Independent Auditors' Report

To the Retirement Administrative Panel
Hartford HealthCare Corporation:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Hartford HealthCare 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hartford HealthCare 401(k) Retirement Savings Plan
Notes to the Financial Statements

Years ended December 31, 2025 and 2024

1. Description of the Plan

The following description of the Hartford HealthCare 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan incepted on February 1, 2011 and is a qualified retirement plan covering certain employees of Hartford HealthCare Corporation (the Sponsor).

The Plan oversight is the responsibility of the Retirement Administrative Panel of Hartford HealthCare Corporation's Board of Directors. The Retirement Administrative Panel has overall responsibility for the operation and administration of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

The Plan, as amended and restated, is intended to qualify as a profit-sharing plan under Code Section 40l(a), and includes a cash or deferred arrangement that is intended to qualify under Code Section 401(k). In general, with certain exceptions described in the plan document, employees of Rushford Center, Inc., HHC EMS Holdings, LLC, Hartford HealthCare at Home, Inc., American Ambulance Service, Inc., Hartford HealthCare Senior Services, Inc., and American Professional Education Services, Inc. (the Participating Employers) are eligible to participate in the Plan.

Participants with balances in both the Plan and the Hartford HealthCare 401(k) Retirement Plan are permitted to transfer balances between the two plans. During the years ended December 31, 2025 and 2024, ($1,087,749) and $496,393 was transferred (to) from the Hartford HealthCare 401(k) Retirement Plan, respectively.

Effective January 1, 2024, the Plan adopted in-plan Roth conversions.

The Plan adopted the following provisions of SECURE 2.0 effective January 1, 2024 (1) increase in mandatory cash-out limit to $7,000, (2) self-certification of hardship withdrawals, and (3) distributions of up to $5,000 for qualified birth or adoption expenses. Effective May 1, 2024, the Plan allows penalty free distributions to pay for long term care premiums or for individuals who are terminally ill or a victim of domestic abuse. The Plan adopted the following provisions of SECURE 2.0 effective January 1, 2025 (1) increased catch-up contributions to $11,250 for individuals aged 60 to 63, and (2) emergency personal expense distributions of up to $1,000.

1. Description of the Plan (continued)

General (continued)

Effective January 1, 2024, participants of the Hunter's Ambulance Savings & Retirement Plan and the American Ambulance Service, Inc. Profit Sharing Plan became eligible to participate in the Plan. During April 2024, assets of the Hunter's Ambulance Savings & Retirement Plan totaling $12,290,843, including notes receivable from participants, were transferred into the Plan. During April 2024, assets of the American Ambulance Service, Inc. Profit Sharing Plan totaling $6,248,689, including notes receivable from participants, were transferred into the Plan.

Effective January 1, 2025, the Plan was amended and restated to add the SECURE 2.0 provisions previously adopted and to clarify certain administrative items related to non-discrimination testing and eligibility for non-elective contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Participating Employers are eligible to become participants in the Plan upon their date of hire. Employees become eligible for the employer matching and employer non-elective contributions upon their date of hire.

Contributions

Each year, participants may elect to contribute up to 75% of their compensation in salary deferral contributions. Participants may direct their elective deferrals as either pre-tax or Roth contributions. Newly eligible participants are automatically enrolled in the Plan with a default pre-tax deferral rate of 3% which will automatically increase by 1 percentage point each year, up to a maximum rate of 6%, unless otherwise elected by the participant. Elective deferrals may not exceed the established Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, and individuals aged 60-63 are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

All participants are eligible to receive an eligible automatic contribution arrangement (EACA) matching contribution of 100% of the first 1% of eligible compensation and 50% of the next 5% of eligible compensation contributed to the Plan.

1. Description of the Plan (continued)

Contributions (continued)

The Sponsor may also make a discretionary non-elective contribution to the Plan, regardless if a participant is making elective deferrals. The Sponsor's contributions vary by the underlying entity, dependent upon which campus employs the participant. The participant must work at least one thousand hours during the year in order to receive the non-elective contributions. There were no discretionary non-elective contributions made for the years ended December 31, 2025 and 2024.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's elective deferrals, rollover contributions, EACA matching contributions, as well as allocations of discretionary non-elective contributions and Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant directed transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions plus actual earnings thereon as well as any non-elective contributions. Vesting in the Sponsor's EACA matching contributions is based on years of service. A participant must work at least one thousand hours each year for two years to become vested in the Plan.

1. Description of the Plan (continued)

Vesting (continued)

Participants who transferred to the Plan from another plan are vested in their safe harbor contributions, matching, and non-elective contribution sub-accounts transferred from the merged Plan as follows:

Merged Plan	Vesting
ConnCare, Inc. 401(k) Plan	100% vested in prior plan and transferred at 100% vesting
Windham Hospital Defined Contribution Plan	Safe harbor non-elective contributions are 100% vested in prior plan and transfer at 100%; Matching and discretionary contributions are 100% vested after 3 years of service
Windham Community Memorial Hospital 401(k) Plan	100% vested after 3 years of service
Clinical Laboratory Partners, LLC 401(k) Savings and Retirement Plan	100% vested after 3 years of service
Natchaug Hospital, Inc. Retirement Plan	Graded 6 year vesting schedule
Rushford Center, Inc. Pension Plan	Graded 5 year vesting schedule
Visiting Nurse Services of Connecticut, Inc. Retirement Plan	Graded 6 year vesting schedule
Partners In Care, Inc. Money Purchase Retirement Plan	Immediately 100% vested
Hunter's Ambulance Savings & Retirement Plan	Immediately 100% vested
American Ambulance Service, Inc. Profit Sharing Plan	Immediately 100% vested

1. Description of the Plan (continued)

Payment of Benefits

Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Benefit amounts under $7,000 are automatically distributed to participants. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or installment payments, as defined. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59.5.

Notes Receivable from Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. All loans are covered by demand notes and participants are required to make repayments directly with Fidelity.

Forfeited Accounts

Forfeited non-vested discretionary matching and non-elective contributions may be used to pay Plan expense or to reduce future employer contributions. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $112,699 and $177,952, respectively. These accounts will be used to reduce future employer contributions or to pay Plan expenses. During the years ended December 31, 2025 and 2024, EACA matching contributions were reduced by $231,982 and $201,373, respectively. During the year ended December 31, 2025 and 2024, Plan expenses were reduced by $79,510 and $47,654, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid directly by the participating employers and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of the investment income reported by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments, other than the fully benefit-responsive investment contract, are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. The Plan uses net asset value (NAV) per unit, as a practical expedient, to estimate the fair value of certain investments that do not have readily determinable fair values and that calculate NAV consistent with investment company accounting principles.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses as the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest rates on notes receivable from participants ranged from 3.25% to 10.5%.

If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits

Benefits to participants are recorded when paid.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. Unaudited Information - Certified Investments and Notes Receivable from Participants

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee, for the years ended December 31, 2025 and 2024.

4. Fair Value Measurements

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

4. Fair Value Measurements (continued)

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Self-Directed Brokerage Account: Accounts primarily consist of mutual funds and common stocks which are valued on the basis of quoted active market prices (Level 1 inputs). Accounts with certificate of deposit, bond, preferred stock, and option investments are valued on the basis of quoted prices in non-active markets (Level 2 inputs).

Collective Investment Trusts: Valued based on the NAV of units held by the Plan. These investments are not categorized within the fair value hierarchy because fair value is measured using the NAV practical expedient.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value, at December 31, 2025 and 2024, on a recurring basis are summarized below:

Description	Level 1	Level 2	Level 3	Total
2025				
Investments				
Mutual funds	**$ 5,548,424**	**$ -**	**$ -**	**$ 5,548,424**
Self-directed brokerage account	**1,868,555**	**8,005**	**-**	**1,876,560**
Total investments	**7,416,979**	**8,005**	**-**	**7,424,984**
Collective investment trusts*				**155,941,163**
Total investments at fair value				**$163,366,147**

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

4. Fair Value Measurements (continued)

Description	Level 1	Level 2	Level 3	Total
2024				
Investments				
Mutual funds	$136,812,829	$ -	$ -	$ 136,812,829
Self-directed brokerage account	1,027,185	-	-	1,027,185
Total investments at fair value	$137,840,014	$ -	$ -	$ 137,840,014

5. Collective Investment Trusts

The collective investment trusts invest primarily in diversified portfolios of domestic equities, international equities, target date strategies, and fixed income securities. Units may generally be redeemed daily at NAV with no advance notice requirements. The fair values of these investments have been estimated using the NAV per unit of the investments as reported by the fund managers. There are no unfunded commitments related to these investments at December 31, 2025.

6. Fully Benefit-Responsive Investment Contract

The Plan holds a fully benefit-responsive evergreen (no maturity date) group annuity contract with Empower Retirement (formerly Prudential Retirement Investment Annuity Company) (a traditional investment contract). The contract is maintained and record-kept as an investment option in the Plan by Fidelity Management Trust Company. The group annuity contract is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Fidelity maintains the contributions in its general account. The issuer guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rate is semi-annually based upon contract provisions, and it may not be less than 1.5%. Interest crediting rates were 2.15% as of December 31, 2025 and 2024.

Fidelity's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable beyond 90 days from the requested distribution. Such circumstances include Plan termination, Plan merger, termination initiated by the Sponsor, and certain other Company-initiated events that result in distributions exceeding a set amount. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

7. Tax Status

The Internal Revenue Service issued an opinion letter dated November 29, 2021 indicating that the volume submitter plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

8. Party-In-Interest and Related Party Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Sponsor. The Plan holds mutual funds issued by Fidelity Management Trust Company and a group annuity contract managed by Empower Retirement. Fidelity Management Trust Company is a trustee and Empower Retirement is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to Fidelity Management Trust Company, Empower Retirement, and its affiliates, qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

9. Subsequent Events

The Plan has evaluated events occurring between December 31, 2025 and September 28, 2026, the date the financial statements were available to be issued.

9. Subsequent Events (continued)

The Retirement Administrative Panel has approved several amendments and administrative changes which will affect the Plan, including:

- The merger of the Hartford HealthCare 401(k) Retirement Savings Plan into the Hartford HealthCare 401(k) Retirement Plan at a date to be determined in the future.
- A change to the vesting schedule for employer contributions applicable to employees hired on or after January 1, 2027. Under the amendment, employer contributions will vest upon completion of three years of service with at least 1,000 hours worked during each year of service.
- An increase in the automatic enrollment deferral percentage from 3% to 6% for newly eligible employees effective January 1, 2027.
- An increase in the default deferral percentage to 6% for current participants enrolled in the Plan's automatic enrollment and automatic escalation features who have not affirmatively elected a different contribution rate.
- An increase in the automatic escalation cap from its current level to 10%, effective January 1, 2027.
- For employees represented by the Manchester Nurses Union, a revision to the employe contribution formula effective January 1, 2027. The revised formula will provide a matching contribution equal to 100% of the first 4% of eligible compensation deferred, plus 50% of the next 2% deferred, together with a 2% nonelective employer contribution.
- The adoption of provisions related to federally declared disasters under the Federal Emergency Management Agency (FEMA) disaster relief rules, permitting eligible participants to take penalty-free withdrawals in accordance with applicable federal law.

The Retirement Oversight Committee approved movement, effective January 1, 2026, of the participating plan for colleagues at Rushford Center, Inc. to the Hartford HealthCare 401(k) Retirement Plan. Rushford participant accounts were transferred from the Hartford HealthCare 401(k) Retirement Savings Plan to the Hartford HealthCare 401(k) Retirement Plan in January 2026.

Effective January 1, 2026, the Corporation acquired substantially all of the assets of Eastern Connecticut Health Network (ECHN), comprising of Manchester Memorial Hospital, Rockville Hospital, and related operations of ECHN. Manchester Memorial Hospital employees became eligible to participate in the Plan as of the date of the acquisition. Greater Manchester Homecare employees participated in the Hartford HealthCare 401(k) Retirement Savings Plan following the acquisition, however, were subsequently transferred to Hartford HealthCare at Home, Inc. in June 2026, which is also a participating employer for the Hartford HealthCare 401(k) Retirement Savings Plan.

9. Subsequent Events (continued)

During June 2026, the Company and The Pennant Group announced their intention to create a joint venture to unify and improve home healthcare options. The proposed joint venture would result in termination of all employees of Hartford HealthCare at Home, Inc., who would then begin employment with the joint venture. Effective in July 2025, the Retirement Administrative Panel approved that all affected participants of the Hartford HealthCare 401(k) Retirement Savings Plan would immediately become 100% vested upon termination and creation of the joint venture. The joint venture is anticipated to be formed in 2027.
