based on the date the rollover contributions have been allocated to participant accounts.

Payments of Benefits
Benefits paid to participants are recorded when paid.

Administrative Expenses
Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by WMCHC. Expenses that are paid by WMCHC are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of the fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, the framework for measuring fair value, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual funds*:* Investments in mutual funds are valued at quoted market prices.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All the Plan's investments at fair value amounting to $3,482,978 and $2,547,852 as of December 31, 2025 and 2024, respectively, are classified as Level 1.

NOTE 4 INVESTMENTS AT CONTRACT VALUE

The Plan holds a group annuity contract issued directly to the Plan and backed by the financial strength of Empower Annuity Insurance Company (EAIC), which is considered a fully benefit-responsive contract. Under the contract, EAIC provides a direct guarantee of principal and interest to the Plan. During the Plan year 2025, the Plan transitioned from a group annuity contract with Standard Insurance Company (Standard) to EAIC in connection with changes in related party interests, as discussed in Note 6.

These contracts meet the criteria for fully benefit-responsive investment contracts and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract values, as reported to the Plan by EAIC and Standard, represent contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may generally direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 INVESTMENT AT CONTRACT VALUE (CONTINUED)

The Plan's ability to receive amounts due under these contracts is dependent on the issuers' ability to meet their financial obligations. The issuer's ability to meet their contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuers. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable to occur that might limit the ability of the Plan to transact at contract value with the contract issuers, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuers.

As of December 31, 2025 and 2024, the contract values of the Plan's group annuity contracts were $4,614 and $22,165, respectively. The balance as of December 31, 2025 relates to the contract with EAIC, while the balance as of December 31, 2024 relates to the contract with Standard.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan's asset information as of December 31, 2025 and 2024, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC and Charles Schwab Trust Bank (CSTB), the Plan's current and former custodians of the Plan, respectively. During 2025, the Plan transitioned from CSTB to Empower Trust Company, LLC. Additional information regarding the transition is included in Note 6.

The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodians related to the Plan's assets is complete and accurate as required by 29 CFR 2520.103-5. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS (CONTINUED)

- Investments, including participant loans, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;
- Investment activity, including interest income on participant loans, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025 and 2024;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and
- Investments and participant loans, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025.

NOTE 6 CHANGE IN THIRD-PARTY ADMINISTRATOR AND PLAN CUSTODIAN

On November 25, 2025, the Plan changed its third-party administrator from EPIC Advisors, Inc. (EPIC) to Empower Retirement, LLC (Empower). On the same date, the Plan changed its custodian from CSTB to Empower Trust Company, LLC. Accordingly, Plan assets totaling $3,474,326 were transferred from CSTB to Empower Trust Company, LLC in connection with this transition. See Note 9 additional information regarding the Plan restatement.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by CSTB and Empower Trust Company, LLC, and recordkeeping services for the Plan are provided by EPIC and Empower. As discussed in Note 6, the Plan changed its custodian and recordkeeper during 2025. CSTB and Empower Trust Company, LLC, as the Plan's former and current custodians, respectively, and EPIC and Empower, as the Plan's former and current recordkeepers, respectively, are parties in interest as defined by ERISA. Transactions with these parties qualify for an exemption from the prohibited transaction rules under ERISA. Fees for investment management services were reflected as a reduction of investment income earned on these investments, while other fees related to the Plan's operations are paid from the forfeitures account. Administrative fees paid by the Plan amounted to $24,478 and $19,951 for the years ended December 31, 2025 and 2024, respectively.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, WMCHC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 INCOME TAX STATUS

The Plan has adopted a preapproved plan document that has received an opinion letter from the IRS dated March 31, 2017, stating that the form of the preapproved plan document complied with applicable requirements of the Internal Revenue Code (IRC). The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

Effective November 25, 2025, the Plan Sponsor adopted a restated pre-approved 403(b) plan document to reflect updated Plan provisions and administrative procedures. Management believes that neither the restatement nor the transition to new service providers adversely affected participants' vested account balances or the Plan's tax-exempt status.

The Plan Administrator believes the Plan is designed and is being operated in conformity with the applicable requirements of the IRC and therefore believes that the Plan is qualified.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 11 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferrals was expanded to 403(b) plans.

For plan years beginning on or after January 1, 2025, employees who complete at least 500 hours of service in two consecutive 12-month periods must generally be permitted to make elective deferrals under the Plan.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. The proposed regulations generally require forfeitures to be used no later than 12 months after the end of the plan year in which they were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024, and, thus, must be used no later than December 31, 2025, for a calendar year plan.

NOTE 11 NEW LAWS AND REGULATIONS (CONTINUED)

Beginning January 1, 2026, participants whose prior-year FICA wages exceed the applicable statutory threshold ($150,000 as indexed for inflation) will generally be required to make age-50 catch-up contributions on a Roth basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan has implemented the provisions of SECURE 2.0 as they became effective and applicable, and continues to evaluate the impact of the other legislative changes and regulatory developments. Management intends to formally execute required plan amendments by the deadline of December 31, 2026.

NOTE 12 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported in the accompanying financial statements at December 31, 2025 and 2024, with that reported on Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	**$ 3,595,492**	$ 2,671,661
Less: Loan deemed distribution	**(25,375)**	-
Net assets available for benefits per the Form 5500	**$ 3,570,117**	$ 2,671,661

The following is a reconciliation of the changes in net assets available for benefits for the years ended December 31, 2025 and 2024, as reported in the accompanying financial statements with that reported on Form 5500:

	2025	2024
Net increase in net assets available for benefits per the financial statements	**$ 923,831**	$ 611,020
Add: Employer contributions - prior year	**-**	9,242
Less: Loan deemed distribution	**(25,375)**	-
Net increase in net assets available for benefits per the Form 5500	**$ 898,456**	$ 620,262

NOTE 13 NONEXEMPT TRANSACTIONS

During the 2025 and 2024 plan years, the Plan Sponsor inadvertently failed to deposit participant deferrals and loan repayments of $116,624 and $26,666, respectively, within the timeframe required by the DOL regulations. Of the $116,624 in late deposits during the 2025 plan year, $29,059 related to participant deferrals and loan repayments withheld during the blackout period resulting from the Plan's transition to Empower.

The Plan Sponsor deposited the lost earnings associated with the 2024 late deposits during 2025. The Plan Sponsor filed Form 5330 and paid the applicable excise taxes to the IRS. The corrective contributions and excise taxes were paid from the Plan Sponsor’s assets and not from the Plan assets.

As of December 31, 2025, the late deposits identified during the 2025 plan year had not yet been corrected. Accordingly, the related lost earnings had not yet been calculated or contributed to the Plan. The Plan Sponsor intends to calculate the associated lost earnings and make the required corrective contributions during 2026.

NOTE 14 SUBSEQUENT EVENTS

The Plan Administrator has evaluated events or transactions that occurred subsequent to December 31, 2025 through October 12, 2026, the date on which the financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustment to the accompanying financial statements.
