Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Turning Point School Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auding standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The Turning Point School Defined Contribution Retirement Plan (the "Plan") is a defined contribution plan that covers all employees of MWLA, Inc. dba Turning Point School (the "School"). The Plan was established on July 1, 1987 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Investment fund options are participant-directed.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement and any amendments for a more complete description of the Plan's provisions.

A. Eligibility

All employees are eligible to participate in the Plan on the first day of employment.

B. Contributions

The Plan permits each participant to contribute up to the Internal Revenue Code (the "Code") annual maximum. The School's matching contributions are equal to 100% of a participant's deferral up to 5% of the participant's eligible compensation. The School has the option of making discretionary employer contributions. There were no discretionary employer contributions in 2025.

C. Vesting

A participant is fully vested immediately as to voluntary salary deferrals, rollover contributions, any employer contributions and related earnings.

D. Payment of Benefits

Benefits are recorded when paid. Hardship distributions are permitted.

E. Retirement Age

Benefits under the Plan begin when a participant retires, dies, becomes disabled or ceases to be an employee, whichever applies. Normal retirement age is 59½.

F. Administrative Expenses

The School pays for a majority of administrative expenses of the Plan.

G. Forfeitures

Forfeitures will be used to reduce employer discretionary and/or matching contributions. There were no forfeitures for the year ended December 31, 2025. No forfeitures are available as of December 31, 2025 and 2024.

H. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 up to the lesser of $50,000 or 50% of their vested account balance (reduced by the highest outstanding loan balance during the prior 12 months). A loan is secured by a participant's vested account balance, bears interest

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

H. Notes Receivable from Participants (Continued)

at the prime rate as of the loan approval date and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence. The plan administrator establishes the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2025 carry interest rates between 4.25% to 9.50% and have maturities through November 2030.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are presented on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date. Mutual fund capital gains distributions are included in dividends and interest. Net appreciation of investments includes gains and losses on investments bought and sold as well as held during the year.

Accounting principles generally accepted in the United States of America ("GAAP") establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at December 31, 2025 and 2024 based on the inputs used to value them:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Variable Annuities	$ 3,047,946	$ -	$ -	$ 3,047,946
Mutual Funds	8,072,392	-	-	8,072,392
Traditional Annuities and Stable Value Fund	-	-	2,361,524	2,361,524
Total Assets in the Fair Value Hierarchy	$ 11,120,338	$ -	$ 2,361,524	13,481,862
Investments Measured at Net Asset Value [A]				42,541
Total Investments, at Fair Value				$ 13,524,403

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Investment Valuation and Income Recognition (Continued)

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Variable Annuities	$ 2,697,347	$ -	$ -	$ 2,697,347
Mutual Funds	6,298,716	-	-	6,298,716
Traditional Annuities and Stable Value Fund	-	-	2,533,670	2,533,670
Total Assets in the Fair Value Hierarchy	$ 8,996,063	$ -	$ 2,533,670	11,529,733
Investments Measured at Net Asset Value [A]				44,983
Total Investments, at Fair Value				$ 11,574,716

[A] In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds and variable annuities at fair value based on quoted market prices. Level 3 investments consist of a stable value fund and traditional annuities valued at fair value, which approximates contract value. The fair value is determined using a market value formula factor that is determined by TIAA-CREF and is based on unobservable inputs and therefore classified as Level 3 within the valuation hierarchy.

The following table reconciles the beginning and ending fair value of the Plan's Level 3 securities:

Balance, December 31, 2024	$ 2,533,670
Interest and Dividends	19,236
Net Appreciation of Investments	76,082
Net Purchases (Sales)	(267,464)
Balance, December 31, 2025	$ 2,361,524

C. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

D. Risks and Uncertainties

The Plan provides for investment options in any combination of investments offered by the Plan. Investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3 - PLAN TERMINATION

Although it has not expressed intent to do so, the School has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 4 - INCOME TAX STATUS

Section 403(b) tax deferred annuity plans are not required to obtain determination letters from the Internal Revenue Service stating they are qualified under the Code. However, the plan administrator believes the Plan has been designed and operated to comply with applicable requirements of the Code and is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2025 and 2024 and investment income for the year ended December 31, 2025 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by TIAA-CREF, the custodian of the Plan.

NOTE 6 - POOLED SEPARATE ACCOUNT

The following table summarizes the Plan's investment in the pooled separate account, valued at net asset value per share as a practical expedient as of December 31:

	December 31,		Unfunded	Redemption
	2025	2024	Commitments	Frequency
Pooled Separate Account	$ 42,541	$ 44,983	None	Daily

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments held by the Plan are issued and managed by the custodian. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibitions under ERISA.

NOTE 8 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2025, the Company failed to remit $5 of participant contributions within 15 business days after the month in which they were withheld as required by the Department of Labor. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. The Company corrected the delinquent participant contributions of $5 in 2026, including making the affected participants whole.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
