Creative Sign Designs Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of Creative Sign Designs Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Creative Sign Designs Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Creative Sign Designs Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Sign Designs Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creative Sign Designs Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Sign Designs Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at Year End) December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of Plan

The following description of the Creative Sign Designs Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees of Creative Sign Designs, LLC (the "Company" or "Sponsor") for the benefit of its employees who have completed six months of service. Entry date into the plan is on the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirement. The Plan was amended January 2021 to allow for employer matching contributions. The Plan was adopted with an effective date of January 1, 1995 and is sponsored by Creative Sign Designs (Company). The Plan entered into an agreement with Automatic Data Processing ("ADP") to act as recordkeeper of the Plan. ADP entered into a trustee agreement with a third-party trustee, Reliance Trust Company ("RTC"), to hold the investments and execute investment transactions for the year ended 2024. As of January 1, 2025, the trustee of the Plan was changed to ADP Retirement Trust Services, LLC. The Company has adopted the ADP Defined Contribution Plan Non-Standardized 401(k) Profit Sharing Plan Adoption Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On July 1, 2023, the Plan added the option for Roth deferrals.

(b) Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to a maximum of $23,500 in 2025 ($31,000 including catch-up contributions for participants who attain age 50 by the end of the Plan year). Participants may also rollover amounts from other qualified defined benefit or contribution plans even if they have not yet met the service requirement. Participants direct the investment of their contributions into various investments offered by the Plan. Participants may modify their elected contribution anytime through the ADP portal. All eligible employees are automatically enrolled in the Plan unless they elect not to participate. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation, as defined, with a 1% increase on each succeeding anniversary up to a maximum of 10%.

During 2021, the Plan was amended to include employer matching contributions. The Plan provides for the Company to make discretionary contributions in an amount equal to a matching percentage of a participant's eligible contributions for the Plan year at the option of the Company up to a maximum amount. A participant must complete 1,000 hours of service and be employed at the end of the Plan year to be eligible for matching contributions. However, these conditions are waived in the event of death, permanent disability or normal retirement of the participant. For 2025 and 2024, the Company match was $31,058 and $28,852, respectively.

(1) Description of Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings, and charged with an allocation of any administrative expenses. The plan allows participants to direct their contributions to any investment options available to the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Vesting

Participants are immediately vested in their contributions plus earnings, if any, thereon. Vesting in the Company's matching contribution portion of their account plus actual earnings, if any, thereon is based on continuous years of service. A participant vests in the matching contribution at a rate of 20% for the second year of service, 40% for the third year of service, 60% for the fourth year of service, 80% for the fifth year of service and 100% vested as of the sixth year of service. The Plan provides for 100% vesting of participant balances upon normal retirement, death, permanent disability or plan termination in accordance with Plan provisions.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Principal and interest are paid ratably through payroll deductions up to a five year period. However, if the loan is for the purchase of the participant's principal residence, the Plan administrator may permit a longer loan period. Participants may only have one loan outstanding at a time. The note receivable balances were $37,054 and $12,609 at December 31, 2025 and 2024, respectively.

(f) Benefits Paid to Participants

On termination of service due to death, disability or retirement, a participant shall be 100% vested in their accounts under the Plan. Normal retirement age under the plan is 65. The Plan provides for benefit distributions by lump-sum payment. The Plan also allows for in-service withdrawals for those 59 ½ or older. The Plan provides for hardship distributions in accordance with the Plan agreement. At December 31, 2025 and 2024, there were no distribution payments that were processed and approved for payments by the Plan, but not yet paid to participants.

(1) Description of Plan – Continued

(g) Hardship Withdrawals

The Plan allows participants to withdraw a portion of their account balance in the event of immediate and heavy need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions. There is no requirement to exhaust the loan distributions prior to receiving a hardship distribution from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan or from receiving employer contributions as a result of taking a hardship distribution.

(h) Forfeitures

Non–vested Company contributions that are forfeited are retained in the Plan and reduce Company contributions. As of December 31, 2025 and 2024, the Plan had total forfeitures of $1,762 and $968, respectively available to reduce future Company contributions.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The Shares of registered investment companies are valued at quoted market prices. Changes in the fair value of investments in registered investment companies and gains or losses on disposal of these investments are reported in the statement of changes in net assets available for benefits as net realized and unrealized appreciation in investments.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(2) Summary of Significant Accounting Policies - Continued

(d) Valuation of Notes Receivable from Participants

Notes receivable from participants represent participant loans and are valued at the unpaid principal balance plus any accrued and unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(e) Contributions

Employee contributions are recorded when eligible compensation is paid. Employer contributions are recorded when authorized.

(f) Benefits paid to Participants

Benefits are recorded when paid.

(g) Administrative Expenses

Administrative expenses of the Plan are paid by the Sponsor, the Plan and/or unallocated Plan forfeitures.

(3) Fair Value Measurements

Accounting Standards Codification Topic 820 (ASC 820), *Fair Value Measurements and Disclosures*, establishes the fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of quoted prices in active markets of similar assets, quoted prices in inactive markets of identical assets, inputs other than quoted prices that are observable, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no investments with Level 2 or 3 inputs that were held by the Plan during the years ended December 31, 2025 and 2024.

(3) Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Fair Value Measurements at December 31, 2025			
Description of Investment	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered Investment Companies	3,636,445	3,636,445	-	-
Total	$ 3,636,445	$ 3,636,445	$ -	$ -

	Fair Value Measurements at December 31, 2024			
Description of Investment	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered Investment Companies	2,657,587	2,657,587	-	-
Total	$ 2,657,587	$ 2,657,587	$ -	$ -

(4) Information Certified by Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, the trustee of the Plan at December 31, 2025 and Reliance Trust Company, the trustee of the Plan at December 31, 2024, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants as of December 31, 2025 and 2024, as shown in the Statement of Net Assets Available for Benefits.
- Investment income for the year ended December 31, 2025, as shown in the Statement of Changes in Net Assets Available for Benefits.
- The Schedule of Assets (Held at End of Year) as of December 31, 2025 included in the supplemental schedule.

The Plan's independent auditors did not perform audit procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(5) Party-in-Interest Transactions

Certain Plan investments are managed by the trust of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, the notes receivable from participant employees of the Company are considered exempt party-in-interest transactions.

(6) Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(7) Income Tax Status

The Plan has adopted the ADP prototype plan, which received its latest opinion letter from the Internal Revenue Service dated October 6, 2020, stating that the ADP prototype plan was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Income Tax Status - Continued

The Plan accounts for uncertain tax positions, if any, in accordance with FASB Accounting Standards Codification 740. In accordance with these professional standards, the Company recognizes tax positions only to the extent management believes it is "more likely than not" that its tax positions will be sustained upon IRS examination. The Plan Administrator believes it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for the year ended December 31, 2025 and 2024.

The Plan Administrator believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Plans Statements of Net Assets Available for Benefits or Statement of Changes in Net Assets Available for Benefits. Accordingly, the Plan has not recorded any accruals for interest and penalties for uncertain income tax positions at December 31, 2025 and 2024.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. The Sponsor believes it is no longer subject to income tax examination for years prior to 2022.

(8) Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

(9) Subsequent Events

Management has evaluated subsequent events through October 7, 2026, the date on which the financial statements were available to be issued.
