INDEPENDENT AUDITORS' REPORT

To Timothy Perez
the Plan Administrator
of Payless Markets, Inc. 401(k)
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Payless Markets, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Payless Markets, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025, and 2024 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Payless Markets, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Payless Markets, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

DRAFT

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Payless Markets, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Payless Markets, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held and year end) and assets (acquired and disposed within a year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

DRAFT

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAYLESS MARKETS, INC.
401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2025 and 2024

(1) Description of Plan

The following description of the Payless Markets, Inc. (the "Company") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, adopted and effective as of January 1, 2014, covering substantially all full-time employees of the Company who have completed six months of service, and are aged 18 years or older. Effective January 1, 2016, the Plan was amended and restated to bring the Plan into compliance with the Pension Protection Act of 2006 and other legislative and regulatory changes. The Plan does not cover union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining; non-resident aliens who have no earned income from sources within the United States; leased employees; and independent contractors or other individuals who are non-employees but who are recharacterized as employees by the Internal Revenue Service (IRS). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

1. Employer:
    a. Discretionary contribution to the Plan as determined for each Plan year
    b. Discretionary contribution to match employee contribution
2. Employee:
    a. Plan participants may contribute up to 100% of their annual compensation, not to exceed annual limits set by the Internal Revenue Service. Participant contributions are made through payroll deductions. A participant may direct the investment of their accounts in various investment options offered by the Plan.
    b. Rollovers from another qualified plan

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan sponsor's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses and investment losses. Allocations are based on the participant's contribution or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DRAFT

(1) Description of Plan, continued

Eligibility

Under the provisions of the Plan, employees are eligible to enroll in the Plan upon attaining 18 years of age and completing six months of service. Service to Calvo Enterprises, Inc. and subsidiaries is recognized for eligibility, vesting and contribution allocation.

Vesting

Participants are immediately vested in their contributions and the Company's matching contribution potion of their account plus actual earnings and less any losses thereon.

Hardship Withdrawals

Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Notes Receivable from Participants

The Plan agreement specifies that loans to participants are not permitted.

Forfeitures

Forfeitures of terminated participants' nonvested matching contributions may be added to or used to reduce any Employer discretionary contributions account and allocated to the remaining participants, or to pay Trustee or administrative fees. These forfeitures amounted to $0 and $2,204, respectively, as of December 31, 2025 and 2024. During the year ended December 31, 2025 and 2024, terminating employees forfeited $0 and $3, respectively, in nonvested contributions.

Payment of Benefits

On termination of service due to normal retirement, disability, or death, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

DRAFT

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America applied on a consistent basis. The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between willing market participants as of the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gain and loss on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Administrative service fees, trustee fees, and investment management fees, are paid by the Plan, as allowed by the Plan document. All other expenses are paid by the Company. The Company also provides to the Plan certain accounting services for which no allocation of costs has been made to the Plan.

DRAFT

(2) Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan provides for various investment options in any combination of designated mutual funds and money market investment types, which themselves are invested in various combinations of stock, bond and other investment securities.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Cash and Cash Equivalents

For the purposes of the statements of net assets available for benefits and statements of changes in net assets available for benefits, cash and cash equivalents are defined as cash investments in money market funds and interest-bearing accounts. The limit under the Securities Investor Protection Corporation (SIPC) is $500,000, which includes a $250,000 limit for cash.

At December 31, 2025 and 2024, Plan net assets included $47,169 and $7,304, respectively, in money market funds.

(3) Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right under the Plan to reduce or discontinue its contributions at the discretion of the board of directors or to amend the Plan at any time and in any respect subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

(4) Income Tax

The Internal Revenue Service has determined that the prototype plan adopted by the Company is acceptable under Section 401(a) of the Internal Revenue Code. The Guam Department of Revenue and Taxation has been furnished with a copy of the prototype plan, but has never issued a formal letter stating that the Plan is designed in accordance with the requirements of Section 401(a) of the Guam Territorial Income Tax Law (GTIT). The Plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of GTIT.

DRAFT

(4) Income Tax, continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years that remain subject to examination by major tax jurisdictions for the Plan are 2022, 2023, and 2024.

In the event that the Plan incurs penalties or interest as a result of its tax positions, those amounts are stated separately on the financial statements and are not included in income tax expense.

(5) Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In some cases, the input used to measure fair value might fall in different levels of the fair value hierarchy. The level in the fair value hierarchy within which the fair value measurement in its entirety falls shall be determined based on the lowest level input that is significant to the fair value measurement in its entirety.

DRAFT

(5) Fair Value Measurements, continued

Assessing the significance of a particular input to the fair value measurement in its entirety requires judgment, considering factors specific to the asset or liability.

The following is a description of the valuation methodologies used for major categories of assets measured at fair value by the Plan:

Cash and Cash Equivalents: Cash equivalents include cash investments in money market funds and interest-bearing accounts. Cash investments in money market funds are valued under the market approach through the use of quoted market prices in an active market, which is the net asset value of the underlying funds, and are classified within level 1 of the valuation hierarchy. Cash investments in interest bearing accounts are very short-term in nature and are valued at cost plus accrued interest, which approximates fair value, and are classified within level 2 of the valuation hierarchy.

Mutual Funds: The mutual fund investments are valued at the net asset value of shares held by the Plan at year end which are quoted in an active market, and are classified within level 1 of the valuation hierarchy.

Collective Trust Funds: The common collective trust fund investments are valued at their net asset value as calculated at year end by the fund's manager, and are classified within level 2 of the valuation hierarchy. The price of the income generated by securities held directly and indirectly by the various collective trusts may decline in response to certain events, including those directly involving the issuers whose securities are owned by the trusts; general economic and market conditions; regional or global economic instability; and currency and interest rate fluctuations.

Exchange Traded Funds: The exchange traded funds are valued at the closing price reported on the active market on which the individual funds are traded, and are classified within level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

DRAFT

(5) Fair Value Measurements, continued

The following table sets forth, by level within the fair value hierarchy, a summary of the Plan's investments that were measured at fair value on a recurring basis as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 47,169	$ -	$ -	$ 47,169
Mutual funds	1,483,015	-	-	1,483,015
Collective trust funds	-	16,203,294	-	16,203,294
Total investments at fair value	$ 1,530,184	$ 16,203,294	$ -	$ 17,733,478

The following table sets forth, by level within the fair value hierarchy, a summary of the Plan's investments that were measured at fair value on a recurring basis as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 8,483	$ -	$ -	$ 8,483
Mutual funds	1,555,836	-	-	1,555,836
Collective trust funds	-	14,860,363	-	14,860,363
Total investments at fair value	$ 1,564,319	$ 14,860,363	$ -	$ 16,424,682

The above investments are not FDIC insured, are not guaranteed by any bank, and involve investment risk, including the possible loss of the principal amount invested.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

(6) Investments

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ASC Trust Corporation, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2025; the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024; and the information reflected on the supplemental Schedule H, line 4j-Schedule of Reportable Transactions for the year ended December 31, 2025.

During the years ended December 31, 2025 and 2024 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $2,658,178 and $1,760,199, respectively.

DRAFT

(6) Investments, continued

ASC Dynamic Retirement Trust (DRT) (the Collective Trust) is a collective investment fund under the Guam Collective Investment Funds Act (CIFA) established through a Declaration and Plan of Trust on September 15, 2013 by ASC Trust Corporation, the Trustee. The Trustee is a closely-held trust company under the Guam-Based Trust Companies Act.

The Trustee has the exclusive management and control of the Collective Trust and holds and manages all assets contributed thereto in trust and in accordance with the terms and conditions set forth on the Declaration and Plan of Trust. The Trustee has engaged Mercer (US) Inc. to manage the Collective Trust assets; the Trustee maintains ultimate fiduciary authority over the management and investments in each Profile.

Wells Fargo Stable Fund is a common collective fund which invests all its assets in the Wells Fargo Stable Return Fund G (the G Fund), a common collective fund sponsored by Wells Fargo Bank. The G fund carries its investments at contract value; the contract value represents contributions plus earnings less participant withdrawals and administrative expenses. The G Fund invests in investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and comprises two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee (wrapper) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

(7) Terminated Participants Accounts

At December 31, 2025 and 2024 net assets available for benefits include $375,198 and $255,273, respectively, of benefits due to terminated participants.

(8) Related Party Transactions

The Plan holds units of common trust funds managed by ASC Trust Corporation, the trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from prohibited transactions rules under ERISA.
