Independent Auditors' Report

To the Plan Administrator
Peoples Services, Inc. 401(k) Retirement Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Peoples Services, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Peoples Services, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the

Financial Statements section of our report. We are required to be independent of Peoples Services, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peoples Services, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peoples Services, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peoples Services, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Peoples Services, Inc.
401(k) Retirement Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Peoples Services, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all non-union employees of Peoples Services, Inc. (Plan Sponsor) and participating employers, as defined in the Plan document, whose employees have completed thirty days of service during the year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions

The Plan's provisions provide for contributions to be made by the participants and the Plan Sponsor. An employee must complete 30 days of service to be eligible for elective deferral participation, discretionary employer matching contributions, and profit-sharing contributions. All participants must be employed on the last day of the Plan year to be eligible for participation in Plan Sponsor profit-sharing contributions.

The Plan provides for a traditional automatic enrollment feature. Effective June 15, 2025, the Plan amended its automatic enrollment provisions. New employees, with the exception of temporary employees and interns, are automatically enrolled in the Plan at a rate of 3% of compensation on a pre-tax basis after the service requirement for eligibility is met. The deferral rate for these employees automatically increases on May 1 of each Plan year subsequent to their hire date by 1% to a maximum of 10%. Participants can opt out of this auto-escalation feature at any time as well as change their deferral election once a month.

Contributions provided for in accordance with the Plan provisions are as follows:

Employee Deferral Contributions: The Plan enables participants to contribute a percentage of their compensation (as defined) by the Plan, not to exceed a maximum amount allowable deduction in accordance with the Internal Revenue Service (IRS) regulations on a tax-deferred basis. The Plan also allows participants who have attained the age of 50 to make catch-up contributions not to exceed the maximum amount allowable per IRS regulations.

Employee Rollover Contributions: The Plan enables participants to rollover contributions from other qualified defined benefit or defined contribution accounts.

Matching Contributions: The Plan Sponsor may make discretionary matching contributions. No such contributions were made for the year ended December 31, 2025. If a matching contribution is made, it is discretionary and is a percentage of participant contributions, per the Plan document.

Profit-sharing Contributions: The Plan Sponsor may make discretionary profit-sharing contributions. No such contributions were made for the year ended December 31, 2025. If a profit-sharing contribution is made, it is a discretionary amount and allocated in the ratio that each participant's compensation bears to the compensation of all eligible participants, per the Plan document.

Vesting

Participants are immediately vested in their contributions (including rollovers) plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching contribution and Plan Sponsor's discretionary profit-sharing contribution portions of their accounts plus actual earnings thereon is as follows:

Years of Service	Vesting %
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Accounts

Each participant's account is increased or decreased as appropriate with (a) the participant's contributions, (b) the Plan Sponsor's discretionary matching and profit-sharing contributions, (c) net investment earnings based on the participant's account balance and composition, (d) administrative expenses, and (e) benefit payments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are fully participant directed.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested participant elective deferred account balance, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms range from one to five years or longer for the purchase of a primary residence as permitted by the administrator. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The interest rate on the loans was between 3.25% and 9.50% at December 31, 2025. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On attaining age 59-1/2, retirement, death or disability, the participant may request the account balance in the form of a lump-sum amount equal to the value of the participant's vested interest in his or her account. Non-terminated employees may make withdrawals from their elective deferral account balance as a hardship withdrawal prior to reaching age 59-1/2. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement. Participants who terminate employment with a vested account balance less than $5,000 but more than $1,000 are rolled into an individual retirement account. Participants who terminate employment with vested account balances less than $1,000 are paid in a lump-sum distribution.

Forfeitures

Forfeited matching contributions and profit-sharing contributions from terminated participants' non-vested accounts can be allocated to active participants based upon a method deemed appropriate by the

plan administrator and provided in writing to the custodians or can also be used to reduce future Plan Sponsor contributions or pay administrative expenses incurred by the Plan. During 2025, there were no transfers into the forfeiture account and no forfeitures were used to pay administrative expenses. Investment earnings on the forfeiture account totaled $25 for the year ended December 31, 2025. There were $9,177 and $9,152 in unallocated forfeitures available as of the years ended December 31, 2025 and 2024, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account

and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 18, 2026, the date the financial statements were available to be issued.

3. Information Prepared and Certified by the Custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians.

4. Fair Value Measurements

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative accounting guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs include quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at the NAV of units of a collective investment trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sold) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan's assets in the following tables, set forth by level within the fair value hierarchy, are as follows:

December 31, 2025:

	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	$ 4,141,517	$ -	$ -	$ 4,141,517
Common/collective trust funds - at NAV				10,591,657
Total investments at fair value				$14,733,174

December 31, 2024:

	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	$ 3,089,586	$ -	$ -	$ 3,089,586
Common/collective trust funds - at NAV				9,106,813
Total investments at fair value				$12,196,399

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds*	$ 10,591,657	$ -	Daily	1 day

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds*	$ 9,106,813	$ -	Daily	1 day

***** Investment strategy for these investments, valued using NAV per share, is not being presented since it is a fund that files a Form 5500 as a direct filing entity (DFE).

5. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right in accordance with the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the employer contributions portion of their accounts.

6. Tax Status

The Plan has adopted a non-standardized, pre-approved profit-sharing plan document. The pre-approved plan obtained an opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter, however the plan administrator believes that the Plan is designed and currently operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Transactions with Parties in Interest

The Plan's custodians, Empower Trust Company, LLC and Empower Annuity Insurance Company of America are parties in interest of the Plan as defined by ERISA Section 3(14), and accordingly investment transactions in the funds are party in interest transactions.

Certain administrative expenses including legal and accounting fees relating to the maintenance of participant eligibility records are absorbed by the Plan Sponsor. Other than as described above or pursuant to a trust agreement, the Plan has no agreements or transactions with any parties in interest.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation to Form 5500

The following is a reconciliation of net assets available for plan benefits as presented in these financial statements to the balance per Form 5500 for the year ended December 31:

	2025	2024
Net assets available for benefits	$ 15,042,225	$ 12,457,087
Deemed distributions	(27,308)	(16,980)
Net assets available for benefits - Form 5500	$ 15,014,917	$ 12,440,107

Deemed distributions are defaulted and unpaid participant loans of active participants that are disallowed on Form 5500.

The following is a reconciliation of changes in net assets available for plan benefits as presented in these financial statements and Form 5500 as of December 31, 2025:

Increase in net assets per statements of changes in net assets available for benefits	$ 2,585,138
Deemed distributions	(10,328)
