REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Participants
Arctic Slope Regional Corporation and Subsidiaries
Group Health & Welfare Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Arctic Slope Regional Corporation and Subsidiaries Group Health & Welfare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of matter - basis of accounting
We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA
The supplemental schedules of assets (held at end of year) as of December 31, 2025, and reportable transactions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information

Grant Thornton

included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Arctic Slope Regional Corporation and Subsidiaries Group Health & Welfare Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document, maintained by Arctic Slope Regional Corporation and Subsidiaries ("ASRC," the "Company," or the "Plan Sponsor") for more complete information.

General

The Plan was established for the purpose of providing eligible employees, board members, and certain retirees of ASRC, as well as their dependents or designated beneficiaries, with medical, prescription drug, dental, vision, life, and other health and welfare benefits.

The Plan Sponsor has the responsibility of administering the financial activities of the Plan, which is intended to constitute an employee welfare benefit plan as defined in Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan's benefit coverage begins January 1 and ends December 31.

Certain assets of the Plan are held in a Voluntary Employees' Beneficiary Association ("VEBA") trust. The Plan is subject to the provisions of ERISA.

Eligibility and Participation

Active members of the Board of Directors of the Plan Sponsor, each employee of the Plan Sponsor who is regularly scheduled to work 30 or more hours per week and whose employment is not governed by a collective bargaining agreement (CBA), unless provided for in the applicable CBA, and the covered spouses and dependents of eligible individuals, as defined by the Plan document, are eligible to participate in the Plan. The Plan also provides benefits to retired executives and retired members of the Board of Directors who have accumulated at least 10 years of service at the time of retirement, as well as their spouses and dependents. Coverage under various benefit programs is dictated by the Plan document.

Benefits

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short-term and long-term disability benefits, accidental death and dismemberment benefits, commuter benefits, travel benefits, employee assistance program benefits, health savings accounts and flexible spending accounts. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act.

Insured Benefits

The Plan offers various fully insured benefits, including health (medical, dental, and vision), life insurance (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and dependent), short-term and long-term disability, and business and international travel benefits. The Plan Sponsor purchases annual insurance contracts for these insured benefits. Substantially all premiums for these benefits are paid from the general assets of the Plan Sponsor.

Self-insured Benefits

The Plan also offers various self-insured benefits (medical, dental, and vision). The claims for self-insured benefits are processed by the Plan's third-party claims processors under Administrative Services Only ("ASO") arrangements. The claims processors pay claims directly to or for participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Plan Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a Pharmacy Benefit Manager ("PBM") to help control prescription drug costs. The PBM pays refunds to the Plan based on the Plan's actual utilization pattern of specific drugs. There is an inherent lag between the periodic capture and calculation of refunds due to the Plan and receipt of such refunds.

The Plan provides for Flexible Spending Accounts ("FSAs") which are funded solely through participant contributions on a pre-tax basis. The FSAs allow eligible participants to be reimbursed for qualified medical expenses, up to $3,300 and $3,200 per year for 2025 and 2024, respectively. The Plan Sponsor is not permitted to refund any unused contributions to the participants at the end of the Plan year; however, participants have until March 31 of the following year to submit claims incurred during the Plan year.

The Plan provides a Health Savings Account ("HSA") benefit for individuals enrolled in High Deductible Health Plans, which are funded through participant contributions on a pre-tax basis and by the Plan Sponsor. Eligible HSA participants can pay for qualified medical expenses or health insurance premiums, up to $4,300 for individuals and $8,550 for families, and $4,150 for individuals and $8,300 for families, in 2025 and 2024, respectively. Participants over the age of 55 may contribute an additional $1,000 per year in both 2025 and 2024. The HSA funds may be used for non-health purposes (on a taxable basis). Participants may also withdraw the funds at age 65 as supplemental retirement income. HSAs do not follow a use-it-or-lose-it policy. The participant retains ownership of the account and is responsible for providing documentation to substantiate any distributions from their HSA. As the Plan participant is the owner of the HSA account, and neither the Plan nor the Plan Sponsor is obligated to pay benefits related to the HSA, the activity related to the HSA accounts is not included in the Plan's financial statements.

Contributions

In addition to deductibles, copayments, and pretax contributions to FSAs, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participant contributions are based upon the benefit coverage chosen by the participant and the type and number of dependents being covered. The Plan Sponsor makes contributions to the Plan, as needed, to fund claims and expenses in excess of participant contributions. Any deficiency of the Plan's net assets over benefit obligations is funded on a pay-as-you-go basis by the Plan Sponsor and Plan participants.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are prepared on the modified cash basis of accounting. Contributions and related assets are recognized when received, and other activity, such as investment income, is recognized when earned. Benefits are recognized when paid by the Plan, rather than when the obligation is incurred, and plan expenses are recognized when paid rather than when incurred. Purchases and sales of securities are recognized as of the date of the trade, and any related receivable or payable pending settlement is reflected in the statements of net assets available for benefits. Investments are reported at fair value.

In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Plan Sponsor or the VEBA trust are recorded at the time the premium is paid in the accompanying statement of changes in net assets available for benefits. There were premiums for coverage periods in 2025 that were paid in 2026 (approximately $4,626,000) and premiums for coverage periods in 2024 that were paid in 2025 (approximately $3,105,000).

Claim payments for self-insured benefits are recorded when paid to the third-party claims processor. At December 31, 2025 and 2024, there were claims of approximately $3,336,000 and $5,299,000, respectively, which had been paid by third-party claims processors, for which the third-party claims processors had not been reimbursed.

Stop Loss

Premiums paid for stop loss insurance are included in premiums paid in the accompanying statement of changes in net assets available for benefits. Any stop loss refunds received are netted against claims paid in the accompanying statement of changes in net assets available for benefits. The Plan recorded approximately $2,521,000 and $1,925,000 for stop loss reimbursements for the years ended December 31, 2025 and 2024, respectively.

Refunds

Refunds due from the Plan's PBM are recorded when received and are netted against claims paid. The Plan recorded pharmacy rebates totaling approximately $10,937,000 in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025. Pharmacy rebates of $2,314,000 were earned in 2025 and paid in 2026. Pharmacy rebates of $2,177,000 were earned in 2024 and paid in 2025.

Investment Valuation

The Plan's investment is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and the trustee for the VEBA trust. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as legal, accounting, actuarial and other professional services fees, are paid by the Plan Sponsor on behalf of the Plan.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A. ("Bank of America"), the trustee of the Plan, certified that the following data included in the accompanying modified cash basis financial statements and supplemental schedules are complete and accurate:

- Cash and investments, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Interest income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.
- Schedule H, line 4j - schedule of reportable transactions for the year ended December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or the amount paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is a market-based measurement considered from the perspective of a market participant. The Plan uses market data or assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation.

These inputs can be readily observable, market corroborated or unobservable. The Plan applies both market and income approaches for recurring fair value measurements using the best available information while utilizing valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

Fair Value Hierarchy

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the reporting entity at the measurement date.

Level 2 - Other than quoted prices included in Level 1, inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following is a description of the valuation methodologies used for the Plan's investment measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: Valued based on amortized cost of the securities held in the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investment is categorized as a Level 1 investment at December 31, 2025 and 2024.

NOTE 5 - BENEFIT OBLIGATIONS

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as those for death or loss of eligibility) between the valuation date and the expected date of payment.

For measurement purposes, the Plan's actuary has assumed that medical costs will increase according to the health cost inflation trend derived by using the "Getzen" model. In accordance with that model, the following weighted-average annual rates of increase in the average per capita cost of covered health care benefits were assumed as of December 31:

Medical Trend as of December 31, 2025

Year	% Inflation Pre 65
2026	6.80
2027	6.60
2028	6.40
2029	6.10
2030	5.70
2031	5.40
2032	5.10
2033	4.80
2034+	4.60

Medical Trend as of December 31, 2024

Year	% Inflation Pre 65
2025	5.90%
2026	5.80%
2027	5.70%
2028	5.50%
2029	5.30%
2030	5.10%
2031	4.90%
2032	4.70%
2033+	4.60%

The weighted-average health care cost trend rate assumption has an effect on the amounts reported as postretirement benefit obligations. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of December 31, 2025 and 2024, by $757,767 and $476,016, respectively.

The following were other significant assumptions used to determine the postretirement benefit obligation as of December 31:

	2025	2024
Weighted-average discount rate	5.45%	5.45%
Retirement age	Board of Directors over 55: age 62 Active employee over 55: age 65 All other active employees: age 55	Board of Directors over 55: age 62 Active employee over 55: age 65 All other active employees: age 55
Mortality	Pri-2012 Headcount-Weighted white collar mortality table to reflect Mortality Improvement Scale MP - 2021	Pri-2012 Headcount-Weighted white collar mortality table to reflect Mortality Improvement Scale MP - 2021
Annual dental cost increase	4.0%	4.0%
Annual vision cost increase	2.4%	2.4%
Life insurance	None	None
Spouse coverage	Actual spousal data used	Actual spousal data used
Children of participants	Covered until age 26	Covered until age 26

The actuarial present value of the expected cost of benefits covered by the Plan for claims incurred but not reported ("IBNR") was calculated from actuarial assumptions including the overall expected level of increase in the cost of benefits provided (trend rates), to historical claims data to estimate the Plan's benefit obligations as of December 31, 2025 and 2024.

The Plan's benefit obligations include the following at December 31:

	2025	2024
Health claims payable and incurred but not reported claims	$ 5,638,000	$ 6,332,000
Postretirement benefit obligations, net of amounts currently payable	6,588,128	5,246,546
Total benefit obligation	$ 12,226,128	$ 11,578,546

The changes in the Plan's benefit obligations include the following for the year ended December 31, 2025:

Amounts currently payable	
Balance at beginning of year	$ 6,332,000
Claims reported and approved for payment, including benefits reclassified from benefit obligations	68,220,811
Claims paid, net	(68,914,811)
Premiums to insurance carriers	56,142,553
Insurance companies' premiums paid	(56,142,553)
Balance at end of year	5,638,000
Postretirement benefit obligations, net of amounts currently payable	
Balance at beginning of year	5,246,546
Increase in postretirement benefits attributable to	
Service cost	250,058
Interest cost	278,575
Participant contributions	17,625
Change in assumptions	(161,903)
Experience gain	1,285,844
Actual benefit payments	(328,617)
Balance at end of year	6,588,128
Plan's total benefit obligations at end of year	$ 12,226,128

The Plan's excess of benefit obligations over net assets at December 31, 2025 and 2024 relate primarily to the postretirement benefit obligation, claims payable, premiums payable to insurers, and IBNR claims. It is expected that the excess obligations will be funded through contributions from Plan participants and the Plan Sponsor.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE 6 - TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service ("IRS") dated January 31, 2013, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 or 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan's investment is exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 8 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 9 - TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 10 - SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through October 9, 2026, which is the date the Plan's financial statements were available to be issued. Management is not aware of any subsequent events that would require recognition or disclosure in these financial statements.
