the Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Keithly-Williams Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (held at the end of year) as of December 31, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental

schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1 – Description of Plan

The following description of the Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan (the "Plan") provides only general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

The Keithly-Williams Seeds, Inc 401(k) Profit Sharing Plan is a contributory savings plan under Section 401(k) of the Internal Revenue Code (the "Code") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plans sponsor is Keithly-Williams Seeds, Inc ("Keithly-Williams" or the "Company").

The Plan is subject to the provisions of ERISA and has been amended as required to comply with current provisions of ERISA.

### Trustee, Plan Administration and Recordkeeping

The Plan is administered by the Company. The Company has contracted with American Trust Company ("Trustee" or "American") to serve as the Trustee of the Plan and also the contract administrator of the Plan. American holds the Plan investment assets and executes investment transactions and has been given all powers necessary to carry out its duties, including, but not limited to, the power to administer and interpret the Plan, to answer all questions affecting eligibility of participants in the Plan and to authorize disbursements for the payment of Plan benefits.

### Participant Eligibility

The Plan is a profit sharing plan covering all full-time employees who are age eighteen or older. There is a one-year service requirement to participate in the Plan. Once employees reach eligibility, they are automatically enrolled in the Plan beginning on the next enrollment date of either January 1 or July 1. Automatic enrolled employees defer at a 3% of compensation rate unless they elect to modify the deferral percentage or opt out of making contributions to the Plan. The Plan also has an annual 1% automatic increase in the deferral rate unless employees elect to modify or opt out of this increase. Automatic increases occur April 1 each year.

### Contributions

Eligible employees may elect to defer from 1% to 100% of their pre-tax annual compensation as defined in the Plan. The maximum employee deferral permitted by the Internal Revenue Service for the years 2025 and 2024 was $23,500 and $23,000,

respectively. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions up to $7,500 for 2025 and 2024. Participants who were between age 60-63 were eligible for super catch-up contributions of $11,250 in 2025.

The Company makes a safe harbor contribution as well as discretionary matching and profit sharing contributions to the Plan. The Safe Harbor contributions allow that all eligible participants will receive a 3% safe harbor contribution based on annual compensation which is not dependent upon the employee making elective contributions to the Plan. The Company also matches the first 2% of elective employee contributions to the Plan for all participants employed as of the Plan year end. At the option of the Board of Directors, the Company may also make discretionary profit sharing contributions to the Plan. For the years ended December 31, 2025 and 2024, the Company elected to make a discretionary profit sharing contribution of 1% of eligible employee compensation which is also for participants employed as of the Plan year end.

The employer contribution net of forfeitures for the years ended December 31, 2025 and 2024 totaled $808,974 and $763,676, respectively, which is allocated to all participants in accordance with the Plan document.

Participant Accounts

Each participant's interest in the Plan is maintained in six sub-accounts within one main account. These sub-accounts are a pre-tax deferral account, a profit sharing account, a Roth deferral account, a safe harbor non-elective account, a safe harbor match account and a rollover account. The sub accounts are credited with the appropriate contributions and any earning and/or losses resulting from the investment of those contributions.

Participants may direct contributions and any related earnings into various different investment options. Participants may elect to transfer between investment options all or a portion of their account balance as frequently as allowed by the investment manager.

Vesting

Participants are immediately vested in their voluntary contributions, the safe harbor contributions and the employer matching contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion or the Profit Sharing contribution is based on years of continuous service. A participant is 100% vested after six years of service. The vesting schedule is described as follows:

| Years of Service | Vested % |
|---|---|
| Less than 2 years | 0% |
| 2 | 20% |

| | |
|---|---|
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 years or more | 100% |

Notwithstanding the above, if a participant (1) attains the age of 65, (2) dies or (3) terminates employment by reason of permanent disability, the employer contribution amounts become 100% vested without regard to years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of 50% of the vested account balance or $50,000. The loans are secured by the balance in the participant's account. The participant will be charged a reasonable rate of interest for similar types of loans by other lenders (outstanding loans range between 4.25% and 9.5%) and the term of the loan may not exceed five (5) years, unless it is utilized for the purchase of a primary residence. At December 31, 2025 and 2024 participant loans outstanding totaled $432,874 and $383,225, respectively.

Payment of Benefits

Upon termination due to death, normal retirement or permanent disability, participants or their beneficiaries in cases of death, may elect to receive their vested account balance as a lump-sum distribution, in installments over a period of not more than their assumed life expectancy, in a partial withdrawal of at least a $1,000 per occurrence or in accordance with required minimum distribution requirements once a participant reaches age 70 ½.

Pre-retirement distributions are allowed upon either attaining age 59 ½ or experiencing a financial hardship as defined by the Internal Revenue Code. Such withdrawals are subject to applicable excise and income taxes, and may only be made at the approval of the Plan Administrator.

Forfeitures

Participants who are not 100% vested will forfeit the non-vested portion of the Employer profit sharing contribution upon termination of employment. Forfeitures of these non-vested contributions may be used to pay certain plan expenses or be used to reduce future employer contributions to the Plan. There was $2,880 and $13,308 in outstanding forfeitures as of December 31, 2025 and 2024, respectively. Forfeitures of $2,880 and $13,308 were utilized to reduce employer contributions receivable at December 31, 2025 and 2024, respectively.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. The Plan paid expenses totaling $43,452 and $24,774 in 2025 and 2024, respectively, which is included in the Statement of Changes in Net Assets available for Plan Benefits. Special expenses like distribution fees, loan fees and hardship withdrawal fees are covered by the particular participant using the service.

The administrative expenses paid by the Company which are excluded from these financial statements totaled approximately $103,013 and $111,142 for the Plan years ending December 31, 2025 and 2024.

## Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. The Trustee determines the value of investments based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date quoted market prices. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the

plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. Benefits due to terminated employees are not an obligation of the Plan until requested by the employee. Net assets available for Plan benefits may contain amounts allocated to accounts of persons who have withdrawn from participation in the earnings and operations of the Plan and have requested distributions at December 31, 2025. There were no pending distributions as of December 31, 2025.

Reclassifications

Certain reclassifications have been made to the 2024 financial statements to conform to 2025 presentation.

Date of Management's Review

Management has evaluated its December 31, 2025 and 2024 financial statements for subsequent events through September 23, 2026, which is the date the financial statements were available to be issued.

## Note 3 – Certified Financial Information

The financial information included in the Plan's financial statements as it relates to investments assets, investment transactions, investment income, notes receivable from participants and the supplemental schedule of assets held at end of the year have been derived from information certified as complete and accurate by American for 2025 and 2024. This information was not audited, in accordance with the Plan Administrators Instructions and, as permitted by Section 29 CFR 2520.103-8 of the Departments of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets available for Plan Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or

assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted market process for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when the Level 1 or Level 2 inputs were not available.

*Level 1*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan the ability to access.

*Level 2*

Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3*

Inputs to the valuations methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds*

Mutual funds are valued at the exchange traded closing prices (Net Asset Value, or "NAV") provided by Interactive Data Corporation and are considered Level 1 inputs.

*Common Collective Trusts*

Unified Trust Company (a division of American) Wealth Preservation Funds are held in Common Collective Trusts and are valued by Huntington Assets Services, Inc. based upon exchange traded securities whose net asset values are aggregated and combined with stated fees through these procedures to arrive at the Fair Market Value and are considered to be Level 2 inputs.

Unified Trust Company (a division of American) Stable Value Trust is a collective investment trust holding a fully benefit responsive group annuity contract with MetLife that is valued at NAV. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value and are not categorized in the Fair Value Hierarchy.

The following sets forth, by level within the Fair Value Hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Fair Value Measurements Using: | | |
|---|---|---|---|
| | Level 1 | Level 2 | Total |
| December 31, 2025 | | | |
| Mutual Funds | $ 18,868,050 | $ - | $ 18,868,050 |
| Common Collective Trusts | - | 594,660 | 594,660 |
| Total assets in the fair value hierarchy | 18,868,050 | 594,660 | 19,462,710 |
| Investments measured at net asset value* | | | 3,604,477 |
| Total | | | $ 23,067,187 |
| December 31, 2024 | | | |
| Mutual Funds | $ 17,186,861 | $ - | $ 17,186,861 |
| Common Collective Trusts | - | 750,488 | 750,488 |
| Total assets in the fair value hierarchy | 17,186,861 | 750,488 | 17,937,349 |
| Investments measured at net asset value* | | | 3,822,802 |
| Total | | | $ 21,760,151 |

*In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV have not been classified in the fair value hierarchy. The Plan's Net Asset Value practical expedient are composed of a Common Collective Trust, which has no unfunded commitments, is measured daily and may be redeemed daily with no restriction related to the redemption notice period.

Gains and losses (realized and unrealized) included in Statement of Changes in Net Assets available for Plan Benefits for the year ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

## Note 5 – Parties-in-Interest

In 2025 and 2024, certain Plan investments may be included in investment accounts managed by American or by Unified Trust Company, a division of American. American is the Plan investment advisor as contracted by the Plan and, therefore, these transactions may qualify as parties-in-interest.

## Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

## Note 7 – Tax Status

The Plan has received an opinion letter from the Internal Revenue Service stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Code, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the taxing authority. The Plan Administrator has determined that there are no uncertain

tax positions taken or expected to be taken. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risks and Uncertainties**

The Plan provides for investments in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the various risk factors in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

Participants may invest in certain mutual fund accounts that invest in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in United States companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those securities of comparable United States companies.

**Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Schedule H of Form 5500:
