Independent Auditor's Report

To the Plan Administrator
Honigman LLP Dental Plan

Opinion

We have audited the financial statements of Honigman LLP Dental Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits - cash basis as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits - cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying cash basis financial statements referred to above present fairly, in all material respects, the net assets available for benefits - cash basis of the Plan as of December 31, 2025 and 2024 and the changes in net assets available for benefits - cash basis for the year ended December 31, 2025 on the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 to the cash basis financial statements, which describes the basis of accounting. The financial statements are prepared on a cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 2 and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

PRAXITY™
Empowering Business Globally

To the Plan Administrator
Honigman LLP Dental Plan

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Note 1 - Plan Description

The following description of Honigman LLP Dental Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1981 to provide dental care benefits to Honigman LLP's attorneys and staff members and their families. Effective July 1, 1999, the Plan was amended to become a self-funded plan. The Plan's sponsor, Honigman LLP (the "Firm"), maintains a contract with Delta Dental Plan of Michigan for the purpose of providing claims payment services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

All U.S.-based attorneys and staff members become eligible for benefits under the Plan on the first day of the month following 30 days of continuous full-time employment with the Firm, provided an enrollment application has been filed prior to that date. If an individual fails to file an enrollment application within this 30-day period, coverage will not begin until the first day of the month following the date the application is filed. There were 722 and 677 attorneys and employees and their dependents participating in the Plan as of December 31, 2025 and 2024, respectively.

Contributions

The Firm contributes such amounts to provide the Plan with assets sufficient to meet the benefits to be paid to plan participants. No participant contributions are permitted except for contributions for continuing coverage made under the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the cash basis of accounting. Under the cash basis of accounting, contributions are recognized when received rather than when earned, and claims are recognized when paid rather than when related obligations are incurred.

Benefit Obligation

Benefit obligations represent the ultimate cost of the Plan of settling claims incurred but not reported for active participants and known claims payable as of December 31, 2025 and 2024, which totaled approximately $90,000 for both years. The benefit obligations are due to benefits earned being in excess of benefits paid for the current period. The benefit obligations are determined using historical trend information and estimated amounts for claims payments after year end.

The excess of the above obligations over the net assets available for benefits and any deficiency in net assets available for benefits will be funded through employer contributions to the Plan. Funding for benefit obligations is not required under ERISA.

The changes in benefit obligations for the year ended December 31, 2025 resulted from $678,053 of benefits earned and $678,053 of claims paid.

As of both December 31, 2025 and 2024, benefit obligations consist of dental claims incurred but not reported of approximately $37,000 and known dental claims payable of approximately $53,000.

Funding

The Firm contributes the amounts necessary to provide assets sufficient to meet the benefits to be paid to plan participants and to service providers to cover possible future claim amounts in the event of terminating with the service provider. Other deposits of $57,900 and $46,300 at December 31, 2025 and 2024, respectively, represent a prefunding to the Plan's service provider to cover future claims if the Plan were to terminate services with them. During 2025, the Firm paid an additional prefund in the amount of $11,600 to the Plan's service provider on behalf of the Plan.

Note 2 - Summary of Significant Accounting Policies (Continued)

Former participants who elect to continue coverage under COBRA are required to remit up to 102 percent of the applicable premium, calculated as allowed by Internal Revenue Code Section 4980B.

Use of Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The cash basis financial statements and related disclosures include evaluation of events up through and including October 12, 2026, which is the date the cash basis financial statements were available to be issued.

Note 3 - Tax Status

The Plan is a welfare benefit plan for medical benefits, as described in Section 105 of the Internal Revenue Code. The Plan is funded by a grantor trust used for participant contributions; accordingly, federal income tax on trust earnings is paid by the Firm.

Note 4 - Administration of Plan Assets

The Plan is supervised by the pension and benefits committee of the Firm. All administrative expenses of the Plan are paid directly by the Firm. Administrative expenses of the Plan paid by the Firm were approximately $70,000 for the year ended December 31, 2025. The Plan's claims administrator is Delta Dental Plan of Michigan. The claims administrator's primary function is to verify and process participant benefit claims.

Note 5 - Plan Modification, Amendment, and Termination

Although it has not taken steps to do so, the Firm has the right under the Plan to modify, amend, or terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, the Firm will contribute the amount necessary to pay its share of the medical benefits incurred to the date of plan termination. The Firm periodically considers modifications and amendments to the Plan, but no such modifications or amendments have been formally recommended at the present time, nor is the Firm currently contemplating termination of the Plan.
