Independent Auditors' Report

To the Plan Administrator and Participants of the
ADC Physicians, P.A. 401(k) Profit Sharing Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ADC Physicians, P.A. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at the end of the year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ADC PHYSICIANS, P.A. 401(k)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the ADC Physicians, P.A. 401(k) Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established January 1, 1971, intended to qualify under sections 401(a) and 501(a) of the Internal Revenue Code of 1986. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent related amendments and revisions. Charles Schwab Bank (the Custodian) is the Plan's custodian and the Plan was administered by the ADC Physicians, P.A. (ADC PA) (the Plan Administrator).

Eligibility

An employee is eligible to participate in the Plan on the entry date coinciding with the plan year or completion of one year of service. Once eligible, participants can enroll in the Plan on the 1st day of each quarter of the plan year. Years of service are determined under the hours of service method. Hours of service for hourly employees are determined by actual hours worked, and hours of service for salary employees are determined under an equivalency method. One year of service is the equivalent to 1,000 hours worked in one calendar year. All years of service with the employer are credited for purposes of eligibility and vesting.

Contributions

Participants self-direct their contributions and account balances among the funds provided by the Plan. Participants may contribute up to 100% of their total compensation, up to the maximum as permitted by the Internal Revenue Code. Participants immediately vest in their contributions and the associated investment results.

Matching contributions may be made by ADC PA at least annually, or more frequently at their discretion. Participants eligible to receive a regular matching contribution are those who completed 1,000 hours of service during the plan year and were either employed by or on an authorized leave of absence from ADC PA on the last day of the plan year. In years in which the employer makes a safe harbor matching contribution, the requirements for completing 1,000 hours of service and being employed or on an authorized leave of absence are waived.

NOTE A - DESCRIPTION OF PLAN (Continued)

Contributions - Continued

The discretionary contributions from ADC PA are allocated to the accounts of eligible participants based on their relative compensation according to the specific provisions of the plan document. Earnings, gains, and losses within each fund are allocated to each participant's account in proportion to the ratio of the participant's investment in each fund to all participants' total investment in each fund.

During 2025 and 2024, ADC PA made $1,025,691 and $1,034,890 in safe harbor matching contributions, respectively, to participants' accounts.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer matching contribution, and an allocation of (a) employer discretionary contributions, (b) plan earnings, and (c) forfeitures of terminated participants' non-vested accounts, if not used to offset future employer contributions or plan expenses. Allocations are based on participant contributions or account balances as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service, a participant may elect to receive benefits as either a lump sum payment or periodic installment over a fixed reasonable period of time. If a participant leaves employment other than by retirement, death, or disability, and the participant's balance is greater than $1,000 but less than $5,000, the participant may elect to receive a lump sum distribution or roll the balance into another account. If an election is not made by the participant, the balance may be rolled into an IRA established by the plan sponsor in the name of the participant. If the participant's balance is less than $1,000, the plan sponsor may distribute the funds in a lump sum to the participant. Distributions are also permitted for reason of proven financial hardship, as outlined in the plan document.

NOTE A - DESCRIPTION OF PLAN (Continued)

Vesting

The participants' accounts vest according to the following percentages:

Years of Service	Vested Percentage	Forfeited Percentage
Less than 2 years	0%	100%
2 years but less than 3	20%	80%
3 years but less than 4	40%	60%
4 years but less than 5	60%	40%
5 years but less than 6	80%	20%
6 years or more	100%	0%

Forfeitures are utilized by ADC PA to partially offset its employer contributions and plan expenses. For the years ended December 31, 2025 and 2024, $3,678 and $0, respectively, was used to offset employer contributions and plan expenses. As of December 31, 2025 and 2024, forfeitures available to be used totaled $4,140 and $434, respectively; these will be used to offset future employer contributions and plan expenses.

Participants are 100% vested in all employee contributions.

Participant Loans

Participants may borrow a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance reduced by the highest outstanding balance of any additional loan made in the previous twelve month period. Interest rates shall bear a reasonable rate as determined by the Plan Administrator. Principal and interest are paid either bi-weekly or monthly through payroll deductions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Method of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Fees and Expenses

Fees and expenses incurred in the administration of the Plan, to the extent not paid by the employer, are charged to and paid from the Plan's assets.

Investments

In accordance with Accounting Standard Codification (ASC) 820, *Fair Value Measurements,* issued by the Financial Accounting Standards Board (FASB), the Plan's investments are reported at fair value. FASB ASC 820 establishes a framework for measuring fair value. Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) on pooled separate accounts include realized and unrealized gains and losses.

Concentration of Credit Risk

Financial instruments which potentially subject the Plan to concentrations of credit risk are primarily investments. The Plan's investments consist primarily of mutual funds which are traded in an active market.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan Administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures. Accordingly, actual results may differ from those estimates.

Reporting of Participant Loans

Loans issued to participants are reported as notes receivable, segregated from plan investments, and are measured at their unpaid principal balances plus accrued but unpaid interest.

NOTE B - SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements

The Plan follows ASC 820, issued by the FASB. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in active markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE B - SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Continued

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds are valued at the net asset value (NAV) of shares held at year end as valued by the issuer.

Common/Collective trusts are valued at the NAV of shares held at year end as determined by a third party.

Subsequent Events

Management of the Plan has evaluated subsequent events for disclosure through the date of the independent auditors' report, the date the financial statements were available to be issued.

NOTE C - INCOME TAX STATUS

The Plan obtained its latest determination letter on September 21, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. No provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, ADC PA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Code and ERISA.

NOTE E - CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

As permitted by the rules and regulations of the Department of Labor with respect to reporting and disclosure under ERISA, Charles Schwab Bank has certified to the Plan Administrator that all investments (stated at fair value or contract value) and participant notes receivable, together with all other transactions which affect plan investments and notes receivable, are complete and accurate.

The Plan's investments and notes receivable are held by the Custodian. Investments are presented at fair value as determined by quoted market or contract prices as determined by the Custodian. The Plan's investments and participant notes receivable, as reported by the Custodian at December 31, 2025 and 2024, are summarized as follows.

Investments at fair value	2025	2024
